Hon'ble Minister for Higher Education and Pro-Chancellor of the University

Vice-Chancellor's Message

Dear Students,

Kuvempu University is one of the affiliating type of state Universities established in the year 1987. The University is placed in the lush green campus spanning over 230 acres in the lap of Sahyadri Western Ghats away from the hustle – bustle of city life. In addition to serenity and ambience, the University is fully equipped with state of the art facilities, up-to-date syllabi, competent faculty, exposure to industries and enterprises as also a vibrant philosophical base to make our students come out with flying colours to keep pace with the contemporary competitive world.

The University has grown progressively academically over the decades. It has been ranked A Grade by NAAC. Our faculties have brought laurels to the University by their outstanding achievement as best scientists at global level.

Students of today are citizens of tomorrow and architects of India's glorious future in the decades to come. It is rightly said that 21st century belongs to India and the future of nation is shaped in its class rooms. I call upon you to pursue your higher education in the relevant branch of your interest in Kuvempu University. The University will definitely bring you a great rewarding and memorable experience and make you fully skilled and competent individual to serve our society, nation and the humanity as whole.

I welcome you to this great destination of knowledge to explore new frontiers and new horizons

About the University

Kuvempu University is an affiliating University established by State Government of Karnataka in 1987, and recognized by UGC under 2(f) and 12(b). The jurisdiction of the university spreads over the districts of Shivamogga and Chikkamagaluru.

The University has been named after great Kannada writer **Shri. KUVEMPU** and has achieved a distinctive academic profile and a cultural identity of its own. Kuvempu University is a confluence of the local and the global; of the regional and the pan-Indian; of the sustenance provided by tradition and the dynamism provided by modernity; of a deep sense of commitment to the socially and culturally disadvantaged and an equally deep commitment to excellence.

Kuvempu University has been ranked in 100-150 Band in the prestigious National Institutional Ranking Framework (NIRF) of Ministry of Human Resource Development, Government of India for the year 2023.Further more, The Knowledge Review a renowned journal has named the University as one of the top ten inspirational educational institutions in the faculties of Arts and Commerce. The University is also placed in the top 200 in the list of BRICS universities.

The emblem of the university has a mythical animal with the trunk of an elephant and the body of a swan. This mythical animal, called **Gajahamsa** is commonly found in the Vijayanagara and the Keladi sculpture and temple art. It symbolizes the integration of knowledge and wealth.

It is a university with a distinctive academic profile, blending in itself commitment to rural ethos in modern spirit. The university offers under-graduate, post-graduate and Ph.D programmes in a wide range of disciplines. It has 38 Post-graduate Departments in the Faculties of Arts, Commerce, Education, and Science and Technology.

Jnana Sahyadri, the main campus sprawls over an area of 230 acres of a lush green, picturesque locale providing the right ambience for higher education. The main buildings of the university are constructed on small hillocks, blending naturally with the landscape. The entire campus area is free from any form of pollution. The undisturbed and pleasant atmosphere on the campus makes it ideally suited for the pursuit of higher education and research.

(1) Post-Graduate Centre, Kadur: With the objective of providing higher education to rural youth, Kuvempu University established a Post-graduate Centre at Basavanagara, Kadur. It is spread over 60 acres near Shivamogga-Bengaluru highway and 7 kms away from Kadur town. Four courses are offered here; M.Com, MA Economics, M.Sc. Chemistry and M.Sc. Pharmaceutical Chemistry. It has separate hostels for boys and girls.

(2) Post-Graduate Centre, Chikkamagaluru: To further promote the motto, '**Quality Education** for all' and to encourage rural students in seeking admission to Post Gaduate programmes, University has started one more centre at Chikkamagaluru. Four courses are offered here: M.Com, M A Kannada, M.A. Political Science and M.Sc. Mathematics.

(3) Affiliated Colleges: The University has 99 affiliated colleges. These include 3 constituent colleges, 30 Government colleges, 65 private colleges, and one college under the direct control of the University, spread over the two districts offering Under-Graduate and Post-Graduate Programmes. Among them, 19 colleges offer B.Ed programme; 38 colleges have been assessed and accredited by NAAC; and 48 colleges are admitted to 2(f) and 12(b).

(4) Constituent Colleges: Sahyadri Arts College, Sahyadri Commerce and Management College, and Sahyadri Science College, the erstwhile government institutions, are now the Constituent colleges of Kuvempu University. These colleges have contributed illustrious persons to every important field. Among the celebrities who are the alumni of the colleges are Dr. U. R. Ananthamurthy, Jnanapeeta awardee; Prof. C. N. R. Rao, eminent Scientist and Bharatha Ratna awardee; Sri. K. V. Subbanna, Magsaysay awardee; and Sri. D. H. Shankaramurthy, Speaker of Legislative Council and former Minister of Higher Education, Government of Karnataka. Both the colleges have been recognized as Colleges with Potential for Excellence by the University Grants Commission. Sahyadri Colleges are celebrated Platinum Jubilee.

(5) Directorate of Distance Education (DDE): To foster university-society relationship with the motto, **Education for All,** the Directorate of Distance Education of the university is offering under-graduate, post-graduate and P.G Diploma courses. Under open and distance learning and online learning mode.

(6) Prasaranga: Prasaranga, the publication and extension wing of the University, plays a key role in disseminating knowledge and in building a bridge between the academic world and the society at large. The varied activities of the Prasaranga are mainly of three kinds viz.,extension lectures, publication of books and publication of university newsletter.

Student Amenities

The university provides many facilities to the student community and some of these facilities are as follows.

(1). Library: The Library is housed in a modern and well equipped building with excellent infrastructure facilities for reading, borrowing and reference to the students, teachers and research scholars of all Departments. The library has kept pace with modernization by adopting cutting-edge information and communication technology. The library serves its users with traditional print sources such as books, reference sources, journals, magazines, reports, theses, dissertations, etc. Also the library provides access to online resources such as e-journals, e-database, and e-portals. The library has access to more than 7000 e-resources under the e-Shodhsindhu programme of the UGC- Inflibnet Centre. The library has also been provided with excellent facilities for the self learning of the academic community beyond working hours.

Green Library: The University offers a unique experience of browsing hundreds of books and journals and other resources through Wi-Fi, to students sitting in a lush green natural forest. The green library is established in a cool, calm, serene bamboo forest surrounded by trees and creepers, occasionally filled with music from birds in the campus.

(2). Hostels: There are four hostels for the post-graduate students on the main campus - two men's hostels and two women's hostels. Besides, there is a working women's hostel on the campus providing accommodation to students and research scholars. The hostel for students belonging to backward classes and minorities (established near the main campus by the Government of Karnataka) provides hostel facility exclusively for the post-graduate students of the university. Students are advised to apply for hostels immediately after admission (on the same day). Even at P. G. Centre, Kadur, there are two hostels for the students.

However, accommodation in the hostels is limited. Some details about Faculty Advisors are given below.

(3). Add-on P. G Diploma Courses: Encouraged by the guidelines of University Grants Commission, the university Departments and the Directorate of Distance Education provide an opportunity for the post- graduate students to study and obtain a Post-Graduate Diploma simultaneously with the Post-Graduate course being pursued by them.

(4). Language Laboratory: To train the students in English for communication, a fully computerized modern language lab has been established in the university.

(5). University Art Gallery and Museum: The University Art Gallery and Museum provides a visual feast with rare collections of sculptures, paintings, idols, tools, musical instruments, relics, artifacts, assorted antiquities like arms and armory, copper plate grants, metal objects of religious utility and brass plates, collected from various locations of the State, showcasing the rich cultural heritage. Separate sections of the museum exhibits rare stones, minerals and items that have geological importance; instruments used for scientific research; and rare old newspapers.

(6). Keladi Museum: The Keladi museum is a unique museum of manuscripts, sculptures and paintings which also houses a publication wing. The museum houses about 2,500 palm leaf manuscripts, thousands of paper manuscripts written in Kannada, Sanskrit and Telugu scripts, besides four hundred palm leaf manuscripts in Tigalari script. It provides facilities to scholars for research.

(7). Coaching for Civil Service Examinations: In order to motivate students to seek administrative careers and to equip them to face the examinations, the university organizes training for civil services and other competitive examinations. The training includes counseling and essential skill development apart from academic guidance.

(8). Directorate of Student Welfare: Kuvempu University has maintained an excellent student friendly ambience and assigns top priority to student welfare. A Directorate of Student Welfare has been established to plan and monitor student welfare activities.

(9). Co-curricular Activities:

A) University Sports and Cultural Meet : The athletic and artistic potentials of the students, teaching and administration staff take a competitive turn making the entire campus vibrant, vivacious, creative and colorful, where winners emerge from collective effort and ever- pervading joy.

B) Sahyadri Utsava: The University assigns high priority to co-curricular activities on the campus. These activities are organised by the Co- curricular Activities Association which consists of a co-ordinator from the faculty and student representatives from all P. G Departments. A highlight of the activities is the annual youth festival **(Sahyadri Utsava)** of students from affiliated colleges and the Post-Graduate Departments. Selected participants represent the university at inter- university youth festivals. The outstanding performer in co-curricular activities are felicitated by the university with the Gold medal Nirankushamathi.

C) Swachchata Andolana: As a positive response to the life-threatening environmental degradation, the University staff and students clean up the entire campus and the roads in and around the institution. This helps in maintaining the beauty of the campus and assuring clean and healthy surrounding for the people in the campus and wild animals that live in the adjoining forest.

(10). Aasare: It is a unique programme started by the university from 2011-12. The programme aims at carrying out special activities for the students to enhance their physical and mental abilities.

(11). Sports: The University has established a well equipped Indoor Sports Complex which has facilities for all indoor games including volley ball, basket ball, gymnastics and modern multi gymnasium. It has 24 well furnished dwelling rooms. Inter-collegiate competitions in almost all games and sports are organized regularly, in which large number of students from affiliated colleges participate. The outstanding performer in sports activities are felicitated by the university with the Gold medal Vishwamanava.

(12). National Service Scheme (NSS): Kuvempu University NSS wing is recognised as one of the best in Karnataka State and has also received Indira Gandhi NSS National Award for 2014-15. The NSS wing organizes annual camps, national camps and socially relevant programmes. It also coordinates the adult literacy programmes in which the students can participate actively. The outstanding performer in NSS activities are felicitated by the university with the Gold medal Aniketana.

(13). SC/ST and OBC Cells: The Scheduled Castes and Scheduled Tribes, and OBC Cells have been established to provide special assistance to students belonging to Scheduled Castes, Scheduled Tribes and other Backward Communities. The cells monitor fellowships and scholarships to SC, ST, and OBC researchers and P. G students. These Cells also organise remedial classes and coaching classes for the competitive examinations.

(14). Internal Quality Assurance Cell (IQAC): IQAC works towards improving the quality of teaching, research and administration.

(15). International Students Cell: In order to facilitate the students from overseas in pursuing higher education and research in the university, International Students Centre has been established. The centre, after thorough verification of documents, recommends enrolment. International students may contact the Director office(Phone: 9845142267).

(16). Women's Study Centre: A Women's Study Centre undertakes outreach and extension programmes aiming at empowering women students in the campus. The centre is empowered to assist women students in the campus, offer counseling programmes, conduct vocational training programmes for rural women, and ensure harmonious and enriching gender well-being in the campus through bringing in gender sensitivity and equality. The Centre has been given the responsibility to offer academic programmes in gender studies.

(17). Women's Grievances Redressal Cell: In order to redress the grievances of woman-students, a separate permanent Cell has been established to combat sexual harassment against women.

(18). Online Students' Grievances Redressal Cell: The University has established a Students' Grievances Redressal Cell to provide a mechanism for Redressal of students' grievances and ensure transparency in admission, prevention of unfair practices, etc. For this, a nodal officer is appointed. Students from Kuvempu University and its affiliated colleges can lodge complaints through "Online Students Grievances Redressal Portal" of UGC (website: **www.ugc.ac.in**), New Delhi related to admission process, non-transparent or any unfair evaluation practices, inadequacy in the provisioning of student amenities, alleged discrimination of students, etc.

(19). Differently abled Centre: To assist the special needs of the students who have any kind of physical or psychological disabilities, a separate center is established. Information on financial aids and scholarships will be available here.

(20). Employment Information and Guidance Bureau: The University Employment Information and Guidance Bureau was established in the university premises to cater to the educational and vocational guidance needs of the university students. The Bureau runs directly under the guidance of a senior faculty member assisted by Deputy Chief who is appointed by the Government of Karnataka. This office has separate library with 542 books on competitive examinations. The Bureau organizes free coaching classes, educational and vocational employment counseling services, provides continuous assistance to the candidates in making educational and vocational plans, and creates awareness about employment, and maintains co-ordination with other agencies engaged in similar activities.

(21). Placement Cell: Many Post-Graduate Departments of the university have been organizing campus interviews to help the students to find placement. The university has established a full fledged Placement Cell in order to monitor placement services for the students.

(22). Student Counseling Center: Kuvempu University has introduced student counseling at different levels. Apart from the course counseling, there is also continuous expert counseling for students to help them to overcome their problems.

(23). Earn and Learn Scheme: To supplement the financial needs of the students, a unique and useful Earn and Learn Scheme has been introduced. Selected students are assigned with some basic work and remuneration is paid to them.

(24). Health Centre: The university has a health centre with physicians assisted by necessary staff. Only general consultancy and first aid services are provided. It has the preliminary diagnostic facilities and on- line ECG with medical advice of Narayana Hrudayalaya, Bengaluru. Ambulance facility is also available at the centre.

(25). Wi-fi Enabled Campus: The University provides Wi-Fi internet network facility for all students and employees of the university in the entire campus.

(26). CCTV Monitored Secure Campus: With the objective of providing maximum security to students, entire campus is monitored through CCTV. Further, a dedicated group of security persons are employed to ensure safety and safeguard assets.

(27). Cafeteria and Bank: There is a well furnished canteen in the campus. Snacks and vegetarian food are available to the students, employees and visitors. There is also a branch of State Bank of India in the campus.

(28). City Office: This city office is located near Sahyadri Colleges, Shivamogga on B.H By-pass road. Students' requirements like migration certificates, provisional degree certificates and other academic / examination related documents are issued to the students from this office also.

(29). Guest House: The Guest House is situated in an enchanting location. It is situated on a hillock with a view of backwaters of Bhadra Reservoir. It also provides an elegant view of the project area. It has air- conditioned rooms and excellent catering facilities. There is also an exclusive Lake View guest house.

Note: **10% of the General Merit (GM) seats are reserved for Economically Weaker Sections (EWS) on production of the certificate in the prescribed format. As per the University order No.KU:AC:AC-4:121(B)/1321/2019-20, Dated:07-06-2019**

Note:

a. NCC, NSS, Sports, CDP (Children/Dependents of Defence Personnel), PwD (Person with Disability), KM (Kannada Medium from Standard I to X) and GdM (Gender Minorities): The seats under special categories are non-transferable, and they are filled only with available eligible applicants. However, if there are no eligible applicants for CDP, the seats shall be transferred to merit- cum-payment seat (Kuvempu University students). In respect of applications received under CFF (Children of Freedom Fighters) quota, the applications shall be referred to the Registrar for necessary orders.

b. If there are no eligible applicants for seats under Other University (OU, merit seats) and/or Hyderabad- Karnataka (HyK) quota, the unfilled seats shall be transferred to GM seats (Merit). [Note: The seats under OU Quota are at 15% of total merit seats (excluding special categories). Therefore, total number of merit seats in Column–3 do not include these OU seats].

c. In the case of MSW, 20 seats are reserved for BSW candidates and 20 seats for multidisciplinary graduates.

d. Admissions for MCA and MBA courses are made through PG CET conducted by KEA, Bengaluru. However, a separate Entrance Test will be conducted by Kuvempu University to fill up unfilled seats.

e. Under merit-cum-payment category,

(i) 3 seats (1:1:1) are reserved for SC and ST students of Kuvempu University, and children of Kuvempu University employees.

(ii) Of the remaining, specified number of seats are reserved for applicants from other universities (for OU and HyK candidates).

(iii) The remaining seats are for KU candidates.

For example, in the case of M.A (Kannada), there are 10 seats under Merit-cum-Payment quota (3 +3 + 4) and these 10 seats are shown in the last but one column (in the above table) as '3+3+4'. This means,

(i) The first three seats are for SC, ST and children of Kuvempu University employees (one each),

(ii) Next three seats are for OU applicants, and

(iii) The last four seats are for Kuvempu University graduates.

However,

- If any of these seats fall vacant, the seats shall be transferred to merit-cum-payment seats(Kuvempu University candidates).
- But in the case of SC/ST, the seats are inter-changeable. However, if there are no eligible and willing applicants from both SC/ST categories, the unfilled seats shall be shifted to merit- cum-payment seats (Kuvempu University candidates).
- If there are no eligible and willing applicants from Kuvempu University graduates, the unfilled seats shall be shifted to merit-cum-payment seats (OU students).
- All candidates admitted under merit-cum-payment category are required to pay the actual fee for merit- cum-payment category prescribed by the University, irrespective of their category/income, etc. 10% of the General Merit (GM) seats are reserved for Economically Weaker Sections (EWS) on production of the certificate in the prescribed format.

V. Mode of Admission:

Admission of candidates depends upon the availability of seats in the order of merit in the respective reservation category. The information given in this Prospectus is for general information of the students. The relevant rules relating to admission, fees and other details will be effective as prevailing at the time of admission.

(a) There is a centralized system of admission for Post-Graduate Courses of Kuvempu University. Each Department will have an Admission Committee comprising the Chairperson and members of the faculty of the Department as constituted by the university for this purpose.

(b) In all stages of admission, the admission committee shall obtain the approval from the Dean of the Faculty concerned.

(c) The Admission Committee verifies the applications and documents/certificates and prepares a consolidated merit list, in descending order of merit on the basis of the percentage of marks secured by the candidates in the qualifying examination (or entrance test or both).

(d) The above list/s will be announced on the University website. The lists will also be uploaded to the university website. No intimation will be sent to the candidates separately for their admission. Hence, the applicants are advised to see the University web site **www.kuvempu.ac.in** The admission committee makes the admission on the scheduled date and time (as specified in **Dates of Events**).

(f) Candidates shall personally appear for the admission with all originals documents and certificates, prescribed fees and photographs. Applicants are required to report at the **counselling centre of the Department concerned before 10.30 am** on the date/s of admission (see, **Dates of Events**) and remain throughout admission. The applicants should occupy the chairs in the room specified by the Department concerned in time on the date/s of admission, and not leave the room till the completion of admission. Further, the candidates are required to note that **the delay in the arrival of candidates at the admission venue even by a minute may deprive them the seats.**

Admission Rules

For the Post-Graduate courses of Kuvempu University and affiliated colleges, there is a centralized system of admission through counseling. The following are some of the relevant rules and regulations. However, the rules existing at the time of admission shall be operative and final.

Eligibility for Post-Graduate Courses/Programme

(1) Candidates who have passed the three/four-year Degree examinations of this university or of any other university considered as equivalent there to, with the required major/optional subjects at the Degree level are eligible to apply for admission, provided they satisfy other requirements as per Regulations.

(2) The minimum percentage of marks in the relevant subjects (all the 3 years/4 years put together) shall be as follows (for specific eligibility criteria, please refer to the **Profile of the Department** concerned).

(a)	For candidates under General Merit, Children of Freedom Fighters, Children/Dependents of Defence Personnel, Categories - IIA, IIB, IIIA, IIIB, NCC and NSS However, the minimum percentage of marks required for admission to M.A in Hindi, Sanskrit and Urdu is 40% in the subjects.	45%

(i) Applicants claiming seats under 'Employees' Children' quota have to produce an eligibility certificate signed by the university Registrar.

(ii) Of the remaining, a specified number of seats are reserved for OU candidates where the quota (15%) is adjusted with HyK and OU under merit seats.

(iii) Remaining seats are for KU candidates. However,

(iv) If any of these seats fall vacant, such seats will be filled with Kuvempu University applicants on merit-cum-payment basis.

(v) But in the case of SC and ST, the seats are inter-changeable. If no eligible applicant is available from both the categories, the vacant seat shall be shifted to Kuvempu University students on merit-cum- payment basis.

(vi) If there are no eligible applicants from Kuvempu University graduates, the vacant seats may be filled with OU applicants under merit-cum-payment basis.

(vii) All candidates admitted under merit-cum-payment quota are required to pay the actual fee for merit- cum-payment category prescribed by university (at the time of admission) irrespective of their caste and annual income.

NSS/NCC Quota: Criteria for ranking and selection of students under NSS/NCC Quota are given below.

(1) The admission is limited to students of Kuvempu University only.

(2) Claim under the quota is considered only when photocopies of specific certificates are attached.

(3) The camps/programmes attended during PUC level and prior to that are not considered.

(4) Ranking of NSS/NCC Quota applicants and preparing the merit list is based on two important criteria viz., marks secured in the qualifying examination and performance in NSS/NCC activities.

(5) Weights for the marks secured in the qualifying examination shall be awarded in accordance with Schedule – A presented below.

(6) The Admission Committee of the Department may evaluate the NSS (Schedule – B: 50%)/NCC (Schedule - C: 50%) related documents of the applicants, or forward them to the NSS /NCC programme co-ordinator of the university for evaluation. However, in the case of any ambiguity, the weights awarded by the NSS/ NCC Co-ordinator (based on the documents submitted by the applicants) is final.

(7) The admission committee shall combine marks secured as per schedules A and B (for NSS quota) or Schedules A and C (for NCC quota), and prepare the rank list and admit students accordingly.

Choice Based Credit System (CBCS) – Excerpts from Regulations

The Post Graduate Courses of Kuvempu University are governed by the Choice Based Credit System (CBCS) – **Choice** referring to the flexibility offered to the students for selecting a suitable combination of courses or papers and the **Credit** referring to the unit by which the teaching/course work is measured. CBCS is learner centred by eliciting active participation of teachers establishing close interaction between the teachers and the students that contributes towards quality of education.

(1) Structure of P. G. Programmes: There are four categories of courses viz., Hard Core Courses, Soft Core Courses, Elective Courses and Soft Skill Courses for every P. G Programme.

(a) Hard and Soft Core Courses are the courses offered by the Department concerned. Each student shall compulsorily undertake project work leading to Project Report. The credits for each Hard Core Course ranges from 3 to 6 and that of Soft Core Course from 2 to 4.

(b) Elective Courses are the courses offered by other Departments. Each elective course carries 2 wrights. Students of all P. G Programmes shall select, study and successfully complete at least one Elective Course (out of a number of Elective Courses offered by other Departments, List of Elective Courses is given later) each in II and III Semesters earning at least four credits.

(c) Besides, there are three Soft Skill Courses viz., Communication Skills, Computer Skills and Life Skills. These Courses are offered by the Departments of Studies in English, Computer Science and Commerce respectively for the students of all Departments of P. G Studies. Each of these three courses carries one credit and there shall be no semester-end examination for these courses. However, to successfully complete the Master's Degree, every student must complete these courses earning three credits within the first two semesters.

(2) Continuous Assessment Programmes and Evaluation

Out of the total marks for each course, 25 marks are earmarked for Continuous Assessment (Internal Assessment) and the remaining 75 marks for the semester-end examination. Internal assessment marks are awarded on the basis of the following components.\

Sl. No.	Continuous Assessment Programme	Maximum Marks
01	Two Session Tests (5 marks per test)	10
02	Seminar/Group Discussion (assessed on the basis of writing, comprehension, communication, articulation, and presentation skills)	5
03		5
04	Field Work and/or Assignments Regularity and Attendance	5

In the case of elective courses, each elective course carries a maximum of 50 marks comprising 40 marks for semester-end examination and 10 marks for internal assessment. In this case, internal assessment marks are awarded to the students based on a test (5 marks), assignment-cum-group discussion (2.5 marks), and regularity of the students in attending the classes (2.5 marks).

(3) Semester-end Examination and Evaluation: Semester-end examination of three-hour duration for 75 marks is conducted for each of Hard and Soft Core Courses. However, in the case of Elective Courses, the semester-end examination is for 40 marks for 1½ hours for each course. Project Reports and answer scripts of the semester-end examination are evaluated by two examiners (one internal and another external; however, under no circumstances a script/project report is valued only by two internal examiners). The marks awarded to that answer script/project report is the average of these two evaluations. If the difference in the marks between two evaluations exceeds 20% of the maximum marks, such a script/project report is valued by a third external examiner. The marks awarded to that answer script or project report shall be the average of two nearer marks out of the three evaluations. In the fourth semester, the project report shall be evaluated for 75 marks by both internal and external examiners. And for the remaining 25 marks, project viva-voce examination shall be conducted by the Board of Examiners. For the purpose of evaluation, answer scripts are coded. There is also a provision for challenge valuation.

(4) **Grading and Declaration of Result**

(**a) Grade** means an index of conversion of marks secured by a candidate after completing the precribed credits and relevant examination in each course

(b) Grade and Credit Points are computed for each course considering the marks se- cured and the credits earned in each course. **Grade Points** are computed by dividing the marks secured by the candidate in each course by 10% of the maximum marks for that course. And **Credit Points** are determined by multiplying the Grade Points in each course by the credits of that course. Both the Grade Points and Credit Points shall be computed for each course in each semester

(c) Grade Point Average (GPA) is computed and given to each candidate based on his/her semester performance. This is determined by dividing the sum of credit points earned by the student in all the courses of a semester by the total number of credits for which the candidate has taken examination in that semester

(d) Cumulative Grade Point Average (CGPA) is computed for the whole academic programme considering the aggregate of Credit Points of all the semesters earned by the student and dividing this sum by the total credits of all the semesters

(e) The CGPA obtained as above is the base for the determination of Grade and for the declaration of the result as follows.

CGPA	Result grade	Description of Result Grade
< 4.50	D	Fail
≥ 4.50 < 5.00	C	Pass
≥ 5.00 < 5.50	B	Second Class
≥ 5.50 < 6.00	B^+	High Second Class
≥ 6.00 < 6.50	A	First Class
≥ 6.50 < 7.50	A^+	High First Class
≥ 7.50	A^{++}	First Class with Distinction

Post-Graduate Centre, Kadur

To provide higher education to rural youth, Kuvempu University established a Post-Graduate Centre at Kadur. It is located in an area of about 65 acres of land on Shivamogga-Bengaluru highway and 7 kms away from Kadur town. Kadur is well connected by road and train.

The campus has newly constructed academic building with adequate lecture halls, hostels (for both boys and girls), library and laboratory facilities. The courses offered here are in great demand as they open new job opportunities. The emphasis here has always been for teaching, research and extension activities. Few details about the courses offered and others are provided below.

DEPARTMENT OF PG STUDIES AND RESEARCH IN SOCIOLOGY

The Post Graduate Department of Sociology, Kuvempu University, has completed 34 years since its inception in 1988. To refiect on our march towards research and teaching in sociology for a better understanding of social processes in our small way, we are not unhappy. Within the boundaries of limited infrastuctural facilities and a relatively small faculty, the Department can engage in introspection with confidence. There have been periodic evaluation and changes in the syllabus in response to developments in the discipline. The Department has introduced the Choice Based Credit System (CBCS).

The attempts of the Department, have mainly concentrated on the application of sociological principles to our immediate surroundings through conceptual and theoretical debates- both within the classrooms and outside. With M.A., and Ph.D programms, teaching has been the first proiority although research has received due attention. The faculty has entered into dialogue, regularly and continuously, with the outsied academic world in seminars, workshops, conferences and Publications. Research, backed by valid and reliable information base, has centered on local and regional issues. Attempt was to combine the macro and the molecular. Inter-Departmental and multidisciplinary work was valued.

Course-I : M.P.Ed – Master of Physical Education

Eligibility:

a) Bachelor of Physical Education (BPEd) or equivalent with at least 50% of marks. (45% for SC/ST and Category- I candidates)

b) The reservation in the seats and relaxation in the qualifying marks for SC/ST/OBC/PWD and other
categories shall be as per the regulations of the
State Government

c) Admission is based on the marks secured at the B.P.Ed degree examination (40% of the percentage of marks = 40 marks, Physical fitness test - 20 marks maximum and Knowledge Test (max. 40 marks).

Knowledge Test (max. 40 marks) - Marks obtained.
Knowledge Test- Applicants have to answer the objective type questions that are based on B.P.Ed common syllabus and general knowledge related to sports for 40 marks, for the knowledge test.

Physical Fitness Test: Physical fitness (20 marks) is determined on the basis of performance in the four field events (5 marks each) - (a) 100 mt. run, (b) Pull ups for men/Flexed arm hang for women, (c) 800 Mt. run for and women, and (d) Long jump.

DEPARTMENT OF PG STUDIES AND RESEARCH IN APPLIED ZOOLOGY

The Post Graduate Department of Applied Zoology was started in 1993. The Department offers P.G., Programme M.Sc., in Zoology and Ph.D., in Applied Zoology. Major thrust areas of the Department include Genetics, Biodiversity, Toxicology. M.Sc students are trained in various aspects of Zoology including Genetics, Molecular Biology, Toxicology, Biotechnology, Computational Biology, Biodiversity etc. Department has got a very good placement record of students. The faculty have completed many research projects funded by the Department of Science and Technology (DST), Department of Biotechnology (DBT), University Grants Commission (UGC), New Delhi, Vision Group on Science and Technology, ICFRE, Government of Karnataka. In addition, Department has been part of the inter-disciplinary BUILDER Project (4.5 Crores) associated with Departments of Biotechnology, Botany and Environmental Science. Department has conducted many national conferences, symposia, seminars, workshops and refresher courses.

Programmes Offered: M.Sc., and Ph.D.

DEPARTMENT OF STUDIES IN BIOTECHNOLOGY

The department was established in1999.This is a DST-FIST sponsored department. The Department has well established laboratory facilities for both academics and research in biotechnology and has a well equipped computer lab with networking and LAN facility. It has received financial support from central funding agencies viz., DBT, DST & UGC. Presently, there are 7 major projects funded by UGC, DBT, and VGST(Govt. of Karnataka).Department has very good placement record in both private as well as public sectors. The department is leading a major infra-structure inter-disciplinary BUILDER- Project worth Rs.4.5crores sanctioned by DBT-New Delhi. BUILDER-Project is in collaboration with sister department ssuc has department of Applied Botany, Applied Zoology and Environmental Science.

DEPARTMENT OF P.G STUDIES AND RESEARCH IN FOOD TECHNOLOGY

The Department of Food Technology was established in the year 2022. The department aims of promoting innovation in food sectors. M.Sc in Food Technology course content is provide to explore all aspects of Food Technology. Experimental training and theoretical knowledge will help to shape the candidate to opt for jobs in various domains such as food processing companies' soft drink manufacturing firms, restaurants, cereal and spice industries, catering establishments, Quality control organizations, Packaging Industries and other food sectors like Dairy Industries and Food Research Laboratories. Moreover, there are specialized career prospects in food manufacturing and processing companies like Amul, Coca Cola, Preftti, Nestle, Cadbury India, Dabur India, Agro Tech Foods, Britannia, ITC Limited, Hindustan unilever Limited as well as National and International research institutes.

DEPARTMENT OF STUDIES IN WILDLIFE AND MANAGEMENT

The Department of Studies in Wildlife and Management was started during the year 2002. The Department offers M.Sc., and Ph.D courses in Wildlife and Management. The course content is designed to cover all aspects of wildlife and management and practical orientation for wildlife conservation methods. The M.Sc., and Ph.D programme in Wildlife and Management aims to produce well- trained biologists and conservation practitioners who will retain their passion for wild places and a sense of purpose to conserve them. We provide our students a strong foundation of science that will help them design, implement and monitor a range of ecological studies and conservation projects. To develop these capabilities, our students learn about wildlife science and conservation through a multidisciplinary process. They are trained in fundamental ecology, project design skills and technical tools required to carry out scientific studies. As future conservationists they need to expose to the historical, social, economic, legal and political contexts that underlie the conservation process. In addition, we also teach effective communication using a variety of media, conflict resolution, and problem-solving skills, to deal with real life conservation issues. The department also inviting accomplished scientists regularly from various prestigious government and private institutions to deliver special lectures in order to encourage and motivate the students to take up research programmes. The students who have successfully completed the course have been working in various capacities in Karnataka State Forest Department, Research institutions, NGO's and Universities. During the past 20 years of existence. the Department has sucessfully completed Two major and one minor research projects funded by UGC, New Delhi. Department produced 17 Ph.Ds, 01 M.Phil and published more than 95 research papers in various refereed / peer reviewed journals. Presently 08 students are pursuing Ph.D.

DEPARTMENT OF STUDIES AND RESEARCH IN PSYCHOLOGY

Kuvempu University runs a two year M.Sc. Psychology programme at Kateel Ashok Pai Memorial College (KAPMC), Shivamogga, a College affiliated to the university. The course has been offered at KAPMC since 2020. To meet the challenges of Mental Health in contemporary society there is a dire necessity of providing higher education in Psychology. It is also a subject which is an essential component of interdisciplinary research in social and medical sciences. Employment and research opportunities have opened up at clinics, industries, corporate sectors, counseling centers, research and educational institutions which are likely to increase manifold in the post–COVID context. The M.Sc. Psychology programme has been designed by the university to blend theoretical knowledge and practical experience. KAPMC is a unit of Manasa Trust which also provides mental health facilities to about 250 distressed individuals every day. As such students will be given firsthand experience of the application of psychology. KAPMC has experienced faculty and all required facilities to enrich learning

DEPARTMENT OF STUDIES IN BIOCHEMISTRY

The Department of Biochemistry was established in the year 2005. The M.Sc. course content is designed to cover all aspects of biochemistry and practical orientation for biochemical methods. The exhaustive practical training and sound theoretical knowledge being provided here is intended to make the student an appropriate candidate for not only to take up teaching or pursuing doctoral research but also competent enough to work in pharmaceutical R&D, diagnostic labs, medical, agricultural research institutions and various allied industries. The department also invites accomplished national and international scientists form various prestigious institutions to deliver special lectures in order to encourage and motivate the students to take up research.

Programmes Offered : M.Sc., Ph.D and PG Diploma in Industrial Bioanalytical Techniques.

Faculty

1. Dr. P. Niranjana

Associate Professor and Chairman

Office : 08182 256301, Ext :481

Mobile : 8970207083

Email : bpniru@gmail.com

2. Dr. A.N. Rajeshwara Professor

3. Dr. G.J. Sathisha Professor

4. Dr. S.E. Neelagund Professor

Course : M.Sc- Biochemistry

Eligibility : B.Sc degree with biochemistry or chemistry with any biological sciences subject. PCM candidates are also eligible to apply. An additional 2% weightage (of the total biochemistry marks secured from all three years) will be awarded to candidates who have studied biochemistry at the undergraduate level.

Course structure

FIRST SEMESTER

BC 1.1: **PAPER I** - Analytical Biochemistry (HARD CORE)
BC 1.2: **PAPER II** - Biomolecules (HARD CORE)
BC 1.3: **PAPER III** - Cell Biology and General Microbiology (SOFT CORE)
BC 1.4: **PAPER IV** - Fundamentals of Biochemistry (SOFT CORE)
BC 1.5: **PRACTICAL I** - Analytical Biochemistry
BC 1.6: **PRACTICAL II** - Biomolecules
BC 1.7: **PRACTICAL III** - Cell Biology and General Microbiology

SECOND SEMESTER

BC 2.1: **PAPER V** - Enzymology **(HARD CORE)**
BC 2.2: **PAPER VI** - Metabolism of Fuel Molecules and Bioenergitics **(HARDCORE)**
BC 2.3: **PAPER VII** - Human Physiology and Nutritional Biochemistry **(SOFT CORE)**
BC 2.4: **PAPER VIII** - Enzyme Purification Techniques **(ELECTIVE)**
BC 2.5: **PRACTICAL IV** - Enzymology
BC 2.6: **PRACTICAL V** - Metabolism of Fuel Molecules and Bioenergitics
BC 2.7: **PRACTICAL VI** - Human Physiology and Nutritional Biochemistry

THIRD SEMESTER

BC 3.1: **PAPER IX** - Molecular Immunology and Clinical Biochemistry (HARD CORE)
BC 3.2: **PAPER X** - Biochemical Genetics and Molecular Biology (HARD CORE)
BC 3.3: **PAPER XI** - Metabolism of Nitrogenous Compounds With Clinical Correlations (SOFT CORE)
BC 3.4: **PAPER XII** - Clinical Biochemistry **(ELECTIVE)**
BC 3.5: **PRACTICAL VII** - Molecular Immunology and Clinical Biochemistry
BC 3.6: **PRACTICAL VIII** -- Biochemical Genetics and Molecular Biology
BC 3.7: **PRACTICAL IX** - Metabolism of Nitrogenous Compounds With Clinical Correlations

FOURTH SEMESTER

BC 4.1: **PAPER XIII** - Cell Signalling **(HARD CORE)**
BC 4.2: **PAPER XIV** - Genetic Engineering and Industrial Biotechnology **(HARD CORE)**
BC 4.3: **PAPER XV** - Biostatistics, Bioinformatics & Nano Biotechnology **(SOFT CORE)**
BC 4.4: **PAPER XVI**- Project Work / Dissertation **(HARD CORE)**
BC 4.5: **PRACTICAL X** - Cell Signalling
BC 4.6: **PRACTICAL XI** - Genetic Engineering and Industrial Biotechnology

Course : P.G. Diploma in Industrial Bio-analytical Techniques (one year add on programme)
Eligibility: Any post-Graduate in Life sciences/ Chemical Sciences and Bachelor's or Master degree in pharmacy/Dental/Medical/Agricultural/Veterinary with at least 55% marks.

Course Structure

1. Fundamentals of Chemistry and polymers
2. Biomolecules and Bioanalytical Techniques
3. Spectroscopic Thechniques
4. Bioinformatics, Bioethics and Genetic Engineering Practicals

DEPARTMENT OF STUDIES IN CHEMISTRY

The department was established in the year 1992. The department is actively involved in teaching, research and extension progammes. Thrust areas of research includes bio-organic chemistry, synthetic organic chemistry, natural products chemistry, electrochemistry, metal finishing, nanomaterials, and dyes and pigments. All the faculty members have been awarded with major research projects from various funding agencies. The department is active in various academic activities like conducting seminars, symposium and conferences. The department also conducts placements programmes for the students. Department is funded by DST-FIST and UGC-SAP program for the infrastructure development.

DEPARTMENT OF STUDIES IN INDUSTRIAL CHEMISTRY

The Department of Post Graduate Studies and Research in Industrial chemistry was established by the University Mysore in 1973. The Department has been harnessing precious human resources for the overall development of society through the pursuit for excellence in the area of chemical sciences. Besides its primary activities of academics, teaching and research, the Department has been interacting with industrialist and established a mutually beneficial relationship with the nearby industries. In this direction, the department has initiated several programmes such has the taking Industries sponsored projects involving testing and analysis of raw materials and products, encouraging students to take up project related to their studies to acquire work experience, inviting executives and technical staff of the Industries as guest faculty.

As a part of University Institution interaction the Student are acquiring higher level of training at BARC, IISc, NAL, IIT,etc . The Staff members are actively involved in cutting-edge research activities in collaboration with Institutes and some Foreign universities in the field of Chemicals Scineces and have received fund worth of 7.2 crore from various funding agencies like DST, Nano Mission, UGC and NRB, New Delhi and BRNS Mumbai, The Department has produced 121 Ph.Ds and 10 M.Phil degrees, and Published 648 Research Papers Peer reviewed National and International Journals. The Department has links with many Industrial Organization as a result of which, every year , many students pursuing the training at advanced Laboratories of ISO Certified Industries. In the Campus Selection Programme, more than 65% students are obtained placements in reputed organizations. The staff members are involved in consultancy services with Mysore Paper Mills Ltd., Bhadravathi, Few M.Sc. and P.G.Doploma Students of the Deparment work in MPM. on hourly basis while they are studying under "earn while learn" Scheme of the Department.

Programmes Offered: M.Sc., Ph.D, and P.G.D.in Industrial Chemical Quality Control.

Course: P.G. DIPLOMA IN INDUSTRIAL CHEMICAL QUALITY CONTROL
(One year add-on programme)

Eligibility: B.Sc. with Chemistry as subject at least PUC level

Course Structure:

PGD 1.1. Statistical Quality Control
PGD 1.2. Analitical Techniques in Quality Control
PGD 1.3. Chemistry of Qualitative and Quantitative Analysis
PGD 1.4. Industrial Applications of organic reactions in Quality Control
PGD 1.5. Technical Analysis I Practicals
PGD 1.6. Technical Analysis II Practicals

DEPARTMENT OF STUDIES IN PHARMACEUTICAL CHEMISTRY (P.G. CENTRE, KADUR)

The Department of Pharmaceutical Chemistry was established in2007. The course is designed to provide trained and skilled man power for ever growing Pharmaceutical Chemistry in India. The department has experienced and reputed faculty member with international recognition. So far, the members of the faculty have produced Ph.Ds and published research papers in national and international journals of repute and have two patents to their credit. The faculty members have two visited England and Italy for their post-doctoral research and for presentation of their research papers. The department strongly encourages M.Sc., students to get actively involved in research activities and helps to get high lucrative scientific job opportunities.

Programmes Offered: M.Sc., Ph.D.

Ph.D., M.Sc., from recognised university, with Pharmaceutical Chemistry/Industrial Chemistry/Chemistry as subjects or M. Pharm. from recognised University.

DEPARTMENT OF STUDIES IN APPLIED GEOLOGY

The Department of PG Studies and Research in Applied Geology offering to Separate innovative and Multidisciplinary M.Sc. and Ph.D courses in Earth Science and Resources Management (UGC- Innovative Programme) and M.Sc. in Geoinformatics. The Department is recognised by UGC as a nodal centre for Earth Science and Resource Management Studies. The department is highly equipped, sophisticated laboratories established from the funds received from UGC under innovative and SAP – DRS-I, II and III and also by department of Science and Technology (DST) under FIST program.

Programmed Offered:M.Sc ESRM, M.Sc. Geoinformatics and Ph.D.

Faculty: Dr. Govindaraju, Professor and Chairman,
Office:08282-27598
Mob: 9880123156

Dr. Syed Ashfaq Ahmed, Professor,
Mob:9845142267

Course: M.Sc. – Earth Science and Resource Management (ESRM)

The Program is unique in it's approach designed and developed with innovative concept by integrating Geology and Information science for assessment, evaluation and management of Earth Resources or sustainable development. The course content is developed to train Geoscientists in obtaining comprehensive knowledge of geology / Earth Science its tools and techniques along with spatial information and science technology skills. First Students who have successfully completed the degree in ESRM so for have got excellent placement in central / state government departments, Publics and Private sector organisations including multinational companies.

Eligibility: A bachelors Degree in Science, Bachelors Degree with Geography at UG level, Engineering (Civil, Environmental, Mining, Geotechnical, Geoinformatics), B.Sc.(Agricultural, Forestry, Horticulture, Soil Science) from any Indian University or Equal and Qualification recognised by Kuvempu University. Eligibility for Foreign students will be in accordance with the university regulations. The General admission criteria are based on Kuvempu University Guidelines.

Course Structure:

First Semester:

Hard Core Papers Theory:

H.C 1.1 : Crystallography, Mineralogy and Thermodynamics
H.C.1.2 : Physical Geology and Oceanography
H.C.1.3 : Geoinformatics

Hard Core Papers Practical:

HCP1.1: Crystallography, Mineralogy and Thermodynamics
HCP1.2: Physical Geology and Oceanography
HCP1.3: Geoinformatics

Soft Core Paper Theory:

SC1.1: Earth and Atmospheric science.

Soft Core Paper Practical:

SCP 1.1: Earth and Atmospheric science.

Second Semester:

Hard Core Papers Theory:

H.C 2.1 : Petrology and Geochemistry
H.C.2.2 : Hydrogeology and Structural Geology
H.C.2.3 : Palaeontology, Indian Stratigraphy, Geology of Karnataka

Hard Core Papers Practical:

H.C.P 2.1 : Petrology and Geochemistry
H.C.P 2.2 : Hydrogeology and Structural Geology
H.C.P 2.3 : Palaeontology, Indian Stratigraphy, Geology of Karnataka

Soft Core Paper Theory:

S.C 2.1: Digital image processing and GIS Data Analysis

Soft Core Paper Practical:

S.C.P 2.1: Digital image processing and GIS Data Analysis.
Inter Departmental Elective Paper.
Internship (Student's Undergone Internship Training at Industries/ Institutions Laboratories
of Geological Importance)

Third Semester:
Hard Core Papers Theory:

H.C 3.1 : Economic and Engineering Geology
H.C.3.2 : Exploration Geology - Geological, Geochemical and Geophysical
H.C 3.3 : Fuel Geology and Disaster Management

Hard Core Papers Practical:

H.C.P 3.1 : Ore reserve estimation and Engineering Geology
H.C.P 3.2 : Exploration Geology - Geological, Geochemical and Geophysical
H.C.P 3.3 : Disaster Management

Soft Core Paper Theory:

SC3.1: Mineral and Water Resources Management

Soft Core Paper Practical:

S.C.P 3.1: Hydro Geochemistry and Geochemical Data Interpretation.
S.C.F.W: Field Camp.
Inter Departmental Elective Paper.

Fourth Semester:

PW4.1**: Project Work**
PV 4.2**: Project Viva**

Elective Papers

Even Semester:

AGE 201 : Water Resources
AGE 202 : Geoinformatics

Odd Semester:

AGE 301 : Natural Disaster Management
AGE 302 : The World of Rocks and Minerals

Course: M.Sc. in Remote Sensing Applications

Remote Sensing Applications programme is specially developed and conceptualized to provide training in the field of spatial information science and technology one of the upcoming field of IT. The graduates and professionals who get training in this application oriented programme can effectively utilize the technology in various fields such as Agriculture, Forestry, Wildlife, Infrastructure planning, Disaster Management and Natural Resource Management.

Eligibility: A Bachelors Degree in Science, Bachelors Degree with Geography at UG level, Engineering (Civil, Environmental, Mining, Geotechnical, Geoinformatics), B.Sc. (Agriculture, Forestry, Horticulture, Soil Science) from any Indian University or Equal and qualification recognised by Kuvempu University. Eligibility for Foreign Students will be in accordance with the University regulations. The General admission criteria are based on Kuvempu University Guidelines.

Course Structure:
First Semester:
Hard Core Papers Theory:
H.C 1.1 : Earth Science-I
H.C.1.2 : Principles of Geoinformatics
H.C.1.3: Hydrogeology and Structural Geology

Hard Core Papers Practical:
HCP1.1: Mineralogy and Geochemistry
HCP1.2: Geoinformatics
HCP1.3: Hydrogeology and Structural Geology

Soft Core Paper Theory:
SC1.1: Web Programming, Java, C, Python

Soft Core Paper Practical:
SCP 1.1: Web Programming, Java, C, Python

Second Semester:

Hard Core Papers Theory:

H.C 2.1 : Earth Science-II
H.C.2.2 : Geomorphology, Palaeontology, Indian Stratigraphy, Geology of Karnataka
H.C.2.3 : Digital Image Processing

DEPARTMENT OF STUDIES AND RESEARCH IN ENVIRONMENTAL SCIENCE

The Department was established during the year 1991-92 for promoting research and studies in Environmental science. There is a huge responsibility on the environmental scientists to propose several environment friendly processes of development. Environmental Science programmes are multi-disciplinary and holistic in nature and they need an in-depth knowledge on the subject. There is a wide scope at national and international levels to make a career in Environmental Science. At present, the post-graduates of this Department are placed in Karnataka State and Central Pollution Control Boards, Universities, Colleges, research institutions, Industries and Environmental consultant groups.

Programmes Offered : M.Sc. and Ph.D.

DEPARTMENT OF P.G. STUDIES AND RESEARCH IN COMPUTER SCIENCE AND M.C.A

The Department offers two Post-Graduate Courses Viz Master of Computer Applications (M.C.A) and M.Sc.(Computer Science). MCA programme was started in the year 2000 and M.Sc. Computer Science. programme was started in the year 2023. the Department has well equipped laboratories with 60 Desktop Computers with higher end configuration. The Department invite resource persons from reputed multinational companies (MNC's),universities and R&D institutions, The Department organizes seminars, conferences, and workshops, which for mutual benefits. The Department has provided opportunities for the fullest possible development of potential for all students who are from diverse backgrounds.

Alumni of the Department are well placed in Software Industries, Academic and research institutions and few as entrepreneurs. Alumni's regularly visit the Department and platform is being provided to the students to interact with them. The Department is actively engaged in Research in the areas of Image Processing, Pattern Recognition, Artificial Intelligence, Machine Leaning, Deep Learning and Data Mining. The Faculty members has Completed many research projects sponsored by AICTE and UGC.

Programmes Offered: MCA, M.Sc and Ph.D

Faculty

1. Dr. Yogish Naik G.R.
   Associate Professor And Chairman

   Email: kuvempumcacs@gmail.com
2. Dr. Prabhakar C. J. Professor
3. Dr. Ravi Kumar M. Professor
4. Dr. Suresha M. Associate Professor

Course: MCA (Master of Computer Applications)

(2-year, 4-semester)

Eligibility: Any bachelor degree (BCA/B.Sc/ B.Com/ BA) of this university or any other recognized university with Computer Science / Mathematics as one of the subjects at 10+2 level subject to the minimum prescribed in the admission regulations of the University. The admission to MCA programme is done through PGCET conducted by Karnataka Examination Authority (KEA), Bangalore.

Course Structure

First Semester

HC1.1. Computer Organization and Architecture
HC1.2. Operating System
HC1.3. Applied Mathematics
SC1.4. C Programming
SC 1.5. Database Management Systems
Lab: 1.6 C Programming Lab
1.7 DBMS Lab

Second Semester

HC2.1. Computer Networks
HC2.2. Theory OF Computation
HC2.3. Data Structures
SC2.4. Java Programming
SC2.5. Software Engineering
Lab: 2.6 Data Structures Lab
2.7 Java Programming
Elective:2.1 Information and Communication Technology (ICT)

Third Semester

HC3.1. Analysis and Design of Algorithms
HC3.2. Computer Graphics
HC3.3. Digital Image Processing
SC3.4. Web Programming
SC3.5. Data Science
Lab: 3.6 Algorithms Lab
3.7 Computer Graphics Lab
Elective: 3.8: Cyber Security

Fourth Semester

SC4.1 Artificial Intelligence
SC4.2.PHP Programming
SC4.3 Dot Net Programming
SC4.4 Python Programming
SC4.5 Project Work

Course: M.Sc. in Computer Science

Eligibility: B.Sc (Computer Science / Information Science/ Information Technology) or BCA degree of this University or any other UGC recognized university subject to the minimum prescribed in the admission regulations of the university.

Course Structure

First Semester

HC 1.1 Computer Architecture
HC 1.2 Data Structures
HC1.3 JAVA Programming
SC 1.4 Data Communications
SC1.5 Applied Mathematics
Lab: 1.6 Data Structures using Lab
1.7 JAVA Programming Lab

Second Semester

HC 2.1 Computer Networks
HC 2.2 Analysis and Design of Algorithms
HC 2.3 Computer Graphics
SC 2.4 Theory of Computation
SC 2.5 Digital Image Processing
Lab : 2.6 Algorithms Lab
2.7 Image Processing Lab

Elective: 2.8: Problem Solving using C

Third Semester

HC3.1. Wireless Communications

HC3.2. Machine Learning

HC3.3. Linux Internals

SC3.4. Software Engineering

SC3.5. Cloud Computing

Lab: 3.6 Linux Internal Lab

3.7 Machine Learning Lab (Python)

Elective: 3.8: Web Programming

Fourth Semester

HC4.1. Artificial Intelligence

HC4.2. Data Science

SC4.3. Internet of Things (IOT)

SC4.4. Project Work

DEPARTMENT OF STUDIES IN ELECTRONICS

The Department was established in the year 2003 with the objective of generating competent professionals to meet the challenges in the field of Electronics. The Department has dedicated staff and well-equipped laboratories viz. Analog Electronics, Digital Electronics, C++, Microcontrollers, Digital Signal/ Image Processing, Advanced Communication, Computer Communication Networks and VHDL. The Department is actively involved in teaching, research & extension programmes. Thrust areas of research include, Digital Signal & Image Processing, Antenna theory & design and Microcontrollers. Department provides placement assistance for students in various leading industries**.**

COURSES: M Sc. Electronics

Eligibility: B.Sc. Degree from Kuvempu University or any other recognized University with Electronics or Physics as an optional subject, i.e. Students withPME(Physics,Maths,Electronics) or PCM (Physics, Chemistry, Maths) or EMCS (Electronics, Maths, Computer Science) Combinations are eligible to apply. 5% weightage is given to Students who have studied Electronics as one optional Subject.

Course Structure:

First Semester

HC1.1 Programming C++
HC1.2 Microwave Devices & Antennas
HC1.3 Pic & Arm Microcontroller
HC1.4 Signals and Systems Practicals
Practical based on above papers

Second Semester

HC2.1 Control systems
HC2.2 Digital design using verilog
HC2.3 Digital Signal Processing
SC2.4.1 Power Electronics
SC2.4.2 Wireless Communication & Satellite Communication
Practical based on above HC papers
Elective: 2.5 Basic Electronics

Third Semester

HC-3.1 Advanced Digital Communication
HC-3.2 Advanced Computer Networks
HC-3.3 Image Processing
SC3.4.1 Information theory & coding
SC3.4.2 Multimedia
Practical based on above HC papers
Elective: 3.5 Fundamental of Digital Electronics
ELP-3.9 Industrial training/visit

Forth Semester
HC4.1 VLSI Design
HC-4.2 Machine Learning
HC4.3 Embedded systems
SC-4.4 Pattern Recognition
Practical based on above HC papers
ELP-4.7 Project Work

Department of Studies and Research in Library and Information Science

The Department of Library and Information Science has been established in December 1993. The course is designed to suit to the changing needs of modern society. Greater emphasis has been laid in the curricula on IT oriented areas and practical aspects. To facilitate this, the department is equipped with necessary classrooms, furniture and equipment. It has an independent computer lab with 20 systems and internet facility. Many students have been placed in central/state government departments, public/ private enterprises, higher education institutions, R&D organizations and corporate sector. The department is active in teaching, training, research and consultancy activities. The department has organized many national level seminars, conferences, workshops and UGC sponsored Refresher Courses in Library and Information Science.

Eligibility: B.A/B.Sc/B.Com/B.S.W/B.C.A/B.B.M/B.B.A. etc., from any recognized university or any other qualification considered equivalent to it, subject to the minimum prescribed in the admission regulations. Total marks obtained by the candidate (aggregate of three years) shall be considered.

Course Structure

First Semester

HC1.1. Foundation of Library and Information Science
HC1.2. Information Sources and Services
HC1.3. Library Classification - (Theory)
HC1.4. Basics of Computer - (Theory)

Practicals

1.5 Information Sources
1.6 Library Classification (Practical - I)
1.7 Basics of Computer (Practical)

Second Semester

HC2.1. Information Society and Literacy
HC2.2. Management of Hybrid and Digital Libraries
HC2.3. Library Cataloguing - (Theory)
SC2.4. Library Automation - (Theory)

Elective

2.5 Information Literacy

Practicals

2.6 Library Cataloguing - (Practical)
2.7 Library Automation - (Practical)

Third Semester
HC3.1. Research Methodology
HC3.2. Information Systems and Services
HC3.3. Indexing System - (Theory)
SC3.4. Information and Communication Technology - (Theory) - I
Elective
3.5 Information Sources on Social Sciences and Science and Technology
Practicals
3.6 Information Processing and Retrieval (Practical) - I
3.7 Information and Communication Technology - (Practical) - I

Fourth Semester
HC4.1. Information and Communication Technology - (Theory - II)
HC4.2. Digital Libraries
HC4.3. Optional (any one of the following)
a. Public Library Systems and Services
b. Academic Library Systems and Services
c. Health Science Library System and Services
4.4 **Project Work**
Practicals
4.5 Library Classification - (Practical) - II
4.6 Information and Communication Technology - (Practical) - II

Internship: Each candidate shall compulsorily under go one-month's Internship in a reputed library attached to the institutions of higher learning or R & D Institution as part of IV Semester. The internship shall be undertaken immediately after the completion of IV Semester Examination (Theory and Practical).

DEPARTMENT OF P.G. STUDIES AND RESEARCH IN MATHEMATICS:

The department of Mathematics started in the year 1975 as a part of University of Mysore. Later in 1987, it became an integral part of Kuvempu University. The department is harnessing precious human resources for the overall development of the society through the pursuit for excellence in the area of Mathematical Sciences. The department is actively involved in teaching and research. The department is recognized as a centre of research in the fields of Differential Geometry and Fluid Mechanics. The department is admired by many Universities for its quality teaching and research. Apart from conventional teaching methods, the department is also teaching students using advanced ICT tools. The department is regularly conducting orientation classes, special lectures, NET-SLET Coaching and remedial classes for the academic benefit of the students. The Department has a financial support from DST under FIST programme from 2019 to 2024

Further the department is regularly conducting International /National conferences, Seminars and workshops for the benefit of students and researchers. The departments has a Mathematical Society, established in the year 2008, which helps students in getting placements, providing facilities for research activities and to generate funds for economically weaker and meritorious students to purchase books. The department also trains each student in Computer skills and Mathematical Software.

As a part of University -industry interaction, research organizations like TIFR, IISC, IIT's selecting/ considering our department as a centre to conduct seminars, conferences, workshops and symposium's. It helps our students to interact with many renowned Mathematicians, Scientists and Industrialists. The department has awarded 98 Ph.D's and 23 M.Phil degrees and published more. than 600 research articles in the reputed National /International journals. Currently 30 students are working in the department for their Ph.D degree.

Programmes Offered : M.Sc., and Ph.D

DEPARTMENT OF P.G. STUDIES AND RESEARCH IN PHYSICS

The Department has been established in the year 1991. The Department offers specialization in Condensed Matter Physics and Nuclear physics. The Department has well equipped laboratories, adequate no. of class rooms, computer lab and departmental library. Several national seminars, symposiums, workshops and special lectures are regularly being organized in the Department for providing proper exposure to students. The course content is designed so as to enable students to get placements in various multidisciplinary sectors. Several students have cleared their KSET/NET examinations and are appointed as teachers in undergraduate colleges/universities. Many have pursued studies towards their doctoral degree in reputed institutions/universities and have got good placements.

POST - GRADUATE CENTRE, KADUR

To provide higher education to rural youth, Kuvempu University established a Post-Graduate Centre at Kadur. It is located in an area of about 65acres of land on Shivamogga-Bengaluru highway and 7 kms away from Kadur town. Kadur is well connected by road and train.

The campus has newly constructed academic building with adequate lecture halls, hostels (for both boys and girls), library and laboratory facilities. The courses offered here are in great demand as they open new job opportunities. The emphasis here has always been for teaching, research and extension activities. Few details about the courses offered and others are provided below.

INTERNATIONAL STUDENTS' CELL

The Students' Supportive Service Centre was established in 2018. The International Students' Cell is a part of this centre. The aim of this centre is to promote global perspective in the teaching, research and outreach programs of the University. The centre works in close collaboration with the Post-Graduate Departments, affiliated Colleges and also other Academic and Research Institutions of Kuvempu University. Kuvempu University has envisioned the International Students' Cell as a **Single Window** that would co-ordinate foreign students.

Prof. Syed Ashfaq Ahmed, Director
e-mail : ashfaqsa@hotmail.com
Office : kusssc@gmail.com
Phone (Office) : 08282 – 256176

The Kuvempu University has emerged as a University acclaimed educational hub and its foreign students' strength has been rising year by year. The University's academic image an ambience that is perfect to the reckoning for the pursuit of knowledge. Students from various Asian and African countries such as Yemen, Sri Lanka, South Korea, Kenya, Nigeria, Somalia and Eretria have been the alumni of this university since more than a decade.

The International Students' Cell assists the foreign students in eligibility assessment, admission, obtaining Study/ Research Visa and residential permit. It establishes linkages with Institutions, help freshers to connect with fellow citizens. The International Students Cell also disseminates information on study abroad opportunities and avenues for academic collaborations to faculty and students of various University Departments and Colleges. The International Students' Cell functions as a liaison between the foreign students, Academic Institutions, Faculty, University Offices, Diplomatic Missions, State/ Central Government Departments, Police/ Intelligence and other legal agencies. The Cell maintains the data base of foreign students studying in the university.

The University provides Hostel, Health and Library facilities to all the students with in the campus.

International Students' Cell organises the following activities for the benefit of foreign students:

- Functional English training course for non-English medium foreign students after admission.
- Awareness programme about law of the land, in association with Police Department.
- Sports and Cultural Programmes.

The admission process starts during June every year. Foreign students seeking admission for Undergraduate / Post-Graduate courses may contact the International Student's Cell during the months of April and May every year. The details of academic courses and other information are provided in the University's website.

Shri Thawar Chand Gehlot

Hon'ble Governor of Karnataka and Chancellor of the University

Sri Basavaraj Bommai
Hon’ble Chief Minister of Karnataka

Dr. Ashwath Narayan C.N.
Hon'ble Minister for Higher Education and Pro-Chancellor of the University

Vice-Chancellor's Message

Dear Students,

Kuvempu University has grow in might and fame over the last few years in the noble task of learning, teaching, creating and extending knowledge. The awards and accolades—like the 'A' grade by NAAC, or the 73rd best University in the country by NIRF for the year 2020—that have been awarded to this University are new feathers to our cap of achievements.

The challenge before us is to help develop the nation by generating well informed and skilled human resources to work in the fields where they will be valued for their knowledge, expertise, specialized skills, leadership, entrepreneurship and innovation. I am proud to say that the University has embarked upon this great task of creating luminaries that shine our lives for a long long time to come.

I am proud to let you know that learning at Kuvempu University is a unique experience. The lush green campus of 230 acres, serene environment, pleasant climate, zero pollution away from the hustle-bustle of city life, thick natural forest make this University one of the most appealing institutions in the country; a favorite academic destination for students, national and international. State of the art facilities, competent and up-to-date syllabi, efficient faculty, industry exposure, practical and skill oriented teaching with a vibrant philosophical base equip our students with the necessary knowledge and skills that make them come out successful with flying colours.

It is said that a nation is built in its class rooms. Students of today are citizens of tomorrow and architects of India's glorious future. Our future depends on the wise choices we make at critical moments in our life. I hope your endeavor to seek higher education in the relevant area of your study at Kuvempu University will bring you a rewarding and memorable experience and make you a multi-skilled individual prepared to take up the challenges of the contemporary society and world.

I welcome you to this garden of knowledge to bloom and shine.

About the University Kuvempu University

Kuvempu University is an affiliating University established by State Government of Karnataka in 1987, and recognized by UGC under 2(f) and 12(b). The jurisdiction of the university spreads over the districts of Shivamogga and Chikkamagaluru.

The University has been named after great Kannada writer **Shri. KUVEMPU** and has achieved a distinctive academic profile and a cultural identity of its own. Kuvempu University is a confluence of the local and the global; of the regional and the pan-Indian; of the sustenance provided by tradition and the dynamism provided by modernity; of a deep sense of commitment to the socially and culturally disadvantaged and an equally deep commitment to excellence.

Kuvempu University has been ranked 81st in the prestigious National Institutional Ranking Framework (NIRF) of Ministry of Human Resource Development, Government of India for the year 2021.Further more, The Knowledge Review a renowned journal has named the University as one of the top ten inspirational educational institutions in the faculties of Arts and Commerce. The University is also placed in the top 200 in the list of BRICS universities.

The emblem of the university has a mythical animal with the trunk of an elephant and the body of a swan. This mythical animal, called **Gajahamsa** is commonly found in the Vijayanagara and the Keladi sculpture and temple art. It symbolizes the integration of knowledge and wealth.

It is a university with a distinctive academic profile, blending in itself commitment to rural ethos in modern spirit. The university offers under-graduate, post-graduate and Ph.D programmes in a wide range of disciplines. It has 35 Post-graduate Departments in the Faculties of Arts, Commerce, Education, and Science and Technology.

Jnana Sahyadri, the main campus sprawls over an area of 230 acres of a lush green, picturesque locale providing the right ambience for higher education. The main buildings of the university are constructed on small hillocks, blending naturally with the landscape. The entire campus area is free from any form of pollution. The undisturbed and pleasant atmosphere on the campus makes it ideally suited for the pursuit of higher education and research.

(1) Post-Graduate Centre, Kadur: With the objective of providing higher education to rural youth, Kuvempu University established a Post-graduate Centre at Basavanagara, Kadur. It is spread over 60 acres near Shivamogga-Bengaluru highway and 7 kms away from Kadur town. Four courses are offered here; M.Com, MA Economics, M.Sc. Chemistry and M.Sc. Pharmaceutical Chemistry. It has separate hostels for boys and girls.

(2) Post-Graduate Centre, Chikkamagaluru: To further promote the motto, '**Quality Education** for all' and to encourage rural students in seeking admission to Post Gaduate programmes, University has started one more centre at Chikkamagaluru. Four courses are offered here: M.Com, M A Kannada, M.A. Political Science and M.Sc. Mathematics.

(3) Affiliated Colleges: The University has 99 affiliated colleges. These include 3 constituent colleges, 30 Government colleges, 65 private colleges, and one college under the direct control of the University, spread over the two districts offering Under-Graduate and Post-Graduate Programmes. Among them, 18 colleges offer B.Ed programme; 38 colleges have been assessed and accredited by NAAC; and 48 colleges are admitted to 2(f) and 12(b).

(4) Constituent Colleges: Sahyadri Arts College, Sahyadri Commerce and Management College, and Sahyadri Science College, the erstwhile government institutions, are now the Constituent colleges of Kuvempu University. These colleges have contributed illustrious

persons to every important field. Among the celebrities who are the alumni of the colleges are Dr. U. R. Ananthamurthy, Jnanapeeta awardee; Prof. C. N. R. Rao, eminent Scientist and Bharatha Ratna awardee; Sri. K. V. Subbanna, Magsaysay awardee; and Sri. D. H. Shankaramurthy, Speaker of Legislative Council and former Minister of Higher Education, Government of Karnataka. Both the colleges have been recognized as Colleges with Potential for Excellence by the University Grants Commission. Sahyadri Colleges are celebrated Platinum Jubilee.

(5) Directorate of Distance Education (DDE): To foster university-society relationship with the motto, **Education for All,** the Directorate of Distance Education of the university is offering under-graduate, post-graduate and P.G Diploma courses. The objective is to take quality education to the doorsteps of the aspirants of higher education.

(6) Prasaranga: Prasaranga, the publication and extension wing of the University, plays a key role in disseminating knowledge and in building a bridge between the academic world and the society at large. The varied activities of the Prasaranga are mainly of three kinds viz.,extension lectures, publication of books and publication of university newsletter.

Student Amenities

The university provides many facilities to the student community and some of these facilities are as follows.

(1). Library: The Library is housed in a modern and well equipped building with excellent infrastructure facilities for reading, borrowing and reference to the students, teachers and research scholars of all Departments. The library has kept pace with modernization by adopting cutting-edge information and communication technology.

The library serves its users with traditional print sources such as books, reference sources, journals, magazines, reports, theses, dissertations, etc. Also the library provides access to online resources such as e-journals, e-database, and e-portals. The library has access to more than 7000 e-resources under the e-Shodhsindhu programme of the UGC- Inflibnet Centre. The library has also been provided with excellent facilities for the self learning of the academic community beyond working hours.

Green Library: The University offers a unique experience of browsing hundreds of books and journals and other resources through Wi-Fi, to students sitting in a lush green natural forest. The green library is established in a cool, calm, serene bamboo forest surrounded by trees and creepers, occasionally filled with music from birds in the campus.

(2). Hostels: There are four hostels for the post-graduate students on the main campus - two men's hostels and two women's hostels. Besides, there is a working women's hostel on the campus providing accommodation to students and research scholars. The hostel for students belonging to backward classes and minorities (established near the main campus by the Government of Karnataka) provides hostel facility exclusively for the post-graduate students of the university.

Students are advised to apply for hostels immediately after admission (on the same day). Even at P. G. Centre, Kadur, there are two hostels for the students.

However, accommodation in the hostels is limited. Some details about Faculty Advisors are given below.

(3). Add-on P. G Diploma Courses: Encouraged by the guidelines of University Grants Commission, the university Departments and the Directorate of Distance Education provide an opportunity for the post- graduate students to study and obtain a Post-Graduate Diploma simultaneously with the Post-Graduate course being pursued by them.

(4). Language Laboratory: To train the students in English for communication, a fully computerized modern language lab has been established in the university.

(5). University Art Gallery and Museum: The University Art Gallery and Museum provides a visual feast with rare collections of sculptures, paintings, idols, tools, musical instruments, relics, artifacts, assorted antiquities like arms and armoury, copper plate grants, metal objects of religious utility and brass plates, collected from various locations of the State, showcasing her rich cultural heritage. Separate sections of the museum exhibits rare stones, minerals and items that have geological importance; instruments used for scientific research; and rare old newspapers.

(6). Keladi Museum: The Keladi museum is a unique museum of manuscripts, sculptures and paintings which also houses a publication wing. The museum houses about 2,500 palm leaf manuscripts, thousands of paper manuscripts written in Kannada, Sanskrit and Telugu scripts, besides four hundred palm leaf manuscripts in Tigalari script. It provides facilities to scholars for research.

(7). Coaching for Civil Service Examinations: In order to motivate students to seek administrative careers and to equip them to face the examinations, the university organizes training for civil services and other competitive examinations. The training includes counseling and essential skill development apart from academic guidance.

(8). Directorate of Student Welfare: Kuvempu University has maintained an excellent student friendly ambience and assigns top priority to student welfare. A Directorate of Student Welfare has been established to plan and monitor student welfare activities.

(9). Co-curricular Activities:

A) University Sports and Cultural Meet : The athletic and artistic potentials of the students, teaching and administration staff take a competitive turn making the entire campus vibrant, vivacious, creative and colorful, where winners emerge from collective effort and ever- pervading joy.

B) Sahyadri Utsava: The University assigns high priority to co-curricular activities on the campus. These activities are organised by the Co- curricular Activities Association which consists of a co-ordinator from the faculty and student representatives from all P. G Departments. A highlight of the activities is the annual youth festival **(Sahyadri Utsava)** of students from affiliated colleges and the Post-Graduate Departments. Selected participants represent the university at inter-university youth festivals. The outstanding performer in co-curricular activities are felicitated by the university with the Gold medal Nirankushamathi.

C) Swachchata Andolana: As a positive response to the life-threatening environmental degradation, the University staff and students clean up the entire campus and the roads in and around the institution. This helps in maintaining the beauty of the campus and assuring clean and healthy surrounding for the people in the campus and wild animals that live in the adjoining forest.

(10). Aasare: It is a unique programme started by the university from 2011-12. The programme aims at carrying out special activities for the students to enhance their physical and mental abilities.

(11). Sports: The University has established a well equipped Indoor Sports Complex which has facilities for all indoor games including volley ball, basket ball, gymnastics and modern multi gymnasium. It has 24 well furnished dwelling rooms. Inter-collegiate competitions in almost all games and sports are organized regularly, in which large number of students from affiliated colleges participate. The outstanding performer in sports activities are felicitated by the university with the Gold medal Vishwamanava.

(12).National Service Scheme (NSS): Kuvempu University NSS wing is recognised as one of the best in Karnataka State and has also received Indira Gandhi NSS National Award for 2014-15. The NSS wing organizes annual camps, national camps and socially relevant programmes. It also coordinates the adult literacy programmes in which the students can participate actively. The outstanding performer in NSS activities are felicitated by the university with the Gold medal Aniketana.

(13). SC/ST and OBC Cells: The Scheduled Castes and Scheduled Tribes, and OBC Cells have been established to provide special assistance to students belonging to Scheduled Castes, Scheduled Tribes and other Backward Communities. The cells monitor fellowships and scholarships to SC, ST, and OBC researchers and P. G students. These Cells also organise remedial classes and coaching classes for the competitive examinations.

(14). Internal Quality Assurance Cell (IQAC): IQAC works towards improving the quality of teaching, research and administration.

(15). International Students Cell: In order to facilitate the students from overseas in pursuing higher education and research in the university, International Students Centre has been established. The centre, after thorough verification of documents, recommends enrolment. International students may contact the Director office(Phone: 9164675345).

(16). Women's Study Centre: A Women's Study Centre undertakes outreach and extension programmes aiming at empowering women students in the campus. The centre is empowered to assist women students in the campus, offer counseling programmes, conduct vocational training programmes for rural women, and ensure harmonious and enriching gender well-being in the campus through bringing in gender sensitivity and equality. The Centre has been given the responsibility to offer academic programmes in gender studies.

(17). Women's Grievances Redressal Cell: In order to redress the grievances of woman-students, a separate permanent Cell has been established to combat sexual harassment against women.

(18). Online Students' Grievances Redressal Cell: The University has established a Students' Grievances Redressal Cell to provide a mechanism for Redressal of students' grievances and ensure transparency in admission, prevention of unfair practices, etc. For this, a nodal officer is appointed. Students from Kuvempu University and its affiliated colleges can lodge complaints through "Online Students Grievances Redressal Portal" of UGC (website: **www.ugc.ac.in**), New Delhi related to admission process, non-transparent or any unfair evaluation practices, inadequacy in the provisioning of student amenities, alleged discrimination of students, etc.

(19). Disability Centre: To assist the special needs of the students who have any kind of physical or psychological disabilities, a separate center is established. Information on financial aids and scholarships will be available here.

(20). Employment Information and Guidance Bureau: The University Employment Information and Guidance Bureau was established in the university premises to cater to the educational and vocational guidance needs of the university students. The Bureau runs directly under the guidance of a senior faculty member assisted by Deputy Chief who is appointed by the Government of Karnataka. This office has separate library with 542 books on competitive examinations. The Bureau organizes free coaching classes, educational and vocational employment counseling services, provides continuous assistance to the candidates in making educational and vocational plans, and creates awareness about employment, and maintains co-ordination with other agencies engaged in similar activities.

(21). Placement Cell: Many Post-Graduate Departments of the university have been organizing campus interviews to help the students to find placement. The university has established a full fledged Placement Cell in order to monitor placement services for the students.

(22). Student Counseling Center: Kuvempu University has introduced student counseling at different levels. Apart from the course counseling, there is also continuous expert counseling for students to help them to overcome their problems.

(23). Earn and Learn Scheme: To supplement the financial needs of the students, a unique and useful Earn and Learn Scheme has been introduced. Selected students are assigned with some basic work and remuneration is paid to them.

(24). Health Centre: The university has a health centre with physicians assisted by necessary staff. Only general consultancy and first aid services are provided. It has the preliminary diagnostic facilities and on- line ECG with medical advice of Narayana Hrudayalaya, Bengaluru. Ambulance facility is also available at the centre.

(25). Wi-fi Enabled Campus: The University provides Wi-Fi internet network facility for all students and employees of the university in the entire campus.

(26). CCTV Monitored Secure Campus: With the objective of providing maximum security to students, entire campus is monitored through CCTV. Further, a dedicated group of security persons are employed to ensure safety and safeguard assets.

(27). Cafeteria and Bank: There is a well furnished canteen in the campus. Snacks and vegetarian food are available to the students, employees and visitors. There is also a branch of State Bank of India in the campus.

(28). City Office: This city office is located near Sahyadri Colleges, Shivamogga on B.H By-pass road. Students' requirements like migration certificates, provisional degree certificates and other academic / examination related documents are issued to the students from this office also.

(29). Guest House: The Guest House is situated in an enchanting location. It is situated on a hillock with a view of backwaters of Bhadra Reservoir. It also provides an elegant view of the project area. It has air- conditioned rooms and excellent catering facilities. There is also an exclusive Lake View guest house.

Note: **10% of the General Merit (GM) seats are reserved for Economically Weaker Sections (EWS) on production of the certificate in the prescribed format. As per the University order No.KU:AC:AC-4:121(B)/1321/2019-20, Dated:07-06-2019**

Note:

a. NCC, NSS, Sports, CDP (Children/Dependents of Defence Personnel), PwD (Person with Disability), KM (Kannada Medium from Standard I to X) and GdM (Gender Minorities): The seats under special categories are non-transferable, and they are filled only with available eligible applicants. However, if there are no eligible applicants for CDP, the seats shall be transferred to merit- cum-payment seat (Kuvempu University students). In respect of applications received under CFF (Children of Freedom Fighters) quota, the applications shall be referred to the Registrar for necessary orders.

b. If there are no eligible applicants for seats under Other University (OU, merit seats) and/or Hyderabad- Karnataka (HyK) quota, the unfilled seats shall be transferred to GM seats (Merit). [Note: The seats under OU Quota are at 15% of total merit seats (excluding special categories). Therefore, total number of merit seats in Column–3 do not include these OU seats].

c. In the case of MSW, 20 seats are reserved for BSW candidates and 20 seats for multidisciplinary graduates.

c. Admissions for MCA and MBA courses are made through PG CET conducted by KEA, Bengaluru. However, a separate Entrance Test will be conducted by Kuvempu University to fill up unfilled seats.

e. Under merit-cum-payment category,

(i) 3 seats (1:1:1) are reserved for SC and ST students of Kuvempu University, and children of Kuvempu University employees.

(ii) Of the remaining, specified number of seats are reserved for applicants from other universities (for OU and HyK candidates).

(iii) The remaining seats are for KU candidates.

For example, in the case of M.A (Kannada), there are 10 seats under Merit-cum-Payment quota (3 +3 + 4) and these 10 seats are shown in the last but one column (in the above table) as '3+3+4'. This means,

(i) The first three seats are for SC, ST and children of Kuvempu University employees (oneeach),

(ii) Next three seats are for OU applicants, and

(iii) The last four seats are for Kuvempu University raduates.

However,

- If any of these seats fall vacant, the seats shall be transferred to merit-cum-payment seats(Kuvempu University candidates).
- But in the case of SC/ST, the seats are inter-changeable. However, if there are no eligible and willing applicants from both SC/ST categories, the unfilled seats shall be shifted to merit- cum-payment seats (Kuvempu University candidates).
- If there are no eligible and willing applicants from Kuvempu University graduates, the unfilled seats shall be shifted to merit-cum-payment seats (OU students).
- All candidates admitted under merit-cum-payment category are required to pay the actual fee for merit- cum-payment category prescribed by the University, irrespective of their category/income, etc. 10% of the General Merit (GM) seats are reserved for Economically Weaker Sections (EWS) on production of the certificate in the prescribed format.

V. Mode of Admission:

Admission of candidates depends upon the availability of seats in the order of merit in the respective reservation category. The information given in this Prospectus is for general information of the students. The relevant rules relating to admission, fees and other details will be effective as prevailing at the time of admission.

(a) There is a centralized system of admission for Post-Graduate Courses of Kuvempu University. Each Department will have an Admission Committee comprising the Chairperson and members of the faculty of the Department as constituted by the university for this purpose.

(b) In all stages of admission, the admission committee shall obtain the approval from the Dean of the Faculty concerned.

(c) The Admission Committee verifies the applications and documents/certificates and prepares a consolidated merit list, in descending order of merit on the basis of the percentage of marks secured by the candidates in the qualifying examination (or entrance test or both).

(d) The above list/s will be announced on the University website. The lists will also be uploaded to the university website. No intimation will be sent to the candidates separately for their admission. Hence, the applicants are advised to see the University web site **www.kuvempu.ac.in** The admission committee makes the admission on the scheduled date

and time (as specified in **Dates of Events**).

(f) Candidates shall personally appear for the admission with all originals documents and certificates, prescribed fees and photographs. Applicants are required to report at the **counselling centre of the Department concerned before 10.30 am** on the date/s of admission (see, **Dates of Events**) and remain throughout admission. The applicants should occupy the chairs in the room specified by the Department concerned in time on the date/s of admission, and not leave the room till the completion of admission. Further, the candidates are required to note that **the delay in the arrival of candidates at the admission venue even by a minute may deprive them the seats.**

Admission Rules

For the Post-Graduate courses of Kuvempu University and affiliated colleges, there is a centralized system of admission through counseling. The following are some of the relevant rules and regulations. However, the rules existing at the time of admission shall be operative and final.

Eligibility for Post-Graduate Courses/Programme

(1) Candidates who have passed the three/four-year Degree examinations of this university or of any other university considered as equivalent there to, with the required major/optional subjects at the Degree level are eligible to apply for admission, provided they satisfy other requirements as per Regulations.

(2) The minimum percentage of marks in the relevant subjects (all the 3 years/4 years put together) shall be as follows (for specific eligibility criteria, please refer to the **Profile of the Department** concerned).

(a)	For candidates under General Merit, Children of Freedom Fighters, Children/Dependents of Defence Personnel, Categories - IIA, IIB, IIIA, IIIB, NCC and NSS However, the minimum percentage of marks required for admission to M.A in Hindi, Sanskrit and Urdu is 40% in the subjects.	45%
(b)	For candidates belonging to Category - I, Sports and Persons with Disability (PwD)	40%
(c)	For candidates belonging to SC and ST categories	35%

(3) The eligibility criteria for admission to MCA and MBA are as per the eligibility criteria prescribed by the Karnataka Examination Authority, Bengaluru.

(4) (a) In the case of candidates seeking admission to M.Com, only the percentage of marks obtained at final year B.Com/BBM/BBA is considered for determining the eligibility of the candidates and for the allotment of seats for admission.

(b) The candidates seeking admission to any P. G. course have to enclose (to the application) the statements of marks of all the three/four years of their degree courses.

(c) Candidates seeking admission to M.A in Kannada, English, Hindi, Urdu and Sanskrit on the basis of marks obtained in the relevant language subject shall have secured, in the corresponding language, 10% more marks than the minimum prescribed for the category under which they are to be admitted.

(5) Attempt Reduction: In the case of candidates who have passed the relevant examination in the second or subsequent attempts, the actual percentage of marks obtained by them shall be reduced by 3 for every such attempt (e.g., from 65% to 62%, 65% to 59%, etc., depending upon the number of additional attempts taken). But, such reduction shall not make the candidate ineligible altogether.

(a) However, a candidate who completes the Degree course successfully in three academic

years shall be deemed to have passed the course in the first attempt.

(b) Similarly, if a candidate rejects his/her results and takes improvement examination, he/she shall be deemed to have passed the examination at the first attempt.

(c) Also a candidate who absents himself/herself from the entire examination and takes it at the next session, he/she shall be deemed to have passed the examination in the first attempt.

However, such candidates shall be required to produce documentary evidence, obtained from the Registrar (Evaluation) of the university concerned, in support of their absence at or rejection of the results of the first attempt, while submitting the application.

(6) Domiciled Candidates: The domiciled candidates should have resided in the state of Karnataka for at least 10 years at any time prior to the date of submission of application. However, this condition does not apply in the following cases.

(a) Children of officers of All India Services of Karnataka Cadre,

(f) Children from state of Jammu and Kashmir, and North-East states, subject to certain conditions.

(7) Admission procedures for the foreign nationals / NRI students:

A special provision is made to the Foreign nationals/ NRI students to take admission in the Post Graduation programmes of the University from June 1st 2018. They can submit applications to the Registrar directly to get provisional admission. They can apply either online or through post or personally with photocopy of valid passport and all other academic documents to prove their eligibility. After due verification of the documents the University will issue an admission offer letter. Then the student has to pay 100$ or INR 7000 through bank transfer and intimate the University with amount transfer details. Then the University will issue provisional admission for visa process. The student has to take final admission before August 31st by paying admission fee of 600$ or INR 40,000 per year excluding accommodation and other expenses. All the foreign / NRI students will be provided with hostel facility in the campus if they need. For any assistance or guidance contact Prof. Riaz Mahmood.(contact details: phone-9448340841, email-riaz_sultan@yahoo.com)

SEAT MATRIX :

Course-wise and category-wise seat matrix is provided in a separate table (given earlier) and the applicants are advised to go through the same. Besides, the applicants are advised to go through the following:

The intake for different Departments is fixed as shown in sections pertaining to individual Departments (see, **Seat Matrix Table** given earlier). The seats thus made available in each Department are allotted to different categories. This has been done in accordance with the existing reservation policy of the Government of Karnataka. However, the intake can be increased/reduced at the discretion of the university at any time depending upon circumstances.

(a) Foreign Students: 15% supernumerary seats can be created in each Department of Studies to accommodate foreign students. Out of this, 5% seats shall be earmarked for the students

of Indian workers in the Gulf as per the direction of the Government and after approval by the Vice Chancellor in consultation with the Selection Committee of the subject concerned.

(b) Children/Dependents of Defence Personnel (CDP): One seat in each course shall be allotted to candidates in the following order.

(i) Widows/Wards of Defence personnel martyred in action.

(ii) Wards of serving personnel and ex-servicemen disabled in action.

(iii) Widows/Wards of Defence personnel who died in peace time with death attributable to military service.

(iv) Wards of ex-servicemen and serving personnel who are in receipt of Gallantry awards.

(v) Wards of ex-servicemen

(vi) Wards of serving personnel

(c) Children of Freedom Fighters (CFF): One seat shall be given to the children of freedom fighters. Dependents of freedom fighters are not eligible under this quota. However, the applications, under this quota, shall be referred to the Registrar for necessary orders.

(d) Sports: One seat for an outstanding sportsperson who has represented Kuvempu University or Karnataka State or India in any inter-university, inter-state or international sports or games during his/her graduation period.

(e) Person with Disability (PwD): One seat is reserved for the persons with the following kinds of dissability as per the Govt. act of 1995 section 20: 1. Physically challenged. 2.Visually challenged. 3. Person with hearing impairment. 4. Person with learning dissanilitiy. 5. Different kinds of disabled people. 6. Leprosy cured. 7. Person with mental dissaility. A certificate in support of the handicap, signed by the district surgeon, should be enclosed with the application. Following are considered in this category:

(f) Reservation of Seats for SC, ST and OBC Candidates: Seats are reserved for Scheduled Castes (15%) and Scheduled Tribes (3%), and other socially and educationally backward classes as notified by the Government of Karnataka under Categories – I (4%), IIA (15%), IIB (4%), IIIA (4%), IIIB (5%) (GO No. SWL 251 BCA 94, dated 31st January, 1995 and as amended from time to time).

(g) Kannada Medium Students: 5% of seats are reserved for allotment to candidates who have studied in Kannada Medium from 1st to 10th standard in accordance with GO No. ED 91 URC 2002, Bengaluru, dated 31st July, 2002 and as amended from time to time.

(h) Gender Minority (GdM): Special 1% reservation for gender minorities in special category would be a super numeric quota seat and filled against available eligible applications only. One seat is kept in each Department for these applicants in accordance with GO No. ED254UKV dated 13th December,2013.

(i) Children of Farmers (CoF): One seat, as a part of Special Categories (merit), in each P. G course is reserved for the children of farmers who committed suicide owing to financial distress (Please note, this seat is not shown in the Seat Matrix table given earlier). And applicants who want to claim the seat under this category have to enclose the relevant certificate issued by the Tahsildar/Deputy Commissioner of Taluk/ District concerned. If there are no eligible applicants under this category, the seat shall be kept vacant.

(j) Hyderabad-Karnataka Reservation (HyK): Special 8% reservation for Hyderabad-Karnataka region is provided in accordance with GO No. ED269UNE, dated 13th May, 2014. However, in the event of non- availability of eligible applications, such seats would be transferred to General Merit category.

(k) Other University Students (OU): As per the Government of Karnataka Letter, 15% of the seats are reserved for students of other universities (including Merit, and Merit-cum-Payment seats).

(l) Merit-cum-Payment Seats: Under merit-cum-payment category,

(i) First 3 seats (1+1+1) are reserved for SC, and ST students of Kuvempu University, and children of Kuvempu University employees (i.e., one seat to each of these three categories).

Note: (i) Applicants claiming seats under 'Employees' Children' quota have to produce an eligibility certificate signed by the university Registrar.

(ii) Of the remaining, a specified number of seats are reserved for OU candidates where the quota (15%) is adjusted with HyK and OU under merit seats.

(iii) Remaining seats are for KU candidates. However,

(i) If any of these seats fall vacant, such seats will be filled with Kuvempu University applicants on merit-cum-payment basis.

(ii) But in the case of SC and ST, the seats are inter-changeable. If no eligible applicant is available from both the categories, the vacant seat shall be shifted to Kuvempu University students on merit-cum- payment basis.

(iii) If there are no eligible applicants from Kuvempu University graduates, the vacant seats may be filled with OU applicants under merit-cum-payment basis.

(iv) All candidates admitted under merit-cum-payment quota are required to pay the actual fee for merit- cum-payment category prescribed by university (at the time of admission) irrespective of their caste and annual income.

NSS/NCC Quota: Criteria for ranking and selection of students under NSS/NCC Quota are given below. (1) The admission is limited to students of Kuvempu University only.

(2) Claim under the quota is considered only when photocopies of specific certificates are attached. (3) The camps/programmes attended during PUC level and prior to that are not considered.

(4) Ranking of NSS/NCC Quota applicants and preparing the merit list is based on two important criteria viz., marks secured in the qualifying examination and performance in NSS/NCC activities.

(5) Weights for the marks secured in the qualifying examination shall be awarded in accordance with Schedule – A presented below.

(6) The Admission Committee of the Department may evaluate the NSS (Schedule – B: 50%)/NCC (Schedule - C: 50%) related documents of the applicants, or forward them to the NSS /NCC programme co-ordinator of the university for evaluation. However, in the case of any ambiguity, the weights awarded by the NSS/ NCC Co-ordinator (based on the documents submitted by the applicants) is final.

(7) The admission committee shall combine marks secured as per schedules A and B (for NSS quota) or Schedules A and C (for NCC quota), and prepare the rank list and admit students accordingly.

Choice Based Credit System (CBCS) – Excerpts from Regulations

The Post Graduate Courses of Kuvempu University are governed by the Choice Based Credit System (CBCS) – **Choice** referring to the flexibility offered to the students for selecting a suitable combination of courses or papers and the **Credit** referring to the unit by which the teaching/course work is measured. CBCS is learner centred by eliciting active participation of teachers establishing close interaction between the teachers and the students that contributes towards quality of education.

(1) Structure of P. G. Programmes: There are four categories of courses viz., Hard Core Courses, Soft Core Courses, Elective Courses and Soft Skill Courses for every P. G Programme.

(a) Hard and Soft Core Courses are the courses offered by the Department concerned. Each student shall compulsorily undertake project work leading to Project Report. The credits for each Hard Core Course ranges from 3 to 6 and that of Soft Core Course from 2 to 4.

(b) Elective Courses are the courses offered by other Departments. Each elective course carries 2 wrights. Students of all P. G Programmes shall select, study and successfully complete at least one Elective Course (out of a number of Elective Courses offered by other Departments, List of Elective Courses is given later) each in II and III Semesters earning at least four credits.

(c) Besides, there are three Soft Skill Courses viz., Communication Skills, Computer Skills and Life Skills. These Courses are offered by the Departments of Studies in English,

Computer Science and Commerce respectively for the students of all Departments of P. G Studies. Each of these three courses carries one credit and there shall be no semester-end examination for these courses. However, to successfully complete the Master's Degree, every student must complete these courses earning three credits within the first two semesters.

(2) Continuous Assessment Programmes and Evaluation

Out of the total marks for each course, 25 marks are earmarked for Continuous Assessment (Internal Assessment) and the remaining 75 marks for the semester-end examination. Internal assessment marks are awarded on the basis of the following components.\

Sl. No.	Continuous Assessment Programme	Maximum Marks
01	Two Session Tests (5 marks per test)	10
02	Seminar/Group Discussion (assessed on the basis of writing, comprehension, communication, articulation, and presentation skills)	5
03		5
04	Field Work and/or Assignments Regularity and Attendance	5

In the case of elective courses, each elective course carries a maximum of 50 marks comprising 40 marks for semester-end examination and 10 marks for internal assessment. In this case, internal assessment marks are awarded to the students based on a test (5 marks), assignment-cum-group discussion (2.5 marks), and regularity of the students in attending the classes (2.5 marks).

(3) Semester-end Examination and Evaluation: Semester-end examination of three-hour duration for 75 marks is conducted for each of Hard and Soft Core Courses. However, in the case of Elective Courses, the semester-end examination is for 40 marks for 1½ hours for each course. Project Reports and answer scripts of the semester-end examination are evaluated by two examiners (one internal and another external; however, under no circumstances a script/project report is valued only by two internal examiners). The marks awarded to that answer script/project report is the average of these two evaluations. If the difference in the marks between two evaluations exceeds 20% of the maximum marks, such a script/project report is valued by a third external examiner. The marks awarded to that answer script or project report shall be the average of two nearer marks out of the three evaluations. In the fourth semester, the project report shall be evaluated for 75 marks by both internal and external examiners. And for the remaining 25 marks, project viva-voce examination shall be conducted by the Board of Examiners. For the purpose of evaluation, answer scripts are coded. There is also a provision for challenge valuation.

(4) Grading and Declaration of Result

(**a) Grade** means an index of conversion of marks secured by a candidate after completing the precribed credits and relevant examination in each course

(b) Grade and Credit Points are computed for each course considering the marks secured and the credits earned in each course. **Grade Points** are computed by dividing the marks secured by the candidate in each course by 10% of the maximum marks for that course. And **Credit Points** are determined by multiplying the Grade Points in each course by the credits of that course. Both the Grade Points and Credit Points shall be computed for each course in each semester

(c) Grade Point Average (GPA) is computed and given to each candidate based on his/her semester performance. This is determined by dividing the sum of credit points earned by the student in all the courses of a semester by the total number of credits for which the candidate has taken examination in that semester

(d) Cumulative Grade Point Average (CGPA) is computed for the whole academic programme considering the aggregate of Credit Points of all the semesters earned by the student and dividing this sum by the total credits of all the semesters

(e) The CGPA obtained as above is the base for the determination of Grade and for the declaration of the result as follows.

CGPA	Result grade	Description of Result Grade
< 4.50	D	Fail
≥ 4.50 < 5.00	C	Pass
≥ 5.00 < 5.50	B	Second Class
≥ 5.50 < 6.00	B^{+}	High Second Class
≥ 6.00 < 6.50	A	First Class
≥ 6.50 < 7.50	A^{+}	High First Class
≥ 7.50	A^{++}	First Class with Distinction

Post-Graduate Centre, Kadur

To provide higher education to rural youth, Kuvempu University established a Post-Graduate Centre at Kadur. It is located in an area of about 65 acres of land on Shivamogga-Bengaluru highway and 7 kms away from Kadur town. Kadur is well connected by road and train.

The campus has newly constructed academic building with adequate lecture halls, hostels (for both boys and girls), library and laboratory facilities. The courses offered here are in great demand as they open new job opportunities. The emphasis here has always been for teaching, research and extension activities. Few details about the courses offered and others are provided below.

DEPARTMENT OF PG STUDIES AND RESEARCH IN SOCIOLOGY

The Post Graduate Department of Sociology, Kuvempu University, has completed 34 years since its inception in 1988. To refiect on our march towards research and teaching in sociology for a better understanding of social processes in our small way, we are not unhappy. Within the boundaries of limited infrastuctural facilities and a relatively small faculty, the Department can engage in introspection with confidence. There have been periodic evaluation and changes in the syllabus in response to developments in the discipline. The Department has introduced the Choice Based Credit System (CBCS).

The attempts of the Department, have mainly concentrated on the application of sociological principles to our immediate surroundings through conceptual and theoretical debates- both within the classrooms and outside. With M.A., and Ph.D programms, teaching has been the first proiority although research has received due attention. The faculty has entered into dialogue, regularly and continuously, with the outsied academic world in seminars, workshops, conferences and Publications. Research, backed by valid and reliable information base, has centered on local and regional issues. Attempt was to combine the macro and the molecular. Inter-Departmental and multidisciplinary work was valued.

Course: M.Sc-Biotechnology

Eligibility: B.Sc Degree of Kuvempu University or any recognized University with any three of the following options-Biotechnology, Botany, Zoology, Chemistry, Biochemistry/Microbiology/Sericulture/ Computer Science or B.Sc Biotechnology with any other two optional papers .B.Sc.-Agri; B.Sc.-Hort; B.Sc.-Forestry; BF.Sc and BVSc candidates are also eligible.

Course Structure

First Semester

HC1.1 Chemistry of Biomolecules and Cellular Metabolism
HC1.2 Genetics and Molecular Biology
HC1.3 Microbiology
HC1.4 Cell Biology and Bioinformatics
Practicals for all HC Papers

Second Semester

HC2.1 Recombinant DNA technology
HC2.2 Immunotechnology
SC2.3.1Enzymology
SC2.3.2Genomics and Proteomics
Practicals- for all HC and SC Papers
Elective:E2.4.1 Fermentation Technology
E2.4.2 Basic Bioinformatics

Third Semester

HC3.1 Agricultural Biotechnology
HC3.2 Animal Biotechnology
SC3.3.1 Environmental Biotechnology
SC3.3.2 Pharmacological Biotechnology
Practicals-for all HC and SC Papers

Elective: 3.4.1 Plant Tissue culture technology
Elective: 3.4.2 Health care Biotechnology

Fourth Semester

HC4.1 Bioprocess Technology
HC4.2 Medical Biotechnology
HC4.3 Research Methodology
Practicals-for all HC Papers
4.4 Project Work

DEPARTMENT OF P.G STUDIES AND RESEARCH IN FOOD TECHNOLOGY

The Department of Food Technology was established in the year 2022. The department aims of promoting innovation in food sectors. M.Sc in Food Technology course content is provide to explore all aspects of Food Technology. Experimental training and theoretical knowledge will help to shape the candidate to opt for jobs in various domains such as food processing companies' soft drink manufacturing firms, restaurants, cereal and spice industries, catering establishments, Quality control organizations, Packaging Industries and other food sectors like Dairy Industries and Food Research Laboratories. Moreover, there are specialized career prospects in food manufacturing and processing companies like Amul, Coca Cola, Preftti, Nestle, Cadbury India, Dabur India, Agro Tech Foods, Britannia, ITC Limited, Hindustan unilever Limited as well as National and International research institutes.

DEPARTMENT OF STUDIES IN MICROBIOLOGY

The Department of Microbiology was established during 2005. In order to encourage the students to take up research activities, the course curriculum is designed covering all aspects of Microbiology and practical orientation for microbiological methods. The thrust areas of research in the department include Microbial Diversity, Environment Microbiology, Mycology, Agricultural Microbiology, and Phytopathology, Medical Microbiology, Immunology, Fermentation Technology, Enzymology, Food and Industrial Microbiology, etc. The Department has received financial support from UGC, DBT, DST, VGST-GOK and Kuvempu University for research programmes. The Department has very good placement record in private sector, research institutes, public sector etc. The Department is organizing seminars, conferences, symposium, workshop and special lecture series by inviting Scientists and Emeritus Professors from reputed institutes and Universities.

DEPARTMENT OF STUDIES IN WILDLIFE AND MANAGEMENT

The Department of Studies in Wildlife and Management was started during the year 2002. The Department offers M.Sc., and Ph.D courses in Wildlife and Management. The course content is designed to cover all aspects of wildlife and management and practical orientation for wildlife conservation methods. The M.Sc., and Ph.D programme in Wildlife and Management aims to produce well- trained biologists and conservation practitioners who will retain their passion for wild places and a sense of purpose to conserve them. We provide our students a strong foundation of science that will help them design, implement and monitor a range of ecological studies and conservation projects. To develop these capabilities, our students learn about wildlife science and conservation through a multidisciplinary process. They are trained in fundamental ecology, project design skills and technical tools required to carry out scientific studies. As future conservationists they need to expose to the historical, social, economic, legal and political contexts that underlie the conservation process. In addition, we also teach effective communication using a variety of media, conflict resolution, and problem-solving skills, to deal with real life conservation issues. The department also inviting accomplished scientists regularly from various prestigious government and private institutions to deliver special lectures in order to encourage and motivate the students to take up research programmes. The students who have successfully completed the course have been working in various capacities in Karnataka State Forest Department, Research institutions, NGO's and Universities. During the past 20 years of existence. the Department has sucessfully completed Two major and one minor research projects funded by UGC, New Delhi. Department produced 17 Ph.Ds, 01 M.Phil and published more than 95 research papers in various refereed / peer reviewed journals. Presently 08 students are pursuing Ph.D.

DEPARTMENT OF STUDIES AND RESEARCH IN PSYCHOLOGY

Kuvempu University runs a two year M.Sc. Psychology programme at Kateel Ashok Pai Memorial College (KAPMC), Shivamogga, a College affiliated to the university. The course has been offered at KAPMC since 2020. To meet the challenges of Mental Health in contemporary society there is a dire necessity of providing higher education in Psychology. It is also a subject which is an essential component of interdisciplinary research in social and medical sciences. Employment and research opportunities have opened up at clinics, industries, corporate sectors, counseling centers, research and educational institutions which are likely to increase manifold in the post–COVID context. The M.Sc. Psychology programme has been designed by the university to blend theoretical knowledge and practical experience. KAPMC is a unit of Manasa Trust which also provides mental health facilities to about 250 distressed individuals every day. As such students will be given firsthand experience of the application of psychology. KAPMC has experienced faculty and all required facilities to enrich learning

3. Mr. Vinay R
4. Ms. Inchara S
5. Ms. Hani Kuruvari

Programme offered: M.Sc. Psychology

Eligibility: Candidates who have passed the bachelor degree examination with psychology as an optional subject for 3 years of study can apply. They should have obtained a minimum of 50% in the aggregate marks in the
subject of psychology at the bachelor's degree examination in case of general merit category and 45% in case of SC/ST candidates. Admissions shall be made on the basis of 50% of marks obtained by the candidate in the written test and 50% of marks obtained in the aggregate of the optional subjects. The specialisationsinclude:

1. Child Psychology
2. Clinical Psychology
3. Industrial and Corporate psychology

Entrance Test: The written entrance test consists of 100 objective type questions, answered in 100 min. duration, for a maximum of 100 marks. Questions will be aimed at testing the aptitude of the candidate as well as familiarity with the relevant subject. Entrance test shall be held at KAPMC on the notified date.

Please note: The M.Sc. Psychology programme is a bonafide course of the university and admissions shall be made at the university.

DEPARTMENT OF STUDIES IN BIOCHEMISTRY

The Department of Biochemistry was established in the year 2005. The M.Sc. course content is designed to cover all aspects of biochemistry and practical orientation for biochemical methods. The exhaustive practical training and sound theoretical knowledge being provided here is intended to make the student an appropriate candidate for not only to take up teaching or pursuing doctoral research but also competent enough to work in pharmaceutical R&D, diagnostic labs, medical, agricultural research institutions and various allied industries. The department also invites accomplished national and international scientists form various prestigious institutions to deliver special lectures in order to encourage and motivate the students to take up research.

Programmes Offered : M.Sc., Ph.D and PG Diploma in Industrial Bioanalytical Techniques.

DEPARTMENT OF STUDIES IN CHEMISTRY

The department was established in the year 1992. The department is actively involved in teaching, research and extension progammes. Thrust areas of research includes bio-organic chemistry, synthetic organic chemistry, natural products chemistry, electrochemistry, metal finishing, nanomaterials, and dyes and pigments. All the faculty members have been awarded with major research projects from various funding agencies. The department is active in various academic activities like conducting seminars, symposium and conferences. The department also conducts placements programmes for the students. Department is funded by DST-FIST and UGC-SAP program for the infrastructure development.

DEPARTMENT OF STUDIES IN INDUSTRIAL CHEMISTRY

The Department of Post Graduate Studies and Research in Industrial chemistry was established by the University Mysore in 1973. The Department has been harnessing precious human resources for the overall development of society through the pursuit for excellence in the area of chemical sciences. Besides its primary activities of academics, teaching and research, the Department has been interacting with industrialist and established a mutually beneficial relationship with the nearby industries. In this direction, the department has initiated several programmes such has the taking Industries sponsored projects involving testing and analysis of raw materials and products, encouraging students to take up project related to their studies to acquire work experience, inviting executives and technical staff of the Industries as guest faculty.

As a part of University Institution interaction the Student are acquiring higher level of training at BARC, IISc, NAL, IIT,etc . The Staff members are actively involved in cutting-edge research activities in collaboration with Institutes and some Foreign universities in the field of Chemicals Scineces and have received fund worth of 7.2 crore from various funding agencies like DST, Nano Mission, UGC and NRB, New Delhi and BRNS Mumbai, The Department has produced 121 Ph.Ds and 10 M.Phil degrees, and Published 648 Research Papers Peer reviewed National and International Journals. The Department has links with many Industrial Organization as a result of which, every year , many students pursuing the training at advanced Laboratories of ISO Certified Industries. In the Campus Selection Programme, more than 65% students are obtained placements in reputed organizations. The staff members are involved in consultancy services with Mysore Paper Mills Ltd., Bhadravathi, Few M.Sc. and P.G.Doploma Students of the Deparment work in MPM. on hourly basis while they are studying under "earn while learn" Scheme of the Department.

Programmes Offered: M.Sc., Ph.D, and P.G.D.in Industrial Chemical Quality Control.

DEPARTMENT OF STUDIES IN PHARMACEUTICAL CHEMISTRY (P.G. CENTRE, KADUR)

The Department of Pharmaceutical Chemistry was established in2007. The course is designed to provide trained and skilled man power for ever growing Pharmaceutical Chemistry in India. The department has experienced and reputed faculty member with international recognition. So far, the members of the faculty have produced Ph.Ds and published research papers in national and international journals of repute and have two patents to their credit. The faculty members have two visited England and Italy for their post-doctoral research and for presentation of their research papers. The department strongly encourages M.Sc., students to get actively involved in research activities and helps to get high lucrative scientific job opportunities.

DEPARTMENT OF STUDIES IN APPLIED GEOLOGY

The Department of PG Studies and Research in Applied Geology offering to Separate innovative and Multidisciplinary M.Sc. and Ph.D courses in Earth Science and Resources Management (UGC- Innovative Programme) and M.Sc. in Geoinformatics. The Department is recognised by UGC as a nodal centre for Earth Science and Resource Management Studies. The department is highly equipped, sophisticated laboratories established from the funds received from UGC under innovative and SAP – DRS-I, II and III and also by department of Science and Technology (DST) under FIST program.

Programmed Offered:M.Sc ESRM, M.Sc. Geoinformatics and Ph.D.

Faculty: Dr. Govindaraju, Professor and Chairman,
Office:08282-27598
Mob: 9880123156

Dr. Syed Ashfaq Ahmed, Professor,
Mob:9845142267

Course: M.Sc. – Earth Science and Resource Management (ESRM)

The Program is unique in it's approach designed and developed with innovative concept by integrating Geology and Information science for assessment, evaluation and management of Earth Resources or sustainable development. The course content is developed to train Geoscientists in obtaining comprehensive knowledge of geology / Earth Science its tools and techniques along with spatial information and science technology skills. First Students who have successfully completed the degree in ESRM so for have got excellent placement in central / state government departments, Publics and Private sector organisations including multinational companies.

Eligibility: A bachelors Degree in Science, Bachelors Degree with Geography at UG level, Engineering (Civil, Environmental, Mining, Geotechnical, Geoinformatics), B.Sc.(Agricultural, Forestry, Horticulture, Soil Science) from any Indian University or Equal and Qualification recognised by Kuvempu University. Eligibility for Foreign students will be in accordance with the university regulations. The General admission criteria are based on Kuvempu University Guidelines.

Course Structure:

First Semester:

Hard Core Papers Theory:

H.C 1.1 : Crystallography, Mineralogy and Thermodynamics
H.C.1.2 : Physical Geology and Oceanography
H.C.1.3 : Geoinformatics

SC3.1: Mineral and Water Resources Management

Soft Core Paper Practical:

S.C.P 3.1: Hydro Geochemistry and Geochemical Data Interpretation.
S.C.F.W: Field Camp.
Inter Departmental Elective Paper.

Fourth Semester:

PW4.1**: Project Work**
PV 4.2**: Project Viva**

Elective Papers

Even Semester:

AGE 201 : Water Resources
AGE 202 : Geoinformatics

Odd Semester:

AGE 301 : Natural Disaster Management
AGE 302 : The World of Rocks and Minerals

Course: M.Sc. in Remote Sensing Applications

Remote Sensing Applications programme is specially developed and conceptualized to provide training in the field of spatial information science and technology one of the upcoming field of IT. The graduates and professionals who get training in this application oriented programme can effectively utilize the technology in various fields such as Agriculture, Forestry, Wildlife, Infrastructure planning, Disaster Management and Natural Resource Management.

Eligibility: A Bachelors Degree in Science, Bachelors Degree with Geography at UG level, Engineering (Civil, Environmental, Mining, Geotechnical, Geoinformatics), B.Sc. (Agriculture, Forestry, Horticulture, Soil Science) from any Indian University or Equal and qualification recognised by Kuvempu University. Eligibility for Foreign Students will be in accordance with the University regulations. The General admission criteria are based on Kuvempu University Guidelines.

Course Structure:
First Semester:
Hard Core Papers Theory:
H.C 1.1 : Earth Science-I
H.C.1.2 : Principles of Geoinformatics
H.C.1.3: Hydrogeology and Structural Geology

Hard Core Papers Practical:
HCP1.1: Mineralogy and Geochemistry
HCP1.2: Geoinformatics
HCP1.3: Hydrogeology and Structural Geology

Soft Core Paper Theory:
SC1.1: Web Programming, Java, C, Python

Soft Core Paper Practical:
SCP 1.1: Web Programming, Java, C, Python

Second Semester:

Hard Core Papers Theory:

H.C 2.1 : Earth Science-II
H.C.2.2 : Geomorphology, Palaeontology, Indian Stratigraphy, Geology of Karnataka
H.C.2.3 : Digital Image Processing

Hard Core Papers Practical:

H.C.P 2.1 : Petrology
H.C.P 2.2 : Palaeontology and Surveying
H.C.P 2.3 : Digital Image Processing

Soft Core Paper Theory:
S.C 2.1: Spatial Modelling and Analysis.

Soft Core Paper Practical:
S.C.P 2.1: Spatial Modelling and Analysis
Inter Departmental Elective
Internship (Student's under gone Internship Training at Industries / Institutions /Laboratories of Geological Importance)

Third Semester:

Hard Core Papers Theory:
H.C 3.1 : GI Applications in Earth and Atmospheric Sciences
H.C.3.2 : GI Applications in Water Resources
H.C 3.3 : GI Applications in Agriculture and Forestry

Hard Core Papers Practical:
H.C.P 3.1 : GI Applications in Earth and Atmospheric Sciences
H.C.P 3.2 : GI Applications in Water Resources
H.C.P 3.3 : GI Applications in Agriculture and Forestry

Soft Core Paper Theory:
SC3.1: GI Applications in Urban Planning and Disaster Management

Soft Core Paper Practical:
S.C.P 3.1: GI Applications in Urban Planning and Disaster Management
Inter Departmental Elective

Fourth Semester:
PW4.1**: Project Work**
PV 4.2**: Project Viva**

DEPARTMENT OF STUDIES AND RESEARCH IN ENVIRONMENTAL SCIENCE

The Department was established during the year 1991-92 for promoting research and studies in Environmental science. There is a huge responsibility on the environmental scientists to propose several environment friendly processes of development. Environmental Science programmes are multi-disciplinary and holistic in nature and they need an in-depth knowledge on the subject. There is a wide scope at national and international levels to make a career in Environmental Science. At present, the post-graduates of this Department are placed in Karnataka State and Central Pollution Control Boards, Universities, Colleges, research institutions, Industries and Environmental consultant groups.

Programmes Offered : M.Sc. and Ph.D.

2.Dr. S.V. Krishnamurthy Professor

3.Dr. J Narayana Professor

4.Dr. Hina Kousar Professor
5.Dr. S.H. Basavarajappa Assistant Professor

Course : M.Sc. – Environmental Science

Eligibility: Any science graduate of Kuvempu University, or other UGC recognized university, or Bachelor Degree in Environmental Science from a recognized University can apply.

Course Structure

First Semester

ES.HC-1.1 Multidisciplinary Nature of Environmental Science

ES.HC-1.2 Environment and Ecosystem
ES.HC-1.3 Environment for Development

ES.SC-1.4 Aquatic Ecology

ES.SC-1.5 Radiation and Environment

ES.PrHC-1.1 Based on ES.HC-1.1

ES.PrHC-1.2 Based on ES.HC-1.2

ES.PrHC-1.3 Based on ES.HC-1.3

ES.PrSC Based on soft core papers- ES.SC-1.4/1.5

Second Semester

ES.HC-2.1 Environmental Chemistry and Environmental Statistics

ES.HC-2.2 Environmental Pollution

ES.SC-2.3 Energy and Energy Resources

ES.SC-2.4 Solid Waste Management and Resource recovery

ES.SC-2.5 Natural Resources and Conservation

ES.PrHC-2.1 Based on ES.HC-2.1

ES.PrHC-2.2 Based on ES.HC-2.2

ES.PrSC Based on soft core papers- ES.SC-2.3/2.4/2.5

IDE: Elective Papers: Environmental Education

Third Semester

ES.HC-3.1 Environmental Engineering and Science

ES.HC-3.2 EIA,GIS and Environmental Microbiology

ES.SC-3.3 Global Environmental Changes and Natural Hazards

ES.SC-3.4 Water Quality Science

ES.SC-3.5 Air Pollution Monitoring

ES.SC-3.6 Environmental Nano- Science

ES.PrHC-3.1 Based on ES.HC-3.1

ES.PrHC-3.2 Based on ES.HC-3.2

ES.PrSC- Based on soft core papers ES.SC-3.3/3.4/3.5/3.6

DEPARTMENT OF P.G. STUDIES AND RESEARCH IN COMPUTER SCIENCE AND M.C.A

The Department offers two Post-Graduate Courses Viz Master of Computer Applications (M.C.A) and M.Sc.(Computer Science). MCA programme was started in the year 2000 and M.Sc. Computer Science. programme was started in the year 2023. the Department has well equipped laboratories with 60 Desktop Computers with higher end configuration. The Department invite resource persons from reputed multinational companies (MNC's),universities and R&D institutions, The Department organizes seminars, conferences, and workshops, which for mutual benefits. The Department has provided opportunities for the fullest possible development of potential for all students who are from diverse backgrounds.

Alumni of the Department are well placed in Software Industries, Academic and research institutions and few as entrepreneurs. Alumni's regularly visit the Department and platform is being provided to the students to interact with them. The Department is actively engaged in Research in the areas of Image Processing, Pattern Recognition, Artificial Intelligence, Machine Leaning, Deep Learning and Data Mining. The Faculty members has Completed many research projects sponsored by AICTE and UGC.

Programmes Offered: MCA, M.Sc and Ph.D

Faculty

1. Dr. Yogish Naik G.R.
   Associate Professor And Chairman
   Mobile: 9448255683
   Email: kuvempumcacs@gmail.com
2. Dr. Prabhakar C. J. Professor
3. Dr. Ravi Kumar M. Professor
4. Dr. Suresha M. Associate Professor

Course: MCA (Master of Computer Applications)

(2-year, 4-semester)

Eligibility: Any bachelor degree (BCA/B.Sc/ B.Com/ BA) of this university or any other recognized university with Computer Science / Mathematics as one of the subjects at 10+2 level subject to the minimum prescribed in the admission regulations of the University. The admission to MCA programme is done through PGCET conducted by Karnataka Examination Authority (KEA), Bangalore.

Course Structure

First Semester

HC1.1. Computer Organization and Architecture
HC1.2. Operating System
HC1.3. Applied Mathematics
SC1.4. C Programming
SC 1.5. Database Management Systems
Lab: 1.6 C Programming Lab
1.7 DBMS Lab

Second Semester

HC2.1. Computer Networks
HC2.2. Theory OF Computation
HC2.3. Data Structures
SC2.4. Java Programming
SC2.5. Software Engineering
Lab: 2.6 Data Structures Lab
2.7 Java Programming
Elective:2.1 Information and Communication Technology (ICT)

Third Semester

HC3.1. Analysis and Design of Algorithms
HC3.2. Computer Graphics
HC3.3. Digital Image Processing
SC3.4. Web Programming
SC3.5. Data Science
Lab: 3.6 Algorithms Lab
3.7 Computer Graphics Lab
Elective: 3.8: Cyber Security

Fourth Semester

SC4.1 Artificial Intelligence
SC4.2.PHP Programming
SC4.3 Dot Net Programming
SC4.4 Python Programming
SC4.5 Project Work

Course: M.Sc. in Computer Science

Eligibility: B.Sc (Computer Science / Information Science/ Information Technology) or BCA degree of this University or any other UGC recognized university subject to the minimum prescribed in the admission regulations of the university.

Course Structure

First Semester

HC 1.1 Computer Architecture
HC 1.2 Data Structures
HC1.3 JAVA Programming
SC 1.4 Data Communications
SC1.5 Applied Mathematics
Lab: 1.6 Data Structures using Lab
1.7 JAVA Programming Lab

Second Semester

HC 2.1 Computer Networks
HC 2.2 Analysis and Design of Algorithms
HC 2.3 Computer Graphics
SC 2.4 Theory of Computation
SC 2.5 Digital Image Processing
Lab : 2.6 Algorithms Lab
2.7 Image Processing Lab

Elective: 2.8: Problem Solving using C

Third Semester

HC3.1. Wireless Communications

HC3.2. Machine Learning

HC3.3. Linux Internals

SC3.4. Software Engineering

SC3.5. Cloud Computing

Lab: 3.6 Linux Internal Lab

3.7 Machine Learning Lab (Python)

Elective: 3.8: Web Programming

Fourth Semester

HC4.1. Artificial Intelligence

HC4.2. Data Science

SC4.3. Internet of Things (IOT)

SC4.4. Project Work

DEPARTMENT OF STUDIES IN ELECTRONICS

The Department was established in the year 2003 with the objective of generating competent professionals to meet the challenges in the field of Electronics. The Department has dedicated staff and well-equipped laboratories viz. Analog Electronics, Digital Electronics, C++, Microcontrollers, Digital Signal/ Image Processing, Advanced Communication, Computer Communication Networks and VHDL. The Department is actively involved in teaching, research & extension programmes. Thrust areas of research include, Digital Signal & Image Processing, Antenna theory & design and Microcontrollers. Department provides placement assistance for students in various leading industries**.**

Programmers Offered: M.Sc and Ph.D

2. Dr. Madhuri. G. R
   Assistant Professor

COURSES: M Sc. Electronics

Eligibility: B.Sc. Degree from Kuvempu University or any other recognized University with Electronics or Physics as an optional subject, i.e. Students withPME(Physics,Maths,Electronics) or PCM (Physics, Chemistry, Maths) or EMCS (Electronics, Maths, Computer Science) Combinations are eligible to apply. 5% weightage is given to Students who have studied Electronics as one optional Subject.

Course Structure:

First Semester

HC1.1 Programming C++
HC1.2 Microwave Devices & Antennas
HC1.3 Pic & Arm Microcontroller
HC1.4 Signals and Systems Practicals
Practical based on above papers

Second Semester

HC2.1 Control systems
HC2.2 Digital design using verilog
HC2.3 Digital Signal Processing
SC2.4.1 Power Electronics
SC2.4.2 Wireless Communication & Satellite Communication
Practical based on above HC papers
Elective: 2.5 Basic Electronics

Third Semester

HC-3.1 Advanced Digital Communication
HC-3.2 Advanced Computer Networks
HC-3.3 Image Processing
SC3.4.1 Information theory & coding
SC3.4.2 Multimedia
Practical based on above HC papers
Elective: 3.5 Fundamental of Digital Electronics
ELP-3.9 Industrial training/visit

Forth Semester
HC4.1 VLSI Design
HC-4.2 Machine Learning
HC4.3 Embedded systems
SC-4.4 Pattern Recognition
Practical based on above HC papers
ELP-4.7 Project Work

Department of Studies and Research in Library and Information Science

The Department of Library and Information Science has been established in December 1993. The course is designed to suit to the changing needs of modern society. Greater emphasis has been laid in the curricula on IT oriented areas and practical aspects. To facilitate this, the department is equipped with necessary classrooms, furniture and equipment. It has an independent computer lab with 20 systems and internet facility. Many students have been placed in central/state government departments, public/ private enterprises, higher education institutions, R&D organizations and corporate sector. The department is active in teaching, training, research and consultancy activities. The department has organized many national level seminars, conferences, workshops and UGC sponsored Refresher Courses in Library and Information Science.

Programmes Offered: M.L.I.Sc and Ph.D

Faculty

1. Dr. P. Dharani Kumar.	Professor and Chairman Phone: 08282-257319 Extn: 283 Mobile: 9741501214 e-mail: dr.dharanikumarp@gmail.com
2. Dr. S. Padmamma	Professor
3. Dr. K.T. Santhosh Kumar	Professor

Course: M.L.I.Sc – Master of Library and Information Science.

Eligibility: B.A/B.Sc/B.Com/B.S.W/B.C.A/B.B.M/B.B.A. etc., from any recognized university or any other qualification considered equivalent to it, subject to the minimum prescribed in the admission regulations. Total marks obtained by the candidate (aggregate of three years) shall be considered.

Course Structure

First Semester

HC1.1. Foundation of Library and Information Science
HC1.2. Information Sources and Services
HC1.3. Library Classification - (Theory)
HC1.4. Basics of Computer - (Theory)

Practicals

1.5 Information Sources
1.6 Library Classification (Practical - I)
1.7 Basics of Computer (Practical)

Second Semester

HC2.1. Information Society and Literacy
HC2.2. Management of Hybrid and Digital Libraries
HC2.3. Library Cataloguing - (Theory)
SC2.4. Library Automation - (Theory)

Elective

2.5 Information Literacy

Practicals

2.6 Library Cataloguing - (Practical)
2.7 Library Automation - (Practical)

Third Semester
HC3.1. Research Methodology
HC3.2. Information Systems and Services
HC3.3. Indexing System - (Theory)
SC3.4. Information and Communication Technology - (Theory) - I
Elective
3.5 Information Sources on Social Sciences and Science and Technology
Practicals
3.6 Information Processing and Retrieval (Practical) - I
3.7 Information and Communication Technology - (Practical) - I

Fourth Semester
HC4.1. Information and Communication Technology - (Theory - II)
HC4.2. Digital Libraries
HC4.3. Optional (any one of the following)
a. Public Library Systems and Services
b. Academic Library Systems and Services
c. Health Science Library System and Services
4.4 **Project Work**
Practicals
4.5 Library Classification - (Practical) - II
4.6 Information and Communication Technology - (Practical) - II

Internship: Each candidate shall compulsorily under go one-month's Internship in a reputed library attached to the institutions of higher learning or R & D Institution as part of IV Semester. The internship shall be undertaken immediately after the completion of IV Semester Examination (Theory and Practical).

DEPARTMENT OF P.G. STUDIES AND RESEARCH IN MATHEMATICS:

The department of Mathematics started in the year 1975 as a part of University of Mysore. Later in 1987, it became an integral part of Kuvempu University. The department is harnessing precious human resources for the overall development of the society through the pursuit for excellence in the area of Mathematical Sciences. The department is actively involved in teaching and research. The department is recognized as a centre of research in the fields of Differential Geometry and Fluid Mechanics. The department is admired by many Universities for its quality teaching and research. Apart from conventional teaching methods, the department is also teaching students using advanced ICT tools. The department is regularly conducting orientation classes, special lectures, NET-SLET Coaching and remedial classes for the academic benefit of the students. The Department has a financial support from DST under FIST programme from 2019 to 2024

Further the department is regularly conducting International /National conferences, Seminars and workshops for the benefit of students and researchers. The departments has a Mathematical Society, established in the year 2008, which helps students in getting placements, providing facilities for research activities and to generate funds for economically weaker and meritorious students to purchase books. The department also trains each student in Computer skills and Mathematical Software.

As a part of University -industry interaction, research organizations like TIFR, IISC, IIT's selecting/ considering our department as a centre to conduct seminars, conferences, workshops and symposium's. It helps our students to interact with many renowned Mathematicians, Scientists and Industrialists. The department has awarded 98 Ph.D's and 23 M.Phil degrees and published more. than 600 research articles in the reputed National /International journals. Currently 30 students are working in the department for their Ph.D degree.

DEPARTMENT OF P.G. STUDIES AND RESEARCH IN PHYSICS

The Department has been established in the year 1991. The Department offers specialization in Condensed Matter Physics and Nuclear physics. The Department has well equipped laboratories, adequate no. of class rooms, computer lab and departmental library. Several national seminars, symposiums, workshops and special lectures are regularly being organized in the Department for providing proper exposure to students. The course content is designed so as to enable students to get placements in various multidisciplinary sectors. Several students have cleared their KSET/NET examinations and are appointed as teachers in undergraduate colleges/universities. Many have pursued studies towards their doctoral degree in reputed institutions/universities and have got good placements.

POST - GRADUATE CENTRE, KADUR

To provide higher education to rural youth, Kuvempu University established a Post-Graduate Centre at Kadur. It is located in an area of about 65acres of land on Shivamogga-Bengaluru highway and 7 kms away from Kadur town. Kadur is well connected by road and train.

The campus has newly constructed academic building with adequate lecture halls, hostels (for both boys and girls), library and laboratory facilities. The courses offered here are in great demand as they open new job opportunities. The emphasis here has always been for teaching, research and extension activities. Few details about the courses offered and others are provided below.

Sl. No.	Course Offered	Chairperson and Contact Number	Course Structure
1	M.A. (Economics)	Dr. N.D. Satyanarayan (Cell: 9740484017)	See, the Profile of Department of Economics (main campus)

SAHYADRI SCIENCE COLLEGE, SHIVAMOGGA

Two Sahyadri Science College, Shivamogga, is one of the premier educational institutions of "Malenadu" area of South Karnataka. It was established in 1940 and has become the constituent college of Kuvempu University in 1992. The Government of Karnataka has conferred the status of "Autonomous'' to this college during 2005-06. In order to meet the demand of the students, the University has started certain Post-Graduate Programmes(extended units of the Departments of Shankaraghatta) at Sahyadri Science College (Autonomous), Shivamogga.

INTERNATIONAL STUDENTS' CELL

The Students' Supportive Service Centre was established in 2018. The International Students' Cell is a part of this centre. The aim of this centre is to promote global perspective in the teaching, research and outreach programs of the University. The centre works in close collaboration with the Post-Graduate Departments, affiliated Colleges and also other Academic and Research Institutions of Kuvempu University. Kuvempu University has envisioned the International Students' Cell as a **Single Window** that would co-ordinate foreign students.

Prof. Syed Ashfaq Ahmed, Director
e-mail : ashfaqsa@hotmail.com

Sri Basavaraj Bommai
Hon’ble Chief Minister of Karnataka

Dr. Ashwath Narayan C.N.
Hon'ble Minister for Higher Education and Pro-Chancellor of the University

Vice-Chancellor's Message

Dear Students,

Kuvempu University has grown in might and fame over the last few years in the noble task of learning, teaching, creating and extending knowledge. The awards and accolades—like the 'A' grade by NAAC, or the 81st best University in the country by NIRF for the year 2021—that have been awarded to this University are new feathers to our cap of achievements.

The challenge before us is to help develop the nation by generating well informed and skilled human resources to work in the fields where they will be valued for their knowledge, expertise, specialized skills, leadership, entrepreneurship and innovation. I am proud to say that the University has embarked upon this great task of creating luminaries that shine our lives for a long long time to come.

I am proud to let you know that learning at Kuvempu University is a unique experience. The lush green campus of 230 acres, serene environment, pleasant climate, zero pollution away from the hustle-bustle of city life, thick natural forest make this University one of the most appealing institutions in the country; a favorite academic destination for students, national and international. State of the art facilities, competent and up-to-date syllabi, efficient faculty, industry exposure, practical and skill oriented teaching with a vibrant philosophical base equip our students with the necessary knowledge and skills that make them come out successful with flying colours.

It is said that a nation is built in its class rooms. Students of today are citizens of tomorrow and architects of India's glorious future. Our future depends on the wise choices we make at critical moments in our life. I hope your endeavor to seek higher education in the relevant area of your study at Kuvempu University will bring you a rewarding and memorable experience and make you a multi-skilled individual prepared to take up the challenges of the contemporary society and world.

I welcome you to this garden of knowledge to bloom and shine.

(4) Grading and Declaration of Result

(a) Grade means an index of conversion of marks secured by a candidate after completing the prescribed credits and relevant examination in each course

(b) Grade and Credit Points are computed for each course considering the marks secured and the credits earned in each course. Grade Points are computed by dividing the marks secured by the candidate in each course by 10% of the maximum marks for that course. And Credit Points are determined by multiplying the Grade Points in each course by the credits of that course. Both the Grade Points and Credit Points shall be computed for each course in each semester

(c) Grade Point Average (GPA) is computed and given to each candidate based on his/her semester performance. This is determined by dividing the sum of credit points earned by the student in all the courses of a semester by the total number of credits for which the candidate has taken examination in that semester

(d) Cumulative Grade Point Average (CGPA) is computed for the whole academic programme considering the aggregate of Credit Points of all these semesters earned by the student and dividing this sum by the total credits of all these semesters

(e) The CGPA obtained as above is the base for the determination of Grade and for the declaration of the result as follows.

CGPA	Result grade	Description of Result Grade
< 4.50	D	Fail
≥4.50< 5.00	C	Pass
≥5.00< 5.50	B	Second Class
≥5.50< 6.00	B^+	High Second Class
≥6.00< 6.50	A	First Class

Department of Studiesin Wildlife and Management

The Department of Studies in Wildlife and Management was started during the year 2002. The Department offers M.Sc., and Ph.D courses in Wildlife and Management. The course content is designed to cover all aspects of wildlife and management and practical orientation for wildlife conservation methods. The M.Sc., and Ph.D programme in Wildlife and Management aims to produce well- trained biologists and conservation practitioners who will retain their passion for wild places and a sense of purpose to conserve them. We provide our students a strong foundation of science that will help them design, implement and monitor a range of ecological studies and conservation projects. To develop these capabilities, our students learn about

wildlife science and conservation through a multi-disciplinary process. They are trained in fundamental ecology, project design skills and technical tools required to carry out scientific studies. As future conservationists they need to expose to the historical, social, economic, legal and political contexts that underlie the conservation process. In addition, we also teach effective communication using a variety of media, conflict resolution, and problem-solving skills, to deal with real life conservation issues. The department also inviting accomplished scientists regularly from various prestigious government and private institutions to deliver special lectures in order to encourage and motivate the students to take up research programmes. The students who have successfully completed the course have been working in various capacities in Karnataka State Forest Department, Research institutions, NGO's and Universities. During the past 18 years of existence. the Department has sucessfully completed Two major and one minor research projects funded by UGC, New Delhi. Department produced 14 Ph.Ds, 01 M.Phil and published more than 90 research papers in various refereed / peer reviewed journals. Presently 06 students are pursuing Ph.D.

Department of Studiesin Environmental Science

The Department was established during the year 1991-92 for promoting research and studies in Environmental Science. There is a huge responsibility on the environmental scientists to propose several environment friendly processes of development. Environmental Science programmes are multi-disciplinary and holistic in nature and need an in-depth knowledge on the subject. There is a wide scope at national and international levels for a career in Environmental Science. At present, the post-graduates of this department are placed in Karnataka State and Central Pollution Control Boards, Universities, Colleges, Research institutions, Industries and Environmental consultant groups.

Department of Studies in Psychology

Kuvempu University is introducing two year M.Sc. Psychology programme from the academic year 2020-21 at Kateel Ashok Pai Memorial Institute (KAPMI), Shivamogga, aCollege affiliated to the university. The course shall be offered at KAPMI. To meet the challenges of Mental Health in contemporary society there is dire necessity of providing higher education in Psychology. It is also a subject which is essential component of interdisciplinary research in social and medical sciences. Employment and research opportunities have opened up at clinics, industries, corporate sectors, counseling centers, research and educational institutions which are likely to increase manifold in the post–COVID context. The M.Sc. Psychology programme has been designed by the university to blend theoretical knowledge and practical experience. KAPMI is a unit of Manasa Trust which also provides mental health facilities to about 250 distressed individuals every day. As such students will be given firsthand experience of the application of psychology. KAPMI has experienced faculty and all required facilities to enrich learning

Coordinator: Sr. Marie Evelyn A.C.
HOD:Dr. Archana Bhat K
Faculty:

1. Dr. K.T. Shwetha
2. Ms. Vinutha C.v.
3. Ms. Anagha.S

DEPARTMENT OF PG STUDIES AND RESEARCH IN SOCIOLOGY

The Post Graduate Department of Sociology, Kuvempu University, has completed 34 years since its inception in 1988. To refiect on our march towards research and teaching in sociology for a better understanding of social processes in our small way, we are not unhappy. Within the boundaries of limited infrastuctural facilities and a relatively small faculty, the Department can engage in introspection with confidence. There have been periodic evaluation and changes in the syllabus in response to developments in the discipline. The Department has introduced the Choice Based Credit System (CBCS).

The attempts of the Department, have mainly concentrated on the application of sociological principles to our immediate surroundings through conceptual and theoretical debates- both within the classrooms and outside. With M.A., and Ph.D programms, teaching has been the first proiority although research has received due attention. The faculty has entered into dialogue, regularly and continuously, with the outsied academic world in seminars, workshops, conferences and Publications. Research, backed by valid and reliable information base, has centered on local and regional issues. Attempt was to combine the macro and the molecular. Inter-Departmental and multidisciplinary work was valued.

DEPARTMENT OF STUDIES IN PHYSICAL EDUCATION

The Department of Physical Education started in the year 2003 and has been recognized by the National Council for Teacher Education (NCTE). The objective of the courses is generating competent professional teachers with an aim to meet the challenges in the field of Physical Education and Sports. The department is well equipped with instructional and infrastructure facilities for effective curricular transactions. International standard indoor sports complex and an upcoming 400 mts. standard track are the landmarks of the department. Playing facilities for Football, Hockey, Tennis, Kabaddi, Kho-kho, Handball, etc., give room for leisure time pursuits of campus students and also aid for practical programmes of the department.

Programmes Offered: M.P.Ed.; B.P.Ed.; P. G. Diploma in Yoga and Ph.D.

Course-I : M.P.Ed – Master of Physical Education

Eligibility:

a) Bachelor of Physical Education (BPEd) or equivalent with at least 50% of marks. (45% for SC/ST and Category- I candidates)

b) The reservation in the seats and relaxation in the qualifying marks for SC/ST/OBC/PWD and other
categories shall be as per the regulations of the
State Government

c) Admission is based on the marks secured at the B.P.Ed degree examination (40% of the percentage of marks = 40 marks, Physical fitness test - 20 marks maximum and Knowledge Test (max. 40 marks).

Knowledge Test (max. 40 marks) - Marks obtained.
Knowledge Test- Applicants have to answer the objective type questions that are based on B.P.Ed common syllabus and general knowledge related to sports for 40 marks, for the knowledge test.

Physical Fitness Test: Physical fitness (20 marks) is determined on the basis of performance in the four field events (5 marks each) - (a) 100 mt. run, (b) Pull ups for men/Flexed arm hang for women, (c) 800 Mt. run for and women, and (d) Long jump.

DEPARTMENT OF PG STUDIES AND RESEARCH IN APPLIED ZOOLOGY

The Post Graduate Department of Applied Zoology was started in 1993. The Department offers P.G., Programme M.Sc., in Zoology and Ph.D., in Applied Zoology. Major thrust areas of the Department include Genetics, Biodiversity, Toxicology. M.Sc students are trained in various aspects of Zoology including Genetics, Molecular Biology, Toxicology, Biotechnology, Computational Biology, Biodiversity etc. Department has got a very good placement record of students. The faculty have completed many research projects funded by the Department of Science and Technology (DST), Department of Biotechnology (DBT), University Grants Commission (UGC), New Delhi, Vision Group on Science and Technology, ICFRE, Government of Karnataka. In addition, Department has been part of the inter-disciplinary BUILDER Project (4.5 Crores) associated with Departments of Biotechnology, Botany and Environmental Science. Department has conducted many national conferences, symposia, seminars, workshops and refresher courses.

Programmes Offered: M.Sc., and Ph.D.

DEPARTMENT OF STUDIES IN BIOTECHNOLOGY

The department was established in1999.This is a DST-FIST sponsored department. The Department has well established laboratory facilities for both academics and research in biotechnology and has a well equipped computer lab with networking and LAN facility. It has received financial support from central funding agencies viz., DBT, DST & UGC. Presently, there are 7 major projects funded by UGC, DBT, and VGST(Govt. of Karnataka).Department has very good placement record in both private as well as public sectors. The department is leading a major infra-structure inter-disciplinary BUILDER- Project worth Rs.4.5crores sanctioned by DBT-New Delhi. BUILDER-Project is in collaboration with sister department ssuc has department of Applied Botany, Applied Zoology and Environmental Science.

DEPARTMENT OF P.G STUDIES AND RESEARCH IN FOOD TECHNOLOGY

The Department of Food Technology was established in the year 2022. The department aims of promoting innovation in food sectors. M.Sc in Food Technology course content is provide to explore all aspects of Food Technology. Experimental training and theoretical knowledge will help to shape the candidate to opt for jobs in various domains such as food processing companies' soft drink manufacturing firms, restaurants, cereal and spice industries, catering establishments, Quality control organizations, Packaging Industries and other food sectors like Dairy Industries and Food Research Laboratories. Moreover, there are specialized career prospects in food manufacturing and processing companies like Amul, Coca Cola, Preftti, Nestle, Cadbury India, Dabur India, Agro Tech Foods, Britannia, ITC Limited, Hindustan unilever Limited as well as National and International research institutes.

DEPARTMENT OF STUDIES IN WILDLIFE AND MANAGEMENT

The Department of Studies in Wildlife and Management was started during the year 2002. The Department offers M.Sc., and Ph.D courses in Wildlife and Management. The course content is designed to cover all aspects of wildlife and management and practical orientation for wildlife conservation methods. The M.Sc., and Ph.D programme in Wildlife and Management aims to produce well- trained biologists and conservation practitioners who will retain their passion for wild places and a sense of purpose to conserve them. We provide our students a strong foundation of science that will help them design, implement and monitor a range of ecological studies and conservation projects. To develop these capabilities, our students learn about wildlife science and conservation through a multidisciplinary process. They are trained in fundamental ecology, project design skills and technical tools required to carry out scientific studies. As future conservationists they need to expose to the historical, social, economic, legal and political contexts that underlie the conservation process. In addition, we also teach effective communication using a variety of media, conflict resolution, and problem-solving skills, to deal with real life conservation issues. The department also inviting accomplished scientists regularly from various prestigious government and private institutions to deliver special lectures in order to encourage and motivate the students to take up research programmes. The students who have successfully completed the course have been working in various capacities in Karnataka State Forest Department, Research institutions, NGO's and Universities. During the past 20 years of existence. the Department has sucessfully completed Two major and one minor research projects funded by UGC, New Delhi. Department produced 17 Ph.Ds, 01 M.Phil and published more than 95 research papers in various refereed / peer reviewed journals. Presently 08 students are pursuing Ph.D.

DEPARTMENT OF STUDIES AND RESEARCH IN PSYCHOLOGY

Kuvempu University runs a two year M.Sc. Psychology programme at Kateel Ashok Pai Memorial College (KAPMC), Shivamogga, a College affiliated to the university. The course has been offered at KAPMC since 2020. To meet the challenges of Mental Health in contemporary society there is a dire necessity of providing higher education in Psychology. It is also a subject which is an essential component of interdisciplinary research in social and medical sciences. Employment and research opportunities have opened up at clinics, industries, corporate sectors, counseling centers, research and educational institutions which are likely to increase manifold in the post–COVID context. The M.Sc. Psychology programme has been designed by the university to blend theoretical knowledge and practical experience. KAPMC is a unit of Manasa Trust which also provides mental health facilities to about 250 distressed individuals every day. As such students will be given firsthand experience of the application of psychology. KAPMC has experienced faculty and all required facilities to enrich learning

Coordinator: Sr. Marie Evelyn A.C.
HOD: Dr. ArchanaBhat K
Faculty:

1. Dr. K .T. Shwetha
2. Mrs. (Dr). Sridevi R G
3. Mr. Vinay R
4. Ms. Inchara S
5. Ms. Hani Kuruvari

Programme offered: M.Sc. Psychology

Eligibility: Candidates who have passed the bachelor degree examination with psychology as an optional subject for 3 years of study can apply. They should have obtained a minimum of 50% in the aggregate marks in the
subject of psychology at the bachelor's degree examination in case of general merit category and 45% in case of SC/ST candidates. Admissions shall be made on the basis of 50% of marks obtained by the candidate in the written test and 50% of marks obtained in the aggregate of the optional subjects. The specialisationsinclude:

1. Child Psychology
2. Clinical Psychology
3. Industrial and Corporate psychology

Entrance Test: The written entrance test consists of 100 objective type questions, answered in 100 min. duration, for a maximum of 100 marks. Questions will be aimed at testing the aptitude of the candidate as well as familiarity with the relevant subject. Entrance test shall be held at KAPMC on the notified date.

Please note: The M.Sc. Psychology programme is a bonafide course of the university and admissions shall be made at the university.

MSc PSYCHOLOGY
Course structure

First Semester

Hard core
H.C.1.1. Cognitive Psychology
H.C.1.2. Theories of Learning, Motivation and Emotions
H.C.1.3. Research Methods
H.C.1.4. Psychological Testing and statistics
H.C.1.5. Psychological Assessments : Cognition, Learning, Motivation and Emotion and Career Guidance training (Practicals)
H.C.1.6. Computer Applications in Psychology (Practicals)

Second semester

Hard core
H.C.2.1. Bio Psychology
H.C.2.2. Theories of Personality
H.C.2.3. Positive Psychology
H.C.2.4. Assessments in Personality and Positive Psychology and Life Skills training (Practicals)
H.C.2.5. Project: Psychometric tool development
OE: Basic Psychological Processes

From Third semester students have option to choose one of the groups and they will continue to study courses under the group till fourth semester.

Third Semester

Hard core
H.C.3.1. Foundations of Counselling
H.C.3.2. Psychotherapy
Soft Core (Child Psychology Specialisation)
S.C.3.1.1. Child Psychopathology
S.C.3.1.2.Child Case History; Mental Status Examination; Verbatim and Behaviour Analysis;

Micro Skills of Counselling (Practicals)
S.C.3.1.3. Assessments for Children and Adolescents (Practicals)
Soft Core (Clinical Psychology Specialisation)
S.C.3.2.1. Psychopathology-I
S.C.3.2.2.Adult Case History and Counselling Skills (Practicals)
S.C.3.2.3.Clinical Psycho-diagnostics(Practicals)
Soft Core (Industrial and Corporate Psychology Specialisation)
S.C.3.3.1. OrganisationalBehaviour -Micro Perspective
S.C.3.3.2.OrganisationalBehaviour - Macro Perspective
S.C.3.3.3.Assessments in Organisations(Practicals)

Open Elective
OE: Psychology and Stress Management

Fourth Semester

Hard core
H.C.4.1. Counselling for different groups
H.C.4.2. Community and Psychology
H.C.4.3. Internship
H.C.4.4. Dissertation
Soft Core (Child Psychology Specialisation)
S.C.4.1.1. Child intervention procedures
S.C.4.1.2.School and Educational Psychology
Soft Core (Clinical Psychology Specialisation)
S.C.4.2.1. Psychopathology-II
S.C.4.2.2.Health Psychology
Soft Core (Industrial and Corporate Psychology Specialisation)
S.C.4.3.1. Human Resource Management
S.C.4.3.2.Corporate Culture and Diversity

DEPARTMENT OF STUDIES IN BIOCHEMISTRY

The Department of Biochemistry was established in the year 2005. The M.Sc. course content is designed to cover all aspects of biochemistry and practical orientation for biochemical methods. The exhaustive practical training and sound theoretical knowledge being provided here is intended to make the student an appropriate candidate for not only to take up teaching or pursuing doctoral research but also competent enough to work in pharmaceutical R&D, diagnostic labs, medical, agricultural research institutions and various allied industries. The department also invites accomplished national and international scientists form various prestigious institutions to deliver special lectures in order to encourage and motivate the students to take up research.

Programmes Offered : M.Sc., Ph.D and PG Diploma in Industrial Bioanalytical Techniques.

2. Dr. A.N. Rajeshwara Professor

3. Dr. G.J. Sathisha Professor

4. Dr. S.E. Neelagund Professor

Course : M.Sc- Biochemistry

Eligibility : B.Sc degree with biochemistry or chemistry with any biological sciences subject. PCM candidates are also eligible to apply. An additional 2% weightage (of the total biochemistry marks secured from all three years) will be awarded to candidates who have studied biochemistry at the undergraduate level.

Course structure

FIRST SEMESTER

BC 1.1: **PAPER I** - Analytical Biochemistry (HARD CORE)
BC 1.2: **PAPER II** - Biomolecules (HARD CORE)
BC 1.3: **PAPER III** - Cell Biology and General Microbiology (SOFT CORE)
BC 1.4: **PAPER IV** - Fundamentals of Biochemistry (SOFT CORE)
BC 1.5: **PRACTICAL I** - Analytical Biochemistry
BC 1.6: **PRACTICAL II** - Biomolecules
BC 1.7: **PRACTICAL III** - Cell Biology and General Microbiology

SECOND SEMESTER

BC 2.1: **PAPER V** - Enzymology **(HARD CORE)**
BC 2.2: **PAPER VI** - Metabolism of Fuel Molecules and Bioenergitics **(HARDCORE)**
BC 2.3: **PAPER VII** - Human Physiology and Nutritional Biochemistry **(SOFT CORE)**
BC 2.4: **PAPER VIII** - Enzyme Purification Techniques **(ELECTIVE)**
BC 2.5: **PRACTICAL IV** - Enzymology
BC 2.6: **PRACTICAL V** - Metabolism of Fuel Molecules and Bioenergitics
BC 2.7: **PRACTICAL VI** - Human Physiology and Nutritional Biochemistry

THIRD SEMESTER

BC 3.1: **PAPER IX** - Molecular Immunology and Clinical Biochemistry (HARD CORE)
BC 3.2: **PAPER X** - Biochemical Genetics and Molecular Biology (HARD CORE)
BC 3.3: **PAPER XI** - Metabolism of Nitrogenous Compounds With Clinical Correlations (SOFT CORE)
BC 3.4: **PAPER XII** - Clinical Biochemistry **(ELECTIVE)**
BC 3.5: **PRACTICAL VII** - Molecular Immunology and Clinical Biochemistry
BC 3.6: **PRACTICAL VIII** -- Biochemical Genetics and Molecular Biology
BC 3.7: **PRACTICAL IX** - Metabolism of Nitrogenous Compounds With Clinical Correlations

FOURTH SEMESTER

BC 4.1: **PAPER XIII** - Cell Signalling **(HARD CORE)**
BC 4.2: **PAPER XIV** - Genetic Engineering and Industrial Biotechnology **(HARD CORE)**
BC 4.3: **PAPER XV** - Biostatistics, Bioinformatics & Nano Biotechnology **(SOFT CORE)**
BC 4.4: **PAPER XVI**- Project Work / Dissertation **(HARD CORE)**
BC 4.5: **PRACTICAL X** - Cell Signalling
BC 4.6: **PRACTICAL XI** - Genetic Engineering and Industrial Biotechnology

Course : P.G. Diploma in Industrial Bio-analytical Techniques (one year add on programme)
Eligibility: Any post-Graduate in Life sciences/ Chemical Sciences and Bachelor's or Master degree in pharmacy/Dental/Medical/Agricultural/Veterinary with at least 55% marks.

Course Structure

1. Fundamentals of Chemistry and polymers
2. Biomolecules and Bioanalytical Techniques
3. Spectroscopic Thechniques
4. Bioinformatics, Bioethics and Genetic Engineering Practicals

DEPARTMENT OF STUDIES IN CHEMISTRY

The department was established in the year 1992. The department is actively involved in teaching, research and extension progammes. Thrust areas of research includes bio-organic chemistry, synthetic organic chemistry, natural products chemistry, electrochemistry, metal finishing, nanomaterials, and dyes and pigments. All the faculty members have been awarded with major research projects from various funding agencies. The department is active in various academic activities like conducting seminars, symposium and conferences. The department also conducts placements programmes for the students. Department is funded by DST-FIST and UGC-SAP program for the infrastructure development.

DEPARTMENT OF STUDIES IN INDUSTRIAL CHEMISTRY

The Department of Post Graduate Studies and Research in Industrial chemistry was established by the University Mysore in 1973. The Department has been harnessing precious human resources for the overall development of society through the pursuit for excellence in the area of chemical sciences. Besides its primary activities of academics, teaching and research, the Department has been interacting with industrialist and established a mutually beneficial relationship with the nearby industries. In this direction, the department has initiated several programmes such has the taking Industries sponsored projects involving testing and analysis of raw materials and products, encouraging students to take up project related to their studies to acquire work experience, inviting executives and technical staff of the Industries as guest faculty.

As a part of University Institution interaction the Student are acquiring higher level of training at BARC, IISc, NAL, IIT,etc . The Staff members are actively involved in cutting-edge research activities in collaboration with Institutes and some Foreign universities in the field of Chemicals Scineces and have received fund worth of 7.2 crore from various funding agencies like DST, Nano Mission, UGC and NRB, New Delhi and BRNS Mumbai, The Department has produced 121 Ph.Ds and 10 M.Phil degrees, and Published 648 Research Papers Peer reviewed National and International Journals. The Department has links with many Industrial Organization as a result of which, every year , many students pursuing the training at advanced Laboratories of ISO Certified Industries. In the Campus Selection Programme, more than 65% students are obtained placements in reputed organizations. The staff members are involved in consultancy services with Mysore Paper Mills Ltd., Bhadravathi, Few M.Sc. and P.G.Doploma Students of the Deparment work in MPM. on hourly basis while they are studying under "earn while learn" Scheme of the Department.

Programmes Offered: M.Sc., Ph.D, and P.G.D.in Industrial Chemical Quality Control.

Course: P.G. DIPLOMA IN INDUSTRIAL CHEMICAL QUALITY CONTROL
(One year add-on programme)

Eligibility: B.Sc. with Chemistry as subject at least PUC level

Course Structure:

PGD 1.1. Statistical Quality Control
PGD 1.2. Analitical Techniques in Quality Control
PGD 1.3. Chemistry of Qualitative and Quantitative Analysis
PGD 1.4. Industrial Applications of organic reactions in Quality Control
PGD 1.5. Technical Analysis I Practicals
PGD 1.6. Technical Analysis II Practicals

DEPARTMENT OF STUDIES IN PHARMACEUTICAL CHEMISTRY (P.G. CENTRE, KADUR)

The Department of Pharmaceutical Chemistry was established in2007. The course is designed to provide trained and skilled man power for ever growing Pharmaceutical Chemistry in India. The department has experienced and reputed faculty member with international recognition. So far, the members of the faculty have produced Ph.Ds and published research papers in national and international journals of repute and have two patents to their credit. The faculty members have two visited England and Italy for their post-doctoral research and for presentation of their research papers. The department strongly encourages M.Sc., students to get actively involved in research activities and helps to get high lucrative scientific job opportunities.

Programmes Offered: M.Sc., Ph.D.

Ph.D., M.Sc., from recognised university, with Pharmaceutical Chemistry/Industrial Chemistry/Chemistry as subjects or M. Pharm. from recognised University.

DEPARTMENT OF STUDIES IN APPLIED GEOLOGY

The Department of PG Studies and Research in Applied Geology offering to Separate innovative and Multidisciplinary M.Sc. and Ph.D courses in Earth Science and Resources Management (UGC- Innovative Programme) and M.Sc. in Geoinformatics. The Department is recognised by UGC as a nodal centre for Earth Science and Resource Management Studies. The department is highly equipped, sophisticated laboratories established from the funds received from UGC under innovative and SAP – DRS-I, II and III and also by department of Science and Technology (DST) under FIST program.

Programmed Offered:M.Sc ESRM, M.Sc. Geoinformatics and Ph.D.

Faculty: Dr. Govindaraju, Professor and Chairman,
Office:08282-27598
Mob: 9880123156

Dr. Syed Ashfaq Ahmed, Professor,
Mob:9845142267

Course: M.Sc. – Earth Science and Resource Management (ESRM)

The Program is unique in it's approach designed and developed with innovative concept by integrating Geology and Information science for assessment, evaluation and management of Earth Resources or sustainable development. The course content is developed to train Geoscientists in obtaining comprehensive knowledge of geology / Earth Science its tools and techniques along with spatial information and science technology skills. First Students who have successfully completed the degree in ESRM so for have got excellent placement in central / state government departments, Publics and Private sector organisations including multinational companies.

Eligibility: A bachelors Degree in Science, Bachelors Degree with Geography at UG level, Engineering (Civil, Environmental, Mining, Geotechnical, Geoinformatics), B.Sc.(Agricultural, Forestry, Horticulture, Soil Science) from any Indian University or Equal and Qualification recognised by Kuvempu University. Eligibility for Foreign students will be in accordance with the university regulations. The General admission criteria are based on Kuvempu University Guidelines.

Course Structure:

First Semester:

Hard Core Papers Theory:

H.C 1.1 : Crystallography, Mineralogy and Thermodynamics
H.C.1.2 : Physical Geology and Oceanography
H.C.1.3 : Geoinformatics

Hard Core Papers Practical:

HCP1.1: Crystallography, Mineralogy and Thermodynamics
HCP1.2: Physical Geology and Oceanography
HCP1.3: Geoinformatics

Soft Core Paper Theory:

SC1.1: Earth and Atmospheric science.

Soft Core Paper Practical:

SCP 1.1: Earth and Atmospheric science.

Second Semester:

Hard Core Papers Theory:

H.C 2.1 : Petrology and Geochemistry
H.C.2.2 : Hydrogeology and Structural Geology
H.C.2.3 : Palaeontology, Indian Stratigraphy, Geology of Karnataka

Hard Core Papers Practical:

H.C.P 2.1 : Petrology and Geochemistry
H.C.P 2.2 : Hydrogeology and Structural Geology
H.C.P 2.3 : Palaeontology, Indian Stratigraphy, Geology of Karnataka

Soft Core Paper Theory:

S.C 2.1: Digital image processing and GIS Data Analysis

Soft Core Paper Practical:

S.C.P 2.1: Digital image processing and GIS Data Analysis.
Inter Departmental Elective Paper.
Internship (Student's Undergone Internship Training at Industries/ Institutions Laboratories
of Geological Importance)

Third Semester:
Hard Core Papers Theory:

H.C 3.1 : Economic and Engineering Geology
H.C.3.2 : Exploration Geology - Geological, Geochemical and Geophysical
H.C 3.3 : Fuel Geology and Disaster Management

Hard Core Papers Practical:

H.C.P 3.1 : Ore reserve estimation and Engineering Geology
H.C.P 3.2 : Exploration Geology - Geological, Geochemical and Geophysical
H.C.P 3.3 : Disaster Management

Soft Core Paper Theory:

SC3.1: Mineral and Water Resources Management

Soft Core Paper Practical:

S.C.P 3.1: Hydro Geochemistry and Geochemical Data Interpretation.
S.C.F.W: Field Camp.
Inter Departmental Elective Paper.

Fourth Semester:

PW4.1**: Project Work**
PV 4.2**: Project Viva**

Elective Papers

Even Semester:

AGE 201 : Water Resources
AGE 202 : Geoinformatics

Odd Semester:

AGE 301 : Natural Disaster Management
AGE 302 : The World of Rocks and Minerals

Course: M.Sc. in Remote Sensing Applications

Remote Sensing Applications programme is specially developed and conceptualized to provide training in the field of spatial information science and technology one of the upcoming field of IT. The graduates and professionals who get training in this application oriented programme can effectively utilize the technology in various fields such as Agriculture, Forestry, Wildlife, Infrastructure planning, Disaster Management and Natural Resource Management.

Eligibility: A Bachelors Degree in Science, Bachelors Degree with Geography at UG level, Engineering (Civil, Environmental, Mining, Geotechnical, Geoinformatics), B.Sc. (Agriculture, Forestry, Horticulture, Soil Science) from any Indian University or Equal and qualification recognised by Kuvempu University. Eligibility for Foreign Students will be in accordance with the University regulations. The General admission criteria are based on Kuvempu University Guidelines.

Course Structure:
First Semester:
Hard Core Papers Theory:
H.C 1.1 : Earth Science-I
H.C.1.2 : Principles of Geoinformatics
H.C.1.3: Hydrogeology and Structural Geology

Hard Core Papers Practical:
HCP1.1: Mineralogy and Geochemistry
HCP1.2: Geoinformatics
HCP1.3: Hydrogeology and Structural Geology

Soft Core Paper Theory:
SC1.1: Web Programming, Java, C, Python

Soft Core Paper Practical:
SCP 1.1: Web Programming, Java, C, Python

Second Semester:

Hard Core Papers Theory:

H.C 2.1 : Earth Science-II
H.C.2.2 : Geomorphology, Palaeontology, Indian Stratigraphy, Geology of Karnataka
H.C.2.3 : Digital Image Processing

Hard Core Papers Practical:

H.C.P 2.1 : Petrology
H.C.P 2.2 : Palaeontology and Surveying
H.C.P 2.3 : Digital Image Processing

Soft Core Paper Theory:
S.C 2.1: Spatial Modelling and Analysis.

Soft Core Paper Practical:
S.C.P 2.1: Spatial Modelling and Analysis
Inter Departmental Elective

DEPARTMENT OF STUDIES AND RESEARCH IN ENVIRONMENTAL SCIENCE

The Department was established during the year 1991-92 for promoting research and studies in Environmental science. There is a huge responsibility on the environmental scientists to propose several environment friendly processes of development. Environmental Science programmes are multi-disciplinary and holistic in nature and they need an in-depth knowledge on the subject. There is a wide scope at national and international levels to make a career in Environmental Science. At present, the post-graduates of this Department are placed in Karnataka State and Central Pollution Control Boards, Universities, Colleges, research institutions, Industries and Environmental consultant groups.

Programmes Offered : M.Sc. and Ph.D.

DEPARTMENT OF P.G. STUDIES AND RESEARCH IN COMPUTER SCIENCE AND M.C.A

The Department offers two Post-Graduate Courses Viz Master of Computer Applications (M.C.A) and M.Sc.(Computer Science). MCA programme was started in the year 2000 and M.Sc. Computer Science. programme was started in the year 2023. the Department has well equipped laboratories with 60 Desktop Computers with higher end configuration. The Department invite resource persons from reputed multinational companies (MNC's),universities and R&D institutions, The Department organizes seminars, conferences, and workshops, which for mutual benefits. The Department has provided opportunities for the fullest possible development of potential for all students who are from diverse backgrounds.

Alumni of the Department are well placed in Software Industries, Academic and research institutions and few as entrepreneurs. Alumni's regularly visit the Department and platform is being provided to the students to interact with them. The Department is actively engaged in Research in the areas of Image Processing, Pattern Recognition, Artificial Intelligence, Machine Leaning, Deep Learning and Data Mining. The Faculty members has Completed many research projects sponsored by AICTE and UGC.

Programmes Offered: MCA, M.Sc and Ph.D

Faculty

3. Dr. Ravi Kumar M. Professor
4. Dr. Suresha M. Associate Professor

Course: MCA (Master of Computer Applications)

(2-year, 4-semester)

Eligibility: Any bachelor degree (BCA/B.Sc/ B.Com/ BA) of this university or any other recognized university with Computer Science / Mathematics as one of the subjects at 10+2 level subject to the minimum prescribed in the admission regulations of the University. The admission to MCA programme is done through PGCET conducted by Karnataka Examination Authority (KEA), Bangalore.

Course Structure

First Semester

HC1.1. Computer Organization and Architecture
HC1.2. Operating System
HC1.3. Applied Mathematics
SC1.4. C Programming
SC 1.5. Database Management Systems
Lab: 1.6 C Programming Lab
1.7 DBMS Lab

Second Semester

HC2.1. Computer Networks
HC2.2. Theory OF Computation
HC2.3. Data Structures
SC2.4. Java Programming
SC2.5. Software Engineering
Lab: 2.6 Data Structures Lab
2.7 Java Programming
Elective:2.1 Information and Communication Technology (ICT)

Third Semester

HC3.1. Analysis and Design of Algorithms
HC3.2. Computer Graphics
HC3.3. Digital Image Processing
SC3.4. Web Programming
SC3.5. Data Science
Lab: 3.6 Algorithms Lab
3.7 Computer Graphics Lab
Elective: 3.8: Cyber Security

Fourth Semester

SC4.1 Artificial Intelligence
SC4.2.PHP Programming
SC4.3 Dot Net Programming
SC4.4 Python Programming
SC4.5 Project Work

Course: M.Sc. in Computer Science

Eligibility: B.Sc (Computer Science / Information Science/ Information Technology) or BCA degree of this University or any other UGC recognized university subject to the minimum prescribed in the admission regulations of the university.

Course Structure

First Semester

HC 1.1 Computer Architecture
HC 1.2 Data Structures
HC1.3 JAVA Programming
SC 1.4 Data Communications
SC1.5 Applied Mathematics
Lab: 1.6 Data Structures using Lab
1.7 JAVA Programming Lab

Second Semester

HC 2.1 Computer Networks
HC 2.2 Analysis and Design of Algorithms
HC 2.3 Computer Graphics
SC 2.4 Theory of Computation
SC 2.5 Digital Image Processing
Lab : 2.6 Algorithms Lab
2.7 Image Processing Lab

Elective: 2.8: Problem Solving using C

Third Semester

HC3.1. Wireless Communications

DEPARTMENT OF STUDIES IN ELECTRONICS

The Department was established in the year 2003 with the objective of generating competent professionals to meet the challenges in the field of Electronics. The Department has dedicated staff and well-equipped laboratories viz. Analog Electronics, Digital Electronics, C++, Microcontrollers, Digital Signal/ Image Processing, Advanced Communication, Computer Communication Networks and VHDL. The Department is actively involved in teaching, research & extension programmes. Thrust areas of research include, Digital Signal & Image Processing, Antenna theory & design and Microcontrollers. Department provides placement assistance for students in various leading industries**.**

Programmers Offered: M.Sc and Ph.D

FACULTY:

1. Dr. B. N. Jagadale
   Associate Professor and Chairman
   Mobile: 9886419329
   Email: basujagadale@gmail.com

2. Dr. Madhuri. G. R
   Assistant Professor

COURSES: M Sc. Electronics

Eligibility: B.Sc. Degree from Kuvempu University or any other recognized University with Electronics or Physics as an optional subject, i.e. Students withPME(Physics,Maths,Electronics) or PCM (Physics, Chemistry, Maths) or EMCS (Electronics, Maths, Computer Science) Combinations are eligible to apply. 5% weightage is given to Students who have studied Electronics as one optional Subject.

Course Structure:

First Semester

HC1.1 Programming C++
HC1.2 Microwave Devices & Antennas
HC1.3 Pic & Arm Microcontroller
HC1.4 Signals and Systems Practicals
Practical based on above papers

Second Semester

HC2.1 Control systems
HC2.2 Digital design using verilog
HC2.3 Digital Signal Processing
SC2.4.1 Power Electronics
SC2.4.2 Wireless Communication & Satellite Communication
Practical based on above HC papers
Elective: 2.5 Basic Electronics

Third Semester

HC-3.1 Advanced Digital Communication
HC-3.2 Advanced Computer Networks
HC-3.3 Image Processing
SC3.4.1 Information theory & coding
SC3.4.2 Multimedia
Practical based on above HC papers
Elective: 3.5 Fundamental of Digital Electronics
ELP-3.9 Industrial training/visit

Forth Semester
HC4.1 VLSI Design
HC-4.2 Machine Learning
HC4.3 Embedded systems
SC-4.4 Pattern Recognition
Practical based on above HC papers
ELP-4.7 Project Work

Department of Studies and Research in Library and Information Science

The Department of Library and Information Science has been established in December 1993. The course is designed to suit to the changing needs of modern society. Greater emphasis has been laid in the curricula on IT oriented areas and practical aspects. To facilitate this, the department is equipped with necessary classrooms, furniture and equipment. It has an independent computer lab with 20 systems and internet facility. Many students have been placed in central/state government departments, public/ private enterprises, higher education institutions, R&D organizations and corporate sector. The department is active in teaching, training, research and consultancy activities. The department has organized many national level seminars, conferences, workshops and UGC sponsored Refresher Courses in Library and Information Science.

Programmes Offered: M.L.I.Sc and Ph.D

Faculty

1. Dr. P. Dharani Kumar.	Professor and Chairman Phone: 08282-257319 Extn: 283 Mobile: 9741501214 e-mail: dr.dharanikumarp@gmail.com
2. Dr. S. Padmamma	Professor
3. Dr. K.T. Santhosh Kumar	Professor

Course: M.L.I.Sc – Master of Library and Information Science.

Eligibility: B.A/B.Sc/B.Com/B.S.W/B.C.A/B.B.M/B.B.A. etc., from any recognized university or any other qualification considered equivalent to it, subject to the minimum prescribed in the admission regulations. Total marks obtained by the candidate (aggregate of three years) shall be considered.

Course Structure

First Semester

HC1.1. Foundation of Library and Information Science
HC1.2. Information Sources and Services
HC1.3. Library Classification - (Theory)
HC1.4. Basics of Computer - (Theory)

Practicals

1.5 Information Sources
1.6 Library Classification (Practical - I)
1.7 Basics of Computer (Practical)

Second Semester

HC2.1. Information Society and Literacy
HC2.2. Management of Hybrid and Digital Libraries
HC2.3. Library Cataloguing - (Theory)
SC2.4. Library Automation - (Theory)

Elective

2.5 Information Literacy

Practicals

2.6 Library Cataloguing - (Practical)
2.7 Library Automation - (Practical)

Third Semester
HC3.1. Research Methodology
HC3.2. Information Systems and Services
HC3.3. Indexing System - (Theory)
SC3.4. Information and Communication Technology - (Theory) - I
Elective
3.5 Information Sources on Social Sciences and Science and Technology
Practicals
3.6 Information Processing and Retrieval (Practical) - I
3.7 Information and Communication Technology - (Practical) - I

Fourth Semester
HC4.1. Information and Communication Technology - (Theory - II)
HC4.2. Digital Libraries
HC4.3. Optional (any one of the following)
a. Public Library Systems and Services
b. Academic Library Systems and Services
c. Health Science Library System and Services
4.4 **Project Work**
Practicals
4.5 Library Classification - (Practical) - II
4.6 Information and Communication Technology - (Practical) - II

Internship: Each candidate shall compulsorily under go one-month's Internship in a reputed library attached to the institutions of higher learning or R & D Institution as part of IV Semester. The internship shall be undertaken immediately after the completion of IV Semester Examination (Theory and Practical).

DEPARTMENT OF P.G. STUDIES AND RESEARCH IN MATHEMATICS:

The department of Mathematics started in the year 1975 as a part of University of Mysore. Later in 1987, it became an integral part of Kuvempu University. The department is harnessing precious human resources for the overall development of the society through the pursuit for excellence in the area of Mathematical Sciences. The department is actively involved in teaching and research. The department is recognized as a centre of research in the fields of Differential Geometry and Fluid Mechanics. The department is admired by many Universities for its quality teaching and research. Apart from conventional teaching methods, the department is also teaching students using advanced ICT tools. The department is regularly conducting orientation classes, special lectures, NET-SLET Coaching and remedial classes for the academic benefit of the students. The Department has a financial support from DST under FIST programme from 2019 to 2024

Further the department is regularly conducting International /National conferences, Seminars and workshops for the benefit of students and researchers. The departments has a Mathematical Society, established in the year 2008, which helps students in getting placements, providing facilities for research activities and to generate funds for economically weaker and meritorious students to purchase books. The department also trains each student in Computer skills and Mathematical Software.

As a part of University -industry interaction, research organizations like TIFR, IISC, IIT's selecting/ considering our department as a centre to conduct seminars, conferences, workshops and symposium's. It helps our students to interact with many renowned Mathematicians, Scientists and Industrialists. The department has awarded 98 Ph.D's and 23 M.Phil degrees and published more. than 600 research articles in the reputed National /International journals. Currently 30 students are working in the department for their Ph.D degree.

DEPARTMENT OF P.G. STUDIES AND RESEARCH IN PHYSICS

The Department has been established in the year 1991. The Department offers specialization in Condensed Matter Physics and Nuclear physics. The Department has well equipped laboratories, adequate no. of class rooms, computer lab and departmental library. Several national seminars, symposiums, workshops and special lectures are regularly being organized in the Department for providing proper exposure to students. The course content is designed so as to enable students to get placements in various multidisciplinary sectors. Several students have cleared their KSET/NET examinations and are appointed as teachers in undergraduate colleges/universities. Many have pursued studies towards their doctoral degree in reputed institutions/universities and have got good placements.

POST - GRADUATE CENTRE, KADUR

To provide higher education to rural youth, Kuvempu University established a Post-Graduate Centre at Kadur. It is located in an area of about 65acres of land on Shivamogga-Bengaluru highway and 7 kms away from Kadur town. Kadur is well connected by road and train.

The campus has newly constructed academic building with adequate lecture halls, hostels (for both boys and girls), library and laboratory facilities. The courses offered here are in great demand as they open new job opportunities. The emphasis here has always been for teaching, research and extension activities. Few details about the courses offered and others are provided below.

INTERNATIONAL STUDENTS' CELL

The Students' Supportive Service Centre was established in 2018. The International Students' Cell is a part of this centre. The aim of this centre is to promote global perspective in the teaching, research and outreach programs of the University. The centre works in close collaboration with the Post-Graduate Departments, affiliated Colleges and also other Academic and Research Institutions of Kuvempu University. Kuvempu University has envisioned the International Students' Cell as a **Single Window** that would co-ordinate foreign students.

Prof. Syed Ashfaq Ahmed, Director
e-mail : ashfaqsa@hotmail.com
Office : kusssc@gmail.com
Phone (Office) : 08282 – 256176

The Kuvempu University has emerged as a University acclaimed educational hub and its foreign students' strength has been rising year by year. The University's academic image an ambience that is perfect to the reckoning for the pursuit of knowledge. Students from various Asian and African countries such as Yemen, Sri Lanka, South Korea, Kenya, Nigeria, Somalia and Eretria have been the alumni of this university since more than a decade.

The International Students' Cell assists the foreign students in eligibility assessment, admission, obtaining Study/ Research Visa and residential permit. It establishes linkages with Institutions, help freshers to connect with fellow citizens. The International Students Cell also disseminates information on study abroad opportunities and avenues for academic collaborations to faculty and students of various University Departments and Colleges. The International Students' Cell functions as a liaison between the foreign students, Academic Institutions, Faculty, University Offices, Diplomatic Missions, State/ Central Government Departments, Police/ Intelligence and other legal agencies. The Cell maintains the data base of foreign students studying in the university.

The University provides Hostel, Health and Library facilities to all the students with in the campus.

International Students' Cell organises the following activities for the benefit of foreign students:

- Functional English training course for non-English medium foreign students after admission.
- Awareness programme about law of the land, in association with Police Department.
- Sports and Cultural Programmes.

The admission process starts during June every year. Foreign students seeking admission for Undergraduate / Post-Graduate courses may contact the International Student's Cell during the months of April and May every year. The details of academic courses and other information are provided in the University's website.

STUDENTS' SUPPORTIVE SERVICE CENTRE
INTERNATIONAL STUDENTS' CELL

Admission Procedure :

The foreign students those who want to seek admission in the University PG Departments/ Constituent Colleges / Affiliated Colleges for UG/ PG/ Ph.D/ Post Doctoral/ Diploma and Certificate Courses have to download the 'Eligibility Assessment' and 'Admission Application Form' from University website.(www.kuvempu.ac.in) The filled Forms should be submitted along with copies of supporting documents (as listed in the Forms) to the International Students' Cell. A prescribed Fee (as shown in Table) should be paid for the eligibility assessment.

The Minimum qualifications for different programmes of the Kuvempu University are as follows:

Under-Graduate (UG) Courses : Pass in 10 + 2 level course (equivalent to 12 years of schooling)

UG Diploma Courses : Pass in 10+2 level course.

UG Certificate Courses : Pass in 10th (X).

Post-Graduate (PG) Courses : Pass in 3 or 4 years Undergraduate Programme of a recognized University and must have secured minimum percentage as prescribed in admission regulations.

Post-Graduate Diploma : Pass in 3 or 4 years Undergraduate programme offered of a recognized University.

Ph.D : Pass in two Years Master Degree in the qualifying subject or an allied subject where inter-disciplinary research is permitted. A candidate must have minimum of 55% in the Post Graduation.

Post-Doctoral : Candidate must have Ph.D in subject concerned.

Note: 1) The foreign degrees must be recognised by the Competent Authority of their own country. The University lays down additional qualifications periodically as per admission regulations.

2) The foreign students must possess Study Visa for UG / PG / Diploma / Certificate Course and Research Visa for Ph.D / Post Doctoral Programmes. Visa regulations do not permit tourist / X Visa to pursue any academic programmes.

The following documents must be enclosed with 'Eligibility Assessment Application Form'. Eligibility assessment and Eligibility Certificates are not required for Kuvempu University degrees.

- Duly filled Eligibility Assessment Form.
- Copy of the passport.
- Copy of the marks cards, Degree Certificates. If the marks obtained are not mentioned in the form of percentage then grade Conversion table must be enclosed.
- Recent Passport size photographs (02 copies)
- The foreign students must have to pay fees in State Bank of India (SBI), Jnanasahyadri Branch (A/C No. 54023036291, IFSC Code SBIN0040759). Payment details should be mentioned in the 'Eligibility Assessment' and 'Admission Form'. The original receipt should be enclosed.

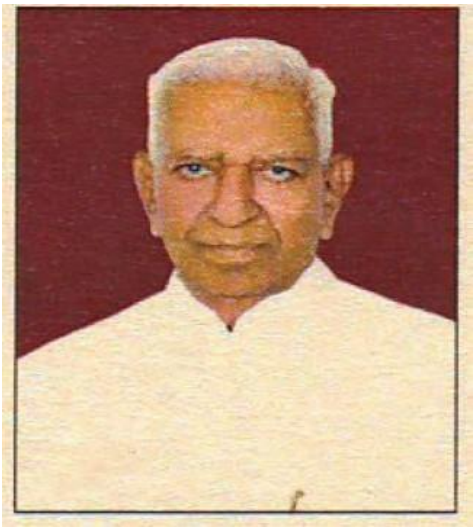
Government of Karnataka



His Excellency

Shri Vajubhai Rudabhai Vala

Hon’ble Governor of Karnataka and Chancellor of the University

Sri B.S. Yediyurappa
Hon’ble Chief Minister of Karnataka

Dr. Ashwath Narayan C.N.
Hon'ble Minister for Higher Education and Pro-Chancellor of the University

Vice-Chancellor's Message

Dear Students,

Kuvempu University has grown in might and fame over the last few years in the noble task of learning, teaching, creating and extending knowledge. The awards and accolades—like the 'A' grade by NAAC, or the 73rd best University in the country by NIRF for the year 2020—that have been award to this University are new feathers to our cap of achievements.

The challenge before us is to help develop the nation by generating well informed and skilled human resources to work in the fields where they will be valued for their knowledge, expertise, specialized skills, leadership, entrepreneurship and innovation. . I am proud to say that the University has embarked upon this great task of creating luminaries that shine our lives for a long long time to come.

I am proud to let you know that learning at Kuvempu University is a unique experience. The lush green campus of 230 acres, serene environment, pleasant climate, zero pollution away from the hustle-bustle of city life, thick natural forest make this University one of the most appealing institutions in the country; a favorite academic destination for students, national and international. State of the art facilities, competent and up-to-date syllabi, efficient faculty, industry exposure, practical and skill oriented teaching with a vibrant philosophical base equip our students with the necessary knowledge and skills that make them come out successful with flying colours.

It is said that a nation is built in its class rooms. Students of today are citizens of tomorrow and architects of India's glorious future. Our future depends on the wise choices we make at critical moments in our life. I hope your endeavor to seek higher education in the relevant area of your study at Kuvempu University will bring you a rewarding and memorable experience and make you a multi-skilled individual prepared to take up the challenges of the contemporary society and world.

I welcome you to this garden of knowledge to bloom and shine.

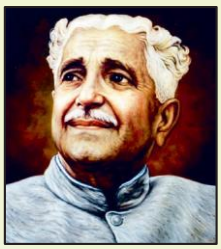
About the University

Kuvempu University



Kuvempu University is an affiliating University established by State Government of Karnataka in 1987, and recognized by UGC under 2(f) and 12(b). The jurisdiction of the university spreads over the districts of Shivamogga and Chikkamagaluru.

The University has been named after great Kannada writer **Shri KUVEMPU** and has achieved a distinctive academic profile and a cultural identity of its own. Kuvempu University is a confluence of the local and the global; of the regional and the pan-Indian; of the sustenance provided by tradition and the dynamism provided by modernity; of a deep sense of commitment to the socially and culturally disadvantaged and an equally deep commitment to excellence.

Kuvempu University has been ranked 78th in the prestigious National Institutional Ranking Framework (NIRF) of Ministry of Human Resource Development, Government of India for the year 2018. The university is in the first place among all the universities in the State of Karnataka. Further more, The Knowledge Review a renowned journal has named the University as one of the top ten inspirational educational institutions in the faculties of Arts and Commerce. She is also placed in the top 200 in the list of BRICS universities.

The emblem of the university has a mythical animal with the trunk of an elephant and the body of a swan. This mythical animal, called **Gajahamsa** is commonly found in the Vijayanagara and the Keladi sculpture and temple art. It symbolizes the integration of knowledge and wealth.

It is a university with a distinctive academic profile, blending in itself commitment to rural ethos and modern spirit. The university offers under-graduate, post-graduate and Ph.D programmes in a wide range of disciplines. It has 35 Post-graduate Departments in the Faculties of Arts, Commerce, Education, and Science and Technology.

Jnana Sahyadri, the main campus sprawls over an area of 230 acres of a lush green, picturesque locale providing the right ambience for higher education. The main buildings of the university are constructed on small hillocks, blending naturally with the landscape. The entire campus area is free from any form of pollution. The undisturbed and pleasant atmosphere on the campus makes it ideally suited for the pursuit of higher education and research.

(1) Post-Graduate Centre, Kadur: With the objective of providing higher education to rural youth, Kuvempu University established a Post-graduate Centre at Basavanagara, Kadur. It is spread over 60 acres near Shivamogga-Bengaluru highway and 7 kms away from Kadur town. Four courses are offered here; M.Com, MA Economics, M.Sc. Chemistry and M.Sc. Pharmaceutical Chemistry. It has separate hostels for boys and girls.

(2) Post-Graduate Centre, Chikkamagaluru: To further promote the motto, '**Quality Education** for all' and to encourage rural students in seeking admission to Post Gaduate programmes, University has started one more centre at Chikkamagaluru. Four courses are offered here: M.Com, MA Kannada, M.A. Political Science and M.Sc. Mathematics.

(3) Affiliated Colleges: The University has 99 affiliated colleges. These include 3 constituent colleges, 30 Government colleges, 65 private colleges, and one college under the direct control of the University, spread over the two districts offering Under-Graduate and Post-Graduate Programmes. Among them, 18 colleges offer B.Ed programme; 38 colleges have been assessed and accredited by NAAC; and 48 colleges are admitted to 2(f) and 12(b).

(4) Constituent Colleges: Sahyadri Arts College, Sahyadri Commerce and Management College, and Sahyadri Science College, the erstwhile government institutions, are now the constituent colleges of

Kuvempu University. These colleges have contributed illustrious persons to every important field. Among the celebrities who are the alumni of the colleges are Dr. U. R. Ananthamurthy, Jnanapeeta awardee; Prof. C. N. R. Rao, eminent Scientist and Bharatha Ratna awardee; Sri. K. V. Subbanna, Magsaysay awardee; and Sri. D. H. Shankaramurthy, Speaker of Legislative Council and former Minister of Higher Education, Government of Karnataka. Both the colleges have been recognized as Colleges with Potential for Excellence by the University Grants Commission. Sahyadri Colleges are celebrated Platinum Jubilee.

(5) Directorate of Distance Education (DDE): To foster university-society relationship with the motto, **Education for All,** the Directorate of Distance Education of the university is offering under-graduate, post-graduate and P.G Diploma courses. The objective is to take quality education to the doorsteps of the aspirants of higher education.

(6) Prasaranga: Prasaranga, the publication and extension wing of the University, plays a key role in disseminating knowledge and in building a bridge between the academic world and the society at large. The varied activities of the Prasaranga are mainly of three kinds viz.,extension lectures, publication of books and publication of university newsletter.

Student Amenities

The university provides many facilities to the student community and some of these facilities are as follows.

(1). Library: The Library is housed in a modern and well equipped building with excellent infrastructure facilities for reading, borrowing and reference to the students, teachers and research scholars of all Departments. The library has kept pace with modernization by adopting cutting-edge information and communication technology.

The library serves its users with traditional print sources such as books, reference sources, journals, magazines, reports, theses, dissertations, etc. Also the library provides access to online resources such as e-journals, e-database, and e-portals. The library has access to more than 7000 e-resources under the e-Shodhsindhu programme of the UGC-Inflibnet Centre. The library has also been provided with excellent facilities for the self learning of the academic community beyond working hours.

Green Library: The University offers a unique experience of browsing hundreds of books and journals and other resources through Wi-Fi, to students sitting in a lush green natural forest. The green library is established in a cool, calm, serene bamboo forest surrounded by trees and creepers, occasionally filled with music from birds in the campus.

(2). Hostels: There are four hostels for the post-graduate students on the main campus - two men's hostels and two women's hostels. Besides, there is a working women's hostel on the campus providing accommodation to students and research scholars. The hostel for students belonging to backward classes and minorities (established near the main campus by the Government of Karnataka) provides hostel facility exclusively for the post-graduate students of the university. Students are advised to apply for hostels immediately after admission (on the same day). Even at P. G. Centre, Kadur, there are two hostels for the students.

However, accommodation in the hostels is limited. Some details about Faculty Advisors are given below.

Separate sections of the museum exhibits rare stones, minerals and items that have geological importance; instruments used for scientific research; and rare old newspapers.

(7). **Keladi Museum:** The Keladi museum is a unique museum of manuscripts, sculptures and paintings which also houses a publication wing. The museum houses about 2,500 palm leaf manuscripts, thousands of paper manuscripts written in Kannada, Sanskrit and Telugu scripts, besides four hundred palm leaf manuscripts in Tigalari script. It provides facilities to scholars for research.

(8). **Coaching for Civil Service Examinations:** In order to motivate students to seek administrative careers and to equip them to face the examinations, the university organizes training for civil services and other competitive examinations. The training includes counseling and essential skill development apart from academic guidance.

(9). **Directorate of Student Welfare:** Kuvempu University has maintained an excellent student friendly ambience and assigns top priority to student welfare. A Directorate of Student Welfare has been established to plan and monitor student welfare activities.

(10). Co-curricular Activities:

A) University Sports and Cultural Meet : The athletic and artistic potentials of the students, teaching and administration staff take a competitive turn making the entire campus vibrant, vivacious, creative and colorful, where winners emerge from collective effort and ever-pervading joy.

B) Sahyadri Utsava: The University assigns high priority to co-curricular activities on the campus. These activities are organised by the Co- curricular Activities Association which consists of a co-ordinator from the faculty and student representatives from all P. G Departments. A highlight of the activities is the annual youth festival **(Sahyadri Utsava)** of students from affiliated colleges and the Post-Graduate Departments. Selected participants represent the university at inter-university youth festivals. The outstanding performer in co-curricular activities are felicitated by the university with the Gold medal Nirankushamathi.

C) Swachchata Andolana: As a positive response to the life-threatening environmental degradation, the University staff and students clean up the entire campus and the roads in and around the institution. This helps in maintaining the beauty of the campus and assuring clean and healthy surrounding for the people in the campus and wild animals that live in the adjoining forest.

(10). Aasare: It is a unique programme started by the university from 2011-12. The programme aims at carrying out special activities for the students to enhance their physical and mental abilities.

(11). Sports: The University has established a well equipped Indoor Sports Complex which has facilities for all indoor games including volley ball, basket ball, gymnastics and modern multi gymnasium. V. Mode of Admission:

Admission of candidates depends upon the availability of seats in the order of merit in the respective reservation category. The information given in this Prospectus is for general information of the students. The relevant rules relating to admission, fees and other details will be effective as prevailing at the time of admission.

(a) There is a centralized system of admission for Post-Graduate Courses of Kuvempu University. Each Department will have an Admission Committee comprising the Chairperson and members of the faculty of the Department as constituted by the university for this purpose.

(b) In all stages of admission, the admission committee shall obtain the approval from the Dean of the Faculty concerned.

(c) The Admission Committee verifies the applications and documents/certificates and prepares a consolidated merit list, in descending order of merit on the basis of the percentage of marks secured by the candidates in the qualifying examination (or entrance test or both).

(d) The above list/s will be announced on the University website. The lists will also be uploaded to the university website. No intimation will be sent to the candidates separately for their admission. Hence, the applicants are advised to see the University web site www.kuvempu.ac.in/admission2020-21.

(e) The admission committee makes the admission on the scheduled date and time (as specified in **Dates of Events**).

(f) Candidates shall personally appear for the admission with all originals documents and certificates, prescribed fees and photographs. Applicants are required to report at the **counselling centre of the Department concerned before 10.30 am** on the date/s of admission (see, **Dates of Events**) and remain throughout admission. The applicants should occupy the chairs in the room specified by the Department concerned in time on the date/s of admission, and not leave the room till the completion of admission. Further, the candidates are required to note that **the delay in the arrival of candidates at the admission venue even by a minute may deprive them the seats.**

(ii) Of the remaining, a specified number of seats are reserved for OU candidates where the quota (15%) is adjusted with HyK and OU under merit seats.

(iii) Remaining seats are for KU candidates.

However,

(i) If any of these seats fall vacant, such seats will be filled with Kuvempu University applicants on merit-cum-payment basis.

(ii) But in the case of SC and ST, the seats are inter-changeable. If no eligible applicant is available from both the categories, the vacant seat shall be shifted to Kuvempu University students on merit-cum- payment basis.

(iii) If there are no eligible applicants from Kuvempu University graduates, the vacant seats may be filled with OU applicants under merit-cum-payment basis.

(iv) All candidates admitted under merit-cum-payment quota are required to pay the actual fee for merit- cum-payment category prescribed by university (at the time of admission) irrespective of their caste and annual income.

NSS/NCC Quota: Criteria for ranking and selection of students under NSS/NCC Quota are given below.

(1) The admission is limited to students of Kuvempu University only.

(2) Claim under the quota is considered only when photocopies of specific certificates are attached.

(3) The camps/programmes attended during PUC level and prior to that are not considered.

(4) Ranking of NSS/NCC Quota applicants and preparing the merit list is based on two important criteria viz., marks secured in the qualifying examination and performance in NSS/NCC activities.

(5) Weights for the marks secured in the qualifying examination shall be awarded in accordance with Schedule – A presented below.

(6) The Admission Committee of the Department may evaluate the NSS (Schedule – B: 50%)/NCC (Schedule - C: 50%) related documents of the applicants, or forward them to the NSS /NCC programme co-ordinator of the university for evaluation. However, in the case of any ambiguity, the weights awarded by the NSS/ NCC Co-ordinator (based on the documents submitted by the applicants) is final.

(7) The admission committee shall combine marks secured as per schedules A and B (for NSS quota) or Schedules A and C (for NCC quota), and prepare the rank list and admit students accordingly.

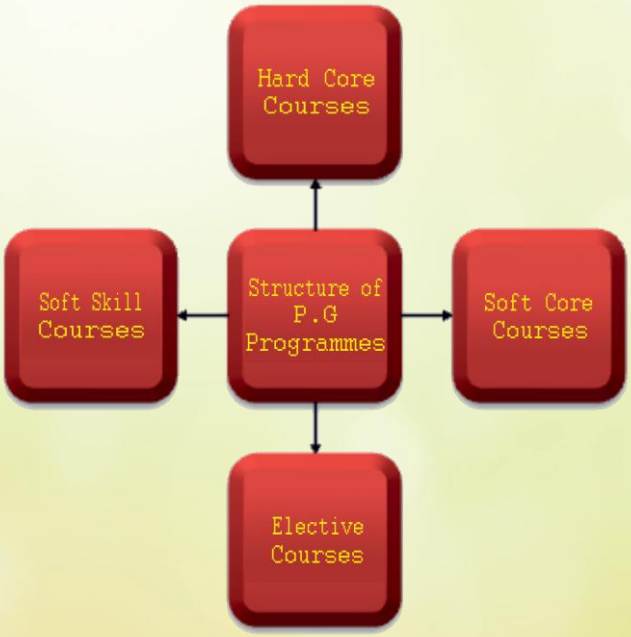
Choice Based Credit System (CBCS) – Excerpts from Regulations

The Post Graduate Courses of Kuvempu University are governed by the Choice Based Credit System (CBCS) – **Choice** referring to the flexibility offered to the students for selecting a suitable combination of courses or papers and the **Credit** referring to the unit by which the teaching/course work is measured. CBCS is learner centred by eliciting active participation of teachers establishing close interaction between the teachers and the students that contributes towards quality of education.

(1) Structure of P. G. Programmes: There are four categories of courses viz., Hard Core Courses, Soft Core Courses, Elective Courses and Soft Skill Courses for every P. G Programme.



(a) Hard and Soft Core Courses are the courses offered by the Department concerned. Each student shall compulsorily undertake project work leading to Project Report. The credits for each Hard Core Course ranges from 3 to 6 and that of Soft Core Course from 2 to 4.

(b) Elective Courses are the courses offered by other Departments. Each elective course carries 2 wrights. Students of all P. G Programmes shall select, study and successfully complete atleast one Elective Course (out of a number of Elective Courses offered by other Departments, List of Elective Courses is given later) each in II and III Semesters earning atleast four credits.

(c) Besides, there are three Soft Skill Courses viz., Communication Skills, Computer Skills and Life Skills. These Courses are offered by the Departments of Studies in English, Computer Science and Commerce respectively for the students of all Departments of P. G Studies. Each of these three courses carries one credit and there shall be no semester-end examination for these courses. However, to successfully complete the Master's Degree, every student must complete these courses earning three credits within the first two semesters.

(2) Continuous Assessment Programmes and Evaluation

Out of the total marks for each course, 25 marks are earmarked for Continuous Assessment (Internal Assessment) and the remaining 75 marks for the semester-end examination. Internal assessment marks are awarded on the basis of the following components.

Sl. No.	Continuous Assessment Programme	Maximum Marks
01	Two Session Tests (5 marks per test)	10
02	Seminar/Group Discussion (assessed on the basis of writing, comprehension, communication, articulation, and presentation skills)	5
03	Field Work and/or Assignments	5
04	Regularity and Attendance	5

In the case of elective courses, each elective course carries a maximum of 50 marks comprising 40 marks for semester-end examination and 10 marks for internal assessment. In this case, internal assessment marks are awarded to the students based on a test (5 marks), assignment-cum-group discussion (2.5 marks), and regularity of the students in attending the classes (2.5 marks).

(3) Semester-end Examination and Evaluation: Semester-end examination of three-hour duration for 75 marks is conducted for each of Hard and Soft Core Courses. However, in the case of Elective Courses, the semester-end examination is for 40 marks for 1½ hours for each course. Project Reports and answer scripts of the semester-end examination are evaluated by two examiners (one internal and another external; however, under no circumstances a script/project report is valued only by two internal examiners). The marks awarded to that answer script/project report is the average of these two evaluations. If the difference in the marks between two evaluations exceeds 20% of the maximum marks, such a script/project report is valued by a third external examiner. The marks awarded to that answer script or project report shall be the average of two nearer marks out of the three evaluations. In the fourth semester, the project report shall be evaluated for 75 marks by both internal and external examiners. And for the remaining 25 marks, project viva-voce examination shall be conducted by the Board of Examiners. For the purpose of evaluation, answer scripts are coded. There is also a provision for challenge valuation.

(4) Grading and Declaration of Result

(**a) Grade** means an index of conversion of marks secured by a candidate after completing the precribed credits and relevant examination in each course

(b) Grade and Credit Points are computed for each course considering the marks secured and the credits earned in each course. **Grade Points** are computed by dividing the marks secured by the candidate in each course by 10% of the maximum marks for that course. And **Credit Points** are determined by multiplying the Grade Points in each course by the credits of that course. Both the Grade Points and Credit Points shall be computed for each course in each semester

(c) Grade Point Average (GPA) is computed and given to each candidate based on his/her semester performance. This is determined by dividing the sum of credit points earned by the student in all the courses of a semester by the total number of credits for which the candidate has taken examination in that semester

(d) Cumulative Grade Point Average (CGPA) is computed for the whole academic programme considering the aggregate of Credit Points of all the semesters earned by the student and dividing this sum by the total credits of all the semesters

(e) The CGPA obtained as above is the base for the determination of Grade and for the declaration of the result as follows.

CGPA	Result grade	Description of Result Grade
< 4.50	D	Fail
≥ 4.50 < 5.00	C	Pass
≥ 5.00 < 5.50	B	Second Class
≥ 5.50 < 6.00	B^+	High Second Class
≥ 6.00 < 6.50	A	First Class
≥ 6.50 < 7.50	A^+	High First Class
≥ 7.50	A^{++}	First Class with Distinction

Post-Graduate Centre, Kadur

To provide higher education to rural youth, Kuvempu University established a Post-Graduate Centre at Kadur. It is located in an area of about 65 acres of land on Shivamogga-Bengaluru highway and 7 kms away from Kadur town. Kadur is well connected by road and train.

The campus has newly constructed academic building with adequate lecture halls, hostels (for both boys and girls), library and laboratory facilities. The courses offered here are in great demand as they open new job opportunities. The emphasis here has always been for teaching, research and extension activities. Few details about the courses offered and others are provided below.

DEPARTMENT OF PG STUDIES AND RESEARCH IN SOCIOLOGY

The Post Graduate Department of Sociology, Kuvempu University, has completed 34 years since its inception in 1988. To refiect on our march towards research and teaching in sociology for a better understanding of social processes in our small way, we are not unhappy. Within the boundaries of limited infrastuctural facilities and a relatively small faculty, the Department can engage in introspection with confidence. There have been periodic evaluation and changes in the syllabus in response to developments in the discipline. The Department has introduced the Choice Based Credit System (CBCS).

The attempts of the Department, have mainly concentrated on the application of sociological principles to our immediate surroundings through conceptual and theoretical debates- both within the classrooms and outside. With M.A., and Ph.D programms, teaching has been the first proiority although research has received due attention. The faculty has entered into dialogue, regularly and continuously, with the outsied academic world in seminars, workshops, conferences and Publications. Research, backed by valid and reliable information base, has centered on local and regional issues. Attempt was to combine the macro and the molecular. Inter-Departmental and multidisciplinary work was valued.

DEPARTMENT OF PG STUDIES AND RESEARCH IN APPLIED ZOOLOGY

The Post Graduate Department of Applied Zoology was started in 1993. The Department offers P.G., Programme M.Sc., in Zoology and Ph.D., in Applied Zoology. Major thrust areas of the Department include Genetics, Biodiversity, Toxicology. M.Sc students are trained in various aspects of Zoology including Genetics, Molecular Biology, Toxicology, Biotechnology, Computational Biology, Biodiversity etc. Department has got a very good placement record of students. The faculty have completed many research projects funded by the Department of Science and Technology (DST), Department of Biotechnology (DBT), University Grants Commission (UGC), New Delhi, Vision Group on Science and Technology, ICFRE, Government of Karnataka. In addition, Department has been part of the inter-disciplinary BUILDER Project (4.5 Crores) associated with Departments of Biotechnology, Botany and Environmental Science. Department has conducted many national conferences, symposia, seminars, workshops and refresher courses.

DEPARTMENT OF STUDIES IN BIOTECHNOLOGY

The department was established in1999.This is a DST-FIST sponsored department. The Department has well established laboratory facilities for both academics and research in biotechnology and has a well equipped computer lab with networking and LAN facility. It has received financial support from central funding agencies viz., DBT, DST & UGC. Presently, there are 7 major projects funded by UGC, DBT, and VGST(Govt. of Karnataka).Department has very good placement record in both private as well as public sectors. The department is leading a major infra-structure inter-disciplinary BUILDER- Project worth Rs.4.5crores sanctioned by DBT-New Delhi. BUILDER-Project is in collaboration with sister department ssuc has department of Applied Botany, Applied Zoology and Environmental Science.

DEPARTMENT OF P.G STUDIES AND RESEARCH IN FOOD TECHNOLOGY

The Department of Food Technology was established in the year 2022. The department aims of promoting innovation in food sectors. M.Sc in Food Technology course content is provide to explore all aspects of Food Technology. Experimental training and theoretical knowledge will help to shape the candidate to opt for jobs in various domains such as food processing companies' soft drink manufacturing firms, restaurants, cereal and spice industries, catering establishments, Quality control organizations, Packaging Industries and other food sectors like Dairy Industries and Food Research Laboratories. Moreover, there are specialized career prospects in food manufacturing and processing companies like Amul, Coca Cola, Preftti, Nestle, Cadbury India, Dabur India, Agro Tech Foods, Britannia, ITC Limited, Hindustan unilever Limited as well as National and International research institutes.

Course: M.Sc.-Microbiology
Eligibility: B.Sc. in Biological Science or B.Sc., (Agriculture) or MBBS.

Course Structure
First Semester

HC 1.1	Fundamentals of Microbiology
HC 1.2	Biochemistry and Biostatistics
HC 1.3	Microbial Physiology and Bioinformatics
SC 1.7	A. Mycology
SC 1.7	B. Principles of Genetics

Practicals

Second Semester

HC 2.1	Microbial Genetics and Molecular Biology
HC 2.2	Medical Microbiology
SC 2.5	A.Plant-Microbe Interactions
SC 2.5	B. Microbial Enzymology

Practicals

Elective	2.7 A. Water Microbiology 2.7 B. Agriculture Microbiology

Third Semester

HC 3.1	Agriculture Microbiology
HC 3.2	Immunology
SC 3.5	A. Immunotechnology
SC 3.5	B. Fermentation Technology
Practicals	
Elective	3.7 A. Diagnostic Microbiology 3.7 B. Industrial Microbiology

Fourth Semester

HC 4.1	Food and Industrial Microbiology
HC 4.2	Microbial Biotechnology
HC 4.3	Environmental Microbiology
HC 4.7	Project Work
Practicals	

DEPARTMENT OF STUDIES IN WILDLIFE AND MANAGEMENT

The Department of Studies in Wildlife and Management was started during the year 2002. The Department offers M.Sc., and Ph.D courses in Wildlife and Management. The course content is designed to cover all aspects of wildlife and management and practical orientation for wildlife conservation methods. The M.Sc., and Ph.D programme in Wildlife and Management aims to produce well- trained biologists and conservation practitioners who will retain their passion for wild places and a sense of purpose to conserve them. We provide our students a strong foundation of science that will help them design, implement and monitor a range of ecological studies and conservation projects. To develop these capabilities, our students learn about wildlife science and conservation through a multidisciplinary process. They are trained in fundamental ecology, project design skills and technical tools required to carry out scientific studies. As future conservationists they need to expose to the historical, social, economic, legal and political contexts that underlie the conservation process. In addition, we also teach effective communication using a variety of media, conflict resolution, and problem-solving skills, to deal with real life conservation issues. The department also inviting accomplished scientists regularly from various prestigious government and private institutions to deliver special lectures in order to encourage and motivate the students to take up research programmes. The students who have successfully completed the course have been working in various capacities in Karnataka State Forest Department, Research institutions, NGO's and Universities. During the past 20 years of existence. the Department has sucessfully completed Two major and one minor research projects funded by UGC, New Delhi. Department produced 17 Ph.Ds, 01 M.Phil and published more than 95 research papers in various refereed / peer reviewed journals. Presently 08 students are pursuing Ph.D.

Programmes Offered: M.Sc and Ph.D

Course: M.Sc - Wildlife and Management

Eligibility: Any Science graduate / B.Sc., Degree in Agriculture / Forestry / Fisheries / Veterinary and Engineering graduates.

Course Structure

First Semester

HC1.1 Systematics and Forestry

HC1.2 Wildlife Ecology

HC1.3 Field Techniques in Wildlife Studies

SC 1.4(a) Aquatic Ecology

SC1.4(b) Terrestrial Ecology

Practicals: Based on Theory Papers

Second Semester

HC 2.1 Remote Sensing, GIS and Advanced Techniques

HC 2.2 Entomology, Herpetology and Ichthyology

SC 2.3(a) Biodiversity and Conservation of Natural Recourses

SC 2.3(b) Environmental Pollution, EIA and Ecotoxicology

EL 2.4 Wildlife Conservation

Practicals : Based on Theory Papers

Third Semester

HC 3.1 Wildlife Conservation and Management

HC 3.2 Mammalogy and Ornithology

SC 3.3(a) Human Dimensions in Wildlife Management

SC3.3(b) Wildlife Ecotourism

EL 3.4 Ornithology

Practicals: Based on Theory Papers

Fourth Semester

HC4.1 Wildlife Health and Management

HC4.2 Applied Wildlife Science

HC4.3 Major Project Work

Practicals : Based on Theory Papers

DEPARTMENT OF STUDIES AND RESEARCH IN PSYCHOLOGY

Kuvempu University runs a two year M.Sc. Psychology programme at Kateel Ashok Pai Memorial College (KAPMC), Shivamogga, a College affiliated to the university. The course has been offered at KAPMC since 2020. To meet the challenges of Mental Health in contemporary society there is a dire necessity of providing higher education in Psychology. It is also a subject which is an essential component of interdisciplinary research in social and medical sciences. Employment and research opportunities have opened up at clinics, industries, corporate sectors, counseling centers, research and educational institutions which are likely to increase manifold in the post–COVID context. The M.Sc. Psychology programme has been designed by the university to blend theoretical knowledge and practical experience. KAPMC is a unit of Manasa Trust which also provides mental health facilities to about 250 distressed individuals every day. As such students will be given firsthand experience of the application of psychology. KAPMC has experienced faculty and all required facilities to enrich learning

Coordinator: Sr. Marie Evelyn A.C.
HOD: Dr. ArchanaBhat K
Faculty:

1. Dr. K .T. Shwetha
2. Mrs. (Dr). Sridevi R G
3. Mr. Vinay R
4. Ms. Inchara S
5. Ms. Hani Kuruvari

Programme offered: M.Sc. Psychology

Eligibility: Candidates who have passed the bachelor degree examination with psychology as an optional subject for 3 years of study can apply. They should have obtained a minimum of 50% in the aggregate marks in the
subject of psychology at the bachelor's degree examination in case of general merit category and 45% in case of SC/ST candidates. Admissions shall be made on the basis of 50% of marks obtained by the candidate in the written test and 50% of marks obtained in the aggregate of the optional subjects. The specialisationsinclude:

1. Child Psychology
2. Clinical Psychology
3. Industrial and Corporate psychology

Entrance Test: The written entrance test consists of 100 objective type questions, answered in 100 min. duration, for a maximum of 100 marks. Questions will be aimed at testing the aptitude of the candidate as well as familiarity with the relevant subject. Entrance test shall be held at KAPMC on the notified date.

Please note: The M.Sc. Psychology programme is a bonafide course of the university and admissions shall be made at the university.

MSc PSYCHOLOGY
Course structure

First Semester

Hard core
H.C.1.1. Cognitive Psychology
H.C.1.2. Theories of Learning, Motivation and Emotions
H.C.1.3. Research Methods
H.C.1.4. Psychological Testing and statistics
H.C.1.5. Psychological Assessments : Cognition, Learning, Motivation and Emotion and Career Guidance training (Practicals)
H.C.1.6. Computer Applications in Psychology (Practicals)

Second semester

Hard core
H.C.2.1. Bio Psychology
H.C.2.2. Theories of Personality
H.C.2.3. Positive Psychology
H.C.2.4. Assessments in Personality and Positive Psychology and Life Skills training (Practicals)
H.C.2.5. Project: Psychometric tool development
OE: Basic Psychological Processes

From Third semester students have option to choose one of the groups and they will continue to study courses under the group till fourth semester.

Third Semester

Hard core
H.C.3.1. Foundations of Counselling
H.C.3.2. Psychotherapy
Soft Core (Child Psychology Specialisation)
S.C.3.1.1. Child Psychopathology
S.C.3.1.2.Child Case History; Mental Status Examination; Verbatim and Behaviour Analysis;

Micro Skills of Counselling (Practicals)
S.C.3.1.3. Assessments for Children and Adolescents (Practicals)
Soft Core (Clinical Psychology Specialisation)
S.C.3.2.1. Psychopathology-I
S.C.3.2.2.Adult Case History and Counselling Skills (Practicals)
S.C.3.2.3.Clinical Psycho-diagnostics(Practicals)
Soft Core (Industrial and Corporate Psychology Specialisation)
S.C.3.3.1. OrganisationalBehaviour -Micro Perspective
S.C.3.3.2.OrganisationalBehaviour - Macro Perspective
S.C.3.3.3.Assessments in Organisations(Practicals)

Open Elective
OE: Psychology and Stress Management

Fourth Semester

Hard core
H.C.4.1. Counselling for different groups
H.C.4.2. Community and Psychology
H.C.4.3. Internship
H.C.4.4. Dissertation
Soft Core (Child Psychology Specialisation)
S.C.4.1.1. Child intervention procedures
S.C.4.1.2.School and Educational Psychology

S.C.4.3.2.Corporate Culture and Diversity

DEPARTMENT OF STUDIES IN BIOCHEMISTRY

The Department of Biochemistry was established in the year 2005. The M.Sc. course content is designed to cover all aspects of biochemistry and practical orientation for biochemical methods. The exhaustive practical training and sound theoretical knowledge being provided here is intended to make the student an appropriate candidate for not only to take up teaching or pursuing doctoral research but also competent enough to work in pharmaceutical R&D, diagnostic labs, medical, agricultural research institutions and various allied industries. The department also invites accomplished national and international scientists form various prestigious institutions to deliver special lectures in order to encourage and motivate the students to take up research.

Programmes Offered : M.Sc., Ph.D and PG Diploma in Industrial Bioanalytical Techniques.

DEPARTMENT OF STUDIES IN CHEMISTRY

The department was established in the year 1992. The department is actively involved in teaching, research and extension progammes. Thrust areas of research includes bio-organic chemistry, synthetic organic chemistry, natural products chemistry, electrochemistry, metal finishing, nanomaterials, and dyes and pigments. All the faculty members have been awarded with major research projects from various funding agencies. The department is active in various academic activities like conducting seminars, symposium and conferences. The department also conducts placements programmes for the students. Department is funded by DST-FIST and UGC-SAP program for the infrastructure development.

DEPARTMENT OF STUDIES IN INDUSTRIAL CHEMISTRY

The Department of Post Graduate Studies and Research in Industrial chemistry was established by the University Mysore in 1973. The Department has been harnessing precious human resources for the overall development of society through the pursuit for excellence in the area of chemical sciences. Besides its primary activities of academics, teaching and research, the Department has been interacting with industrialist and established a mutually beneficial relationship with the nearby industries. In this direction, the department has initiated several programmes such has the taking Industries sponsored projects involving testing and analysis of raw materials and products, encouraging students to take up project related to their studies to acquire work experience, inviting executives and technical staff of the Industries as guest faculty.

As a part of University Institution interaction the Student are acquiring higher level of training at BARC, IISc, NAL, IIT,etc . The Staff members are actively involved in cutting-edge research activities in collaboration with Institutes and some Foreign universities in the field of Chemicals Scineces and have received fund worth of 7.2 crore from various funding agencies like DST, Nano Mission, UGC and NRB, New Delhi and BRNS Mumbai, The Department has produced 121 Ph.Ds and 10 M.Phil degrees, and Published 648 Research Papers Peer reviewed National and International Journals. The Department has links with many Industrial Organization as a result of which, every year , many students pursuing the training at advanced Laboratories of ISO Certified Industries. In the Campus Selection Programme, more than 65% students are obtained placements in reputed organizations. The staff members are involved in consultancy services with Mysore Paper Mills Ltd., Bhadravathi, Few M.Sc. and P.G.Doploma Students of the Deparment work in MPM. on hourly basis while they are studying under "earn while learn" Scheme of the Department.

Programmes Offered: M.Sc., Ph.D, and P.G.D.in Industrial Chemical Quality Control.

DEPARTMENT OF STUDIES IN PHARMACEUTICAL CHEMISTRY (P.G. CENTRE, KADUR)

The Department of Pharmaceutical Chemistry was established in2007. The course is designed to provide trained and skilled man power for ever growing Pharmaceutical Chemistry in India. The department has experienced and reputed faculty member with international recognition. So far, the members of the faculty have produced Ph.Ds and published research papers in national and international journals of repute and have two patents to their credit. The faculty members have two visited England and Italy for their post-doctoral research and for presentation of their research papers. The department strongly encourages M.Sc., students to get actively involved in research activities and helps to get high lucrative scientific job opportunities.

Programmes Offered: M.Sc., Ph.D.

Ph.D., M.Sc., from recognised university, with Pharmaceutical Chemistry/Industrial Chemistry/Chemistry as subjects or M. Pharm. from recognised University.

DEPARTMENT OF STUDIES IN APPLIED GEOLOGY

The Department of PG Studies and Research in Applied Geology offering to Separate innovative and Multidisciplinary M.Sc. and Ph.D courses in Earth Science and Resources Management (UGC- Innovative Programme) and M.Sc. in Geoinformatics. The Department is recognised by UGC as a nodal centre for Earth Science and Resource Management Studies. The department is highly equipped, sophisticated laboratories established from the funds received from UGC under innovative and SAP – DRS-I, II and III and also by department of Science and Technology (DST) under FIST program.

Programmed Offered:M.Sc ESRM, M.Sc. Geoinformatics and Ph.D.

Faculty: Dr. Govindaraju, Professor and Chairman,
Office:08282-27598
Mob: 9880123156

Dr. Syed Ashfaq Ahmed, Professor,
Mob:9845142267

Course: M.Sc. – Earth Science and Resource Management (ESRM)

The Program is unique in it's approach designed and developed with innovative concept by integrating Geology and Information science for assessment, evaluation and management of Earth Resources or sustainable development. The course content is developed to train Geoscientists in obtaining comprehensive knowledge of geology / Earth Science its tools and techniques along with spatial information and science technology skills. First Students who have successfully completed the degree in ESRM so for have got excellent placement in central / state government departments, Publics and Private sector organisations including multinational companies.

Eligibility: A bachelors Degree in Science, Bachelors Degree with Geography at UG level, Engineering (Civil, Environmental, Mining, Geotechnical, Geoinformatics), B.Sc.(Agricultural, Forestry, Horticulture, Soil Science) from any Indian University or Equal and Qualification recognised by Kuvempu University. Eligibility for Foreign students will be in accordance with the university regulations. The General admission criteria are based on Kuvempu University Guidelines.

Course Structure:

First Semester:

Hard Core Papers Theory:

H.C 1.1 : Crystallography, Mineralogy and Thermodynamics
H.C.1.2 : Physical Geology and Oceanography
H.C.1.3 : Geoinformatics

Hard Core Papers Practical:

HCP1.1: Crystallography, Mineralogy and Thermodynamics
HCP1.2: Physical Geology and Oceanography
HCP1.3: Geoinformatics

Soft Core Paper Theory:

SC1.1: Earth and Atmospheric science.

Soft Core Paper Practical:

SCP 1.1: Earth and Atmospheric science.

Second Semester:

Hard Core Papers Theory:

H.C 2.1 : Petrology and Geochemistry
H.C.2.2 : Hydrogeology and Structural Geology
H.C.2.3 : Palaeontology, Indian Stratigraphy, Geology of Karnataka

Hard Core Papers Practical:

H.C.P 2.1 : Petrology and Geochemistry
H.C.P 2.2 : Hydrogeology and Structural Geology
H.C.P 2.3 : Palaeontology, Indian Stratigraphy, Geology of Karnataka

Soft Core Paper Theory:

DEPARTMENT OF STUDIES AND RESEARCH IN ENVIRONMENTAL SCIENCE

The Department was established during the year 1991-92 for promoting research and studies in Environmental science. There is a huge responsibility on the environmental scientists to propose several environment friendly processes of development. Environmental Science programmes are multi-disciplinary and holistic in nature and they need an in-depth knowledge on the subject. There is a wide scope at national and international levels to make a career in Environmental Science. At present, the post-graduates of this Department are placed in Karnataka State and Central Pollution Control Boards, Universities, Colleges, research institutions, Industries and Environmental consultant groups.

Programmes Offered : M.Sc. and Ph.D.

DEPARTMENT OF P.G. STUDIES AND RESEARCH IN COMPUTER SCIENCE AND M.C.A

The Department offers two Post-Graduate Courses Viz Master of Computer Applications (M.C.A) and M.Sc.(Computer Science). MCA programme was started in the year 2000 and M.Sc. Computer Science. programme was started in the year 2023. the Department has well equipped laboratories with 60 Desktop Computers with higher end configuration. The Department invite resource persons from reputed multinational companies (MNC's),universities and R&D institutions, The Department organizes seminars, conferences, and workshops, which for mutual benefits. The Department has provided opportunities for the fullest possible development of potential for all students who are from diverse backgrounds.

Alumni of the Department are well placed in Software Industries, Academic and research institutions and few as entrepreneurs. Alumni's regularly visit the Department and platform is being provided to the students to interact with them. The Department is actively engaged in Research in the areas of Image Processing, Pattern Recognition, Artificial Intelligence, Machine Leaning, Deep Learning and Data Mining. The Faculty members has Completed many research projects sponsored by AICTE and UGC.

Programmes Offered: MCA, M.Sc and Ph.D

Faculty

1. Dr. Yogish Naik G.R.
   Associate Professor And Chairman
   Mobile: 9448255683
   Email: kuvempumcacs@gmail.com
2. Dr. Prabhakar C. J. Professor
3. Dr. Ravi Kumar M. Professor
4. Dr. Suresha M. Associate Professor

Course: MCA (Master of Computer Applications)

(2-year, 4-semester)

Eligibility: Any bachelor degree (BCA/B.Sc/ B.Com/ BA) of this university or any other recognized university with Computer Science / Mathematics as one of the subjects at 10+2 level subject to the minimum prescribed in the admission regulations of the University. The admission to MCA programme is done through PGCET conducted by Karnataka Examination Authority (KEA), Bangalore.

Course Structure

First Semester

HC1.1. Computer Organization and Architecture
HC1.2. Operating System
HC1.3. Applied Mathematics
SC1.4. C Programming
SC 1.5. Database Management Systems
Lab: 1.6 C Programming Lab
1.7 DBMS Lab

Second Semester

HC2.1. Computer Networks
HC2.2. Theory OF Computation
HC2.3. Data Structures
SC2.4. Java Programming
SC2.5. Software Engineering
Lab: 2.6 Data Structures Lab
2.7 Java Programming
Elective:2.1 Information and Communication Technology (ICT)

Third Semester

HC3.1. Analysis and Design of Algorithms
HC3.2. Computer Graphics
HC3.3. Digital Image Processing
SC3.4. Web Programming
SC3.5. Data Science
Lab: 3.6 Algorithms Lab
3.7 Computer Graphics Lab
Elective: 3.8: Cyber Security

Fourth Semester

SC4.1 Artificial Intelligence
SC4.2.PHP Programming
SC4.3 Dot Net Programming
SC4.4 Python Programming
SC4.5 Project Work

Course: M.Sc. in Computer Science

Eligibility: B.Sc (Computer Science / Information Science/ Information Technology) or BCA degree of this University or any other UGC recognized university subject to the minimum prescribed in the admission regulations of the university.

Course Structure

First Semester

HC 1.1 Computer Architecture
HC 1.2 Data Structures
HC1.3 JAVA Programming
SC 1.4 Data Communications
SC1.5 Applied Mathematics
Lab: 1.6 Data Structures using Lab
1.7 JAVA Programming Lab

Second Semester

HC 2.1 Computer Networks
HC 2.2 Analysis and Design of Algorithms
HC 2.3 Computer Graphics
SC 2.4 Theory of Computation
SC 2.5 Digital Image Processing
Lab : 2.6 Algorithms Lab
2.7 Image Processing Lab

Elective: 2.8: Problem Solving using C

Third Semester

HC3.1. Wireless Communications

HC3.2. Machine Learning

HC3.3. Linux Internals

SC3.4. Software Engineering

SC3.5. Cloud Computing

Lab: 3.6 Linux Internal Lab

3.7 Machine Learning Lab (Python)

Elective: 3.8: Web Programming

Fourth Semester

HC4.1. Artificial Intelligence

HC4.2. Data Science

SC4.3. Internet of Things (IOT)

SC4.4. Project Work

DEPARTMENT OF STUDIES IN ELECTRONICS

The Department was established in the year 2003 with the objective of generating competent professionals to meet the challenges in the field of Electronics. The Department has dedicated staff and well-equipped laboratories viz. Analog Electronics, Digital Electronics, C++, Microcontrollers, Digital Signal/ Image Processing, Advanced Communication, Computer Communication Networks and VHDL. The Department is actively involved in teaching, research & extension programmes. Thrust areas of research include, Digital Signal & Image Processing, Antenna theory & design and Microcontrollers. Department provides placement assistance for students in various leading industries**.**

Programmers Offered: M.Sc and Ph.D

COURSES: M Sc. Electronics

Eligibility: B.Sc. Degree from Kuvempu University or any other recognized University with Electronics or Physics as an optional subject, i.e. Students withPME(Physics,Maths,Electronics) or PCM (Physics, Chemistry, Maths) or EMCS (Electronics, Maths, Computer Science) Combinations are eligible to apply. 5% weightage is given to Students who have studied Electronics as one optional Subject.

Course Structure:

First Semester

HC1.1 Programming C++
HC1.2 Microwave Devices & Antennas
HC1.3 Pic & Arm Microcontroller
HC1.4 Signals and Systems Practicals
Practical based on above papers

Second Semester

HC2.1 Control systems
HC2.2 Digital design using verilog
HC2.3 Digital Signal Processing
SC2.4.1 Power Electronics
SC2.4.2 Wireless Communication & Satellite Communication
Practical based on above HC papers
Elective: 2.5 Basic Electronics

Third Semester

HC-3.1 Advanced Digital Communication
HC-3.2 Advanced Computer Networks
HC-3.3 Image Processing
SC3.4.1 Information theory & coding
SC3.4.2 Multimedia
Practical based on above HC papers
Elective: 3.5 Fundamental of Digital Electronics
ELP-3.9 Industrial training/visit

Forth Semester
HC4.1 VLSI Design
HC-4.2 Machine Learning
HC4.3 Embedded systems
SC-4.4 Pattern Recognition
Practical based on above HC papers
ELP-4.7 Project Work

Department of Studies and Research in Library and Information Science

The Department of Library and Information Science has been established in December 1993. The course is designed to suit to the changing needs of modern society. Greater emphasis has been laid in the curricula on IT oriented areas and practical aspects. To facilitate this, the department is equipped with necessary classrooms, furniture and equipment. It has an independent computer lab with 20 systems and internet facility. Many students have been placed in central/state government departments, public/ private enterprises, higher education institutions, R&D organizations and corporate sector. The department is active in teaching, training, research and consultancy activities. The department has organized many national level seminars, conferences, workshops and UGC sponsored Refresher Courses in Library and Information Science.

Programmes Offered: M.L.I.Sc and Ph.D

2. Dr. S. Padmamma	Professor
3. Dr. K.T. Santhosh Kumar	Professor

Course: M.L.I.Sc – Master of Library and Information Science.

Eligibility: B.A/B.Sc/B.Com/B.S.W/B.C.A/B.B.M/B.B.A. etc., from any recognized university or any other qualification considered equivalent to it, subject to the minimum prescribed in the admission regulations. Total marks obtained by the candidate (aggregate of three years) shall be considered.

Course Structure

First Semester

HC1.1. Foundation of Library and Information Science
HC1.2. Information Sources and Services
HC1.3. Library Classification - (Theory)
HC1.4. Basics of Computer - (Theory)

Practicals

1.5 Information Sources
1.6 Library Classification (Practical - I)
1.7 Basics of Computer (Practical)

Second Semester

HC2.1. Information Society and Literacy
HC2.2. Management of Hybrid and Digital Libraries
HC2.3. Library Cataloguing - (Theory)
SC2.4. Library Automation - (Theory)

Elective

2.5 Information Literacy

Practicals

2.6 Library Cataloguing - (Practical)
2.7 Library Automation - (Practical)

Third Semester
HC3.1. Research Methodology
HC3.2. Information Systems and Services
HC3.3. Indexing System - (Theory)
SC3.4. Information and Communication Technology - (Theory) - I
Elective
3.5 Information Sources on Social Sciences and Science and Technology
Practicals
3.6 Information Processing and Retrieval (Practical) - I
3.7 Information and Communication Technology - (Practical) - I

Fourth Semester
HC4.1. Information and Communication Technology - (Theory - II)
HC4.2. Digital Libraries
HC4.3. Optional (any one of the following)
a. Public Library Systems and Services
b. Academic Library Systems and Services
c. Health Science Library System and Services
4.4 **Project Work**
Practicals
4.5 Library Classification - (Practical) - II
4.6 Information and Communication Technology - (Practical) - II

Internship: Each candidate shall compulsorily under go one-month's Internship in a reputed library attached to the institutions of higher learning or R & D Institution as part of IV Semester. The internship shall be undertaken immediately after the completion of IV Semester Examination (Theory and Practical).

DEPARTMENT OF P.G. STUDIES AND RESEARCH IN MATHEMATICS:

The department of Mathematics started in the year 1975 as a part of University of Mysore. Later in 1987, it became an integral part of Kuvempu University. The department is harnessing precious human resources for the overall development of the society through the pursuit for excellence in the area of Mathematical Sciences. The department is actively involved in teaching and research. The department is recognized as a centre of research in the fields of Differential Geometry and Fluid Mechanics. The department is admired by many Universities for its quality teaching and research. Apart from conventional teaching methods, the department is also teaching students using advanced ICT tools. The department is regularly conducting orientation classes, special lectures, NET-SLET Coaching and remedial classes for the academic benefit of the students. The Department has a financial support from DST under FIST programme from 2019 to 2024

Further the department is regularly conducting International /National conferences, Seminars and workshops for the benefit of students and researchers. The departments has a Mathematical Society, established in the year 2008, which helps students in getting placements, providing facilities for research activities and to generate funds for economically weaker and meritorious students to purchase books. The department also trains each student in Computer skills and Mathematical Software.

As a part of University -industry interaction, research organizations like TIFR, IISC, IIT's selecting/ considering our department as a centre to conduct seminars, conferences, workshops and symposium's. It helps our students to interact with many renowned Mathematicians, Scientists and Industrialists. The department has awarded 98 Ph.D's and 23 M.Phil degrees and published more. than 600 research articles in the reputed National /International journals. Currently 30 students are working in the department for their Ph.D degree.

DEPARTMENT OF P.G. STUDIES AND RESEARCH IN PHYSICS

The Department has been established in the year 1991. The Department offers specialization in Condensed Matter Physics and Nuclear physics. The Department has well equipped laboratories, adequate no. of class rooms, computer lab and departmental library. Several national seminars, symposiums, workshops and special lectures are regularly being organized in the Department for providing proper exposure to students. The course content is designed so as to enable students to get placements in various multidisciplinary sectors. Several students have cleared their KSET/NET examinations and are appointed as teachers in undergraduate colleges/universities. Many have pursued studies towards their doctoral degree in reputed institutions/universities and have got good placements.

POST - GRADUATE CENTRE, KADUR

To provide higher education to rural youth, Kuvempu University established a Post-Graduate Centre at Kadur. It is located in an area of about 65acres of land on Shivamogga-Bengaluru highway and 7 kms away from Kadur town. Kadur is well connected by road and train.

The campus has newly constructed academic building with adequate lecture halls, hostels (for both boys and girls), library and laboratory facilities. The courses offered here are in great demand as they open new job opportunities. The emphasis here has always been for teaching, research and extension activities. Few details about the courses offered and others are provided below.

Sl. No.	Course Offered	Chairperson and Contact Number	Course Structure

INTERNATIONAL STUDENTS' CELL

The Students' Supportive Service Centre was established in 2018. The International Students' Cell is a part of this centre. The aim of this centre is to promote global perspective in the teaching, research and outreach programs of the University. The centre works in close collaboration with the Post-Graduate Departments, affiliated Colleges and also other Academic and Research Institutions of Kuvempu University. Kuvempu University has envisioned the International Students' Cell as a **Single Window** that would co-ordinate foreign students.

Prof. Syed Ashfaq Ahmed, Director
e-mail : ashfaqsa@hotmail.com
Office : kusssc@gmail.com
Phone (Office) : 08282 – 256176

The Kuvempu University has emerged as a University acclaimed educational hub and its foreign students' strength has been rising year by year. The University's academic image an ambience that is perfect to the reckoning for the pursuit of knowledge. Students from various Asian and African countries such as Yemen, Sri Lanka, South Korea, Kenya, Nigeria, Somalia and Eretria have been the alumni of this university since more than a decade.

The International Students' Cell assists the foreign students in eligibility assessment, admission, obtaining Study/ Research Visa and residential permit. It establishes linkages with Institutions, help freshers to connect with fellow citizens. The International Students Cell also disseminates information on study abroad opportunities and avenues for academic collaborations to faculty and students of various University Departments and Colleges. The International Students' Cell functions as a liaison between the foreign students, Academic Institutions, Faculty, University Offices, Diplomatic Missions, State/ Central Government Departments, Police/ Intelligence and other legal agencies. The Cell maintains the data base of foreign students studying in the university.

The University provides Hostel, Health and Library facilities to all the students with in the campus.

International Students' Cell organises the following activities for the benefit of foreign students:

- Functional English training course for non-English medium foreign students after admission.
- Awareness programme about law of the land, in association with Police Department.
- Sports and Cultural Programmes.

The admission process starts during June every year. Foreign students seeking admission for Undergraduate / Post-Graduate courses may contact the International Student's Cell during the months of April and May every year. The details of academic courses and other information are provided in the University's website.

STUDENTS' SUPPORTIVE SERVICE CENTRE
INTERNATIONAL STUDENTS' CELL

Admission Procedure :

The foreign students those who want to seek admission in the University PG Departments/ Constituent Colleges / Affiliated Colleges for UG/ PG/ Ph.D/ Post Doctoral/ Diploma and Certificate Courses have to download the 'Eligibility Assessment' and 'Admission Application Form' from University website.(www.kuvempu.ac.in) The filled Forms should be submitted along with copies of supporting documents (as listed in the Forms) to the International Students' Cell. A prescribed Fee (as shown in Table) should be paid for the eligibility assessment.

The Minimum qualifications for different programmes of the Kuvempu University are as follows:

Under-Graduate (UG) Courses : Pass in 10 + 2 level course (equivalent to 12 years of schooling)

UG Diploma Courses : Pass in 10+2 level course.

UG Certificate Courses : Pass in 10th (X).

Post-Graduate (PG) Courses : Pass in 3 or 4 years Undergraduate Programme of a recognized University and must have secured minimum percentage as prescribed in admission regulations.

Post-Graduate Diploma : Pass in 3 or 4 years Undergraduate programme offered of a recognized University.

Ph.D : Pass in two Years Master Degree in the qualifying subject or an allied subject where inter-disciplinary research is permitted. A candidate must have minimum of 55% in the Post Graduation.

Post-Doctoral : Candidate must have Ph.D in subject concerned.

Note: 1) The foreign degrees must be recognised by the Competent Authority of their own country. The University lays down additional qualifications periodically as per admission regulations.

2) The foreign students must possess Study Visa for UG / PG / Diploma / Certificate Course and Research Visa for Ph.D / Post Doctoral Programmes. Visa regulations do not permit tourist / X Visa to pursue any academic programmes.

The following documents must be enclosed with 'Eligibility Assessment Application Form'. Eligibility assessment and Eligibility Certificates are not required for Kuvempu University degrees.

- Duly filled Eligibility Assessment Form.
- Copy of the passport.
- Copy of the marks cards, Degree Certificates. If the marks obtained are not mentioned in the form of percentage then grade Conversion table must be enclosed.
- Recent Passport size photographs (02 copies)
- The foreign students must have to pay fees in State Bank of India (SBI), Jnanasahyadri Branch (A/C No. 54023036291, IFSC Code SBIN0040759). Payment details should be mentioned in the 'Eligibility Assessment' and 'Admission Form'. The original receipt should be enclosed.

Shri Kuvempu

The university is named after the National Poet laureate and the first jnanapeetha awardee from Karnataka, KUVEMPU (Kuppali Venkatappa Puttappa). Kuvempu is the great proponent of a holistic view of the world and the paradigm of universal brotherhood. His five tenets are considered as guiding principles for the entire mankind which are incorporated in the University emblem.

His five Tenets

* ಮನುಜ ಮತ (Manujamata)	: Religion of Humanity
* ವಿಶ್ವಪಥ (Vishwapatha)	: Universal Path
* ಸರ್ವೋದಯ (Sarvodya)	: Welfare of all
* ಸಮನ್ವಯ (Samanvya)	: Integration
* ಪೂರ್ಣದೃಷ್ಟಿ (Poornadrishti)	: Holistic Vision

Shri H. D. Kumaraswamy
Hon’ble Chief Minister of Karnataka

Shri G.T. Devegowda
Hon'ble Minister for Higher Education and Pro-Chancellor of the University

Vice-Chancellor's Message

Dear Students,

Kuvempu University has grown in might and fame in the last few years in the noble task of learning, teaching, creating and extending knowledge. The awards and accolades—like the 'A' grade by NAAC, or the 73rd best University in the country by NIRF for the year 2019—that have been secured by this University are mind-blowing. The national and international ranking agencies have taken note of our relentless efforts to transform this State University into a proud, proficient and performing institution of international repute.

The challenge before us is to help develop the nation by generating adequate human resources, through educating and training people to work in fields where they will be valued for their specialized knowledge, technical, communication, research, leadership, entrepreneurship and innovation skills. And I am proud to say that the stars that shine on our crown are bright and precious, but our aim is at those still luminous.

Learning at Kuvempu University is a unique experience. The lush green 230-acre campus, pleasant climate, zero pollution surrounded by thick natural forest make this University one of the most beautiful institutions in the country; a favorite academic destination for students, national and international. State-of-the-art facilities, competent syllabi, efficient faculty, industry exposure, practical and skill oriented teaching with a vibrant philosophical base equip our students with the necessary knowledge and skills that make them successful with flying colours.

Our future depends on the wise choices we make at criticalmoments in our life. I hope your endeavor to seek higher education in the relevant area of your study at Kuvempu University will bring you a rewarding experience and make you a multi skilled individual prepared to take up the challenges of the contemporary society and world.

I welcome you to this garden of knowledge to bloom and shine.

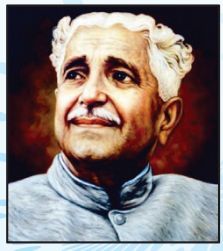
Kuvempu University

About the University



Kuvempu University is an affiliating University established by State Government of Karnataka in 1987, and recognized by UGC under 2(f) and 12(b). The jurisdiction of the university spreads over the districts of Shivamogga and Chikkamagaluru.

The University has been named after great Kannada writer **Shri KUVEMPU** and has achieved a distinctive academic profile and a cultural identity of its own. Kuvempu University is a confluence of the local and the global; of the regional and the pan-Indian; of the sustenance provided by tradition and the dynamism provided by modernity; of a deep sense of commitment to the socially and culturally disadvantaged and an equally deep commitment to excellence.

Kuvempu University has been ranked 73rd in the prestigious National Institutional Ranking Framework (NIRF) of Ministry of Human Resource Development, Government of India for the year 2019. The university is in the first place among all the universities in the State of Karnataka. Further more, The Knowledge Review a renowned journal has named the University as one of the top ten inspirational educational institutions in the faculties of Arts and Commerce. University placed in 45th rank in SCIMAGO.

The emblem of the university has a mythical animal with the trunk of an elephant and the body of a swan. This mythical animal, called **Gajahamsa** is commonly found in the Vijayanagara and the Keladi sculpture and temple art. It symbolizes the integration of knowledge and wealth.

It is a university with a distinctive academic profile, blending in itself commitment to rural ethos in modern spirit. The university offers under-graduate, post-graduate and Ph.D programmes in a wide range of disciplines. It has 35 Post-graduate Departments in the Faculties of Arts, Commerce, Education, and Science and Technology.

Jnana Sahyadri, the main campus sprawls over an area of 230 acres of a lush green, picturesque locale providing the right ambience for higher education. The main buildings of the university are constructed on small hillocks, blending naturally with the landscape. The entire campus area is free from any form of pollution. The undisturbed and pleasant atmosphere on the campus makes it ideally suited for the pursuit of higher education and research.

(1) Post-Graduate Centre, Kadur: With the objective of providing higher education to rural youth, Kuvempu University established a Post-graduate Centre at Basavanagara, Kadur. It is spread over 60 acres near Shivamogga-Bengaluru highway and 7 kms away from Kadur town. Four courses are offered here; M.Com, MA Economics, M.Sc. Chemistry and M.Sc. Pharmaceutical Chemistry. It has separate hostels for boys and girls.

(2) Post-Graduate Centre, Chikkamagaluru: To further promote the motto, '**Quality Education** for all' and to encourage rural students in seeking admission to Post Gaduate programmes, University has started one more centre at Chikkamagaluru. Four courses are offered here: M.Com, MA Kannada, M.A. Political Science and M.Sc. Mathematics.

(3) Affiliated Colleges: The University has 101 affiliated colleges. These include 3 constituent colleges, Government colleges, 67 private colleges, and one college under the direct control of the University, spread over the two districts offering Under-Graduate and Post-Graduate Programmes. Among them, 18 colleges offer B.Ed programme; 38 colleges have been assessed and accredited by NAAC; and 49 colleges are admitted to 2(f) and 12(b).

(4) Constituent Colleges: Sahyadri Arts College, Sahyadri Commerce and Management College, and Sahyadri Science College, the erstwhile government institutions, are now the constituent colleges of

Kuvempu University. These colleges have contributed illustrious persons to every important field. Among the celebrities who are the alumni of the colleges are Dr. U. R. Ananthamurthy, Jnanapeeta awardee; Prof. C. N. R. Rao, eminent Scientist and Bharatha Ratna awardee; Sri. K. V. Subbanna, Magsaysay awardee; and Sri. D. H. Shankaramurthy, Speaker of Legislative Council and former Minister of Higher Education, Government of Karnataka. Both the colleges have been recognized as Colleges with Potential for Excellence by the University Grants Commission. Sahyadri Colleges are celebrated Platinum Jubilee.

(5) **Directorate of Distance Education (DDE):** To foster university-society relationship with the motto, **Education for All,** the Directorate of Distance Education of the university is offering under-graduate, post-graduate and P.G Diploma courses. The objective is to take quality education to the doorsteps of the aspirants of higher education.

(6) **Prasaranga:** Prasaranga, the publication and extension wing of the University, plays a key role in disseminating knowledge and in building a bridge between the academic world and the society at large. The varied activities of the Prasaranga are mainly of three kinds viz.,extension lectures, publication of books and publication of university newsletter.

Student Amenities

The university provides many facilities to the student community and some of these facilities are as Follows:

(1). **Library:** The Library is housed in a modern and well equipped building with excellent infrastructure facilities for reading, borrowing and reference to the students, teachers and research scholars of all Departments. The library has kept pace with modernization by adopting cutting-edge information and communication technology.

The library serves its users with traditional print sources such as books, reference sources, journals, magazines, reports, theses, dissertations, etc. Also the library provides access to online resources such as e-journals, database, and e-portals. The library has access to more than 7000 e-resources under the e-Shodhsindhu programme of the UGC-INFLIBNET Centre. The library has also been provided with excellent facilities for the self learning of the academic community beyond working hours.

Green Library: The University offers a unique experience of browsing hundreds of books and journals and other resources through Wi-Fi, to students sitting in a lush green natural forest. The green library is established in a cool, calm, serene bamboo forest surrounded by trees and creepers, occasionally filled with music from birds.

(2). **Hostels:** There are four hostels for the post-graduate students on the main campus - two men's hostels and two women's hostels. Besides, there is a working women's hostel on the campus providing accommodation to students and research scholars. The hostel for students belonging to backward classes and minorities (established near the main campus by the Government of Karnataka) provides hostel facility exclusively for the post-graduate students of the university. Students are advised to apply for hostels immediately after admission (on the same day). Even at P. G. Centre, Kadur, there are two hostels for the students.

However, accommodation in the hostels is limited. Some details about Faculty Advisors are given below.

Note: **10% of the General Merit (GM) seats are reserved for Economically Weaker Sections (EWS) on production of the certificate in the prescribed format. As per the University order No.KU:AC:AC-4:121(B)/1321/2019-20, Dated:07-06-2019**

Note:

a. NCC, NSS, Sports, CDP (Children/Dependents of Defence Personnel), PwD (Person with Disability), KM (Kannada Medium from Standard I to X), GdM (Gender Minorities) and Horanadu/Gadinadu: The seats under special categories are non-transferable, and they are filled only with available eligible applicants. However, if there are no eligible applicants for CDP, the seats shall be transferred to merit- cum-payment seat (Kuvempu University students). In respect of applications received under CFF (Children of Freedom Fighters) quota, the applications shall be referred to the Registrar for necessary orders.

b. If there are no eligible applicants for seats under Other University (OU, merit seats) and/or Hyderabad- Karnataka (HyK) quota, the unfilled seats shall be transferred to GM seats (Merit). [Note: The seats under OU Quota are at 15% of total merit seats (excluding special categories). Therefore, total number of merit seats in Column – 3 do not include these OU seats].

c. In the case of MSW, 20 seats are reserved for BSW candidates and 20 seats for multidisciplinary graduates.

d. Admissions for MCA and MBA courses are made through PG CET conducted by KEA, Bengaluru. However, a separate Entrance Test will be conducted by Kuvempu University to fill up unfilled seats.

e. Under merit-cum-payment category,

(i) 3 seats (1:1:1) are reserved for SC and ST students of Kuvempu University, and children of Kuvempu University employees.

(ii) Of the remaining, specified number of seats are reserved for applicants from other universities (for OU and HyK candidates).

(iii) The remaining seats are for KU candidates.

For example, in the case of M.A (Kannada), there are 10 seats under Merit-cum-Payment quota (3 + 3 + 4) and these 10 seats are shown in the last but one column (in the above table) as '3+3+4'. This means,

(i) The first three seats are for SC, ST and children of Kuvempu University employees (one each),

(ii) Next three seats are for OU applicants, and

(iii) The last four seats are for Kuvempu University graduates.

However,

- If any of these seats fall vacant, the seats shall be transferred to merit-cum-payment seats
(Kuvempu University candidates).
- But in the case of SC/ST, the seats are inter-changeable. However, if there are no eligible and willing applicants from both SC/ST categories, the unfilled seats shall be shifted to merit-cum-payment seats (Kuvempu University candidates).
- If there are no eligible and willing applicants from Kuvempu University graduates, the unfilled seats shall be shifted to merit-cum-payment seats (OU students).
- All candidates admitted under merit-cum-payment category are required to pay the actual fee for merit- cum-payment category prescribed by the University, irrespective of their category/income, etc.

f. 10 % of the General Merit (GM) seats are reserved for Economically Weaker Sections (EWS) on production of the certificate in the prescribed format.

V. Mode of Admission:

Admission of candidates depends upon the availability of seats in the order of merit in the respective reservation category. The information given in this Prospectus is for general information of the students. The relevant rules relating to admission, fees and other details will be effective as prevailing at the time of admission.

(a) There is a centralized system of admission for Post-Graduate Courses of Kuvempu University. Each Department will have an Admission Committee comprising the Chairperson and members of the faculty of the Department as constituted by the university for this purpose.

(b) In all stages of admission, the admission committee shall obtain the approval from the Dean of the Faculty concerned.

(c) The Admission Committee verifies the applications and documents/certificates and prepares a consolidated merit list, in descending order of merit on the basis of the percentage of marks secured by the candidates in the qualifying examination (or entrance test or both).

(d) The above list/s will be announced on the notice board of the respective Departments. The lists will also be uploaded to the university website. No intimation will be sent to the candidates separately for their admission. Hence, the applicants are advised to see the notice board of the respective departments and/or the University web site (www.kuvempu.ac.in.).

(e) The admission committee makes the admission on the scheduled date and time (as specified in **Dates of Events**).

(f) Candidates shall personally appear for the admission with all originals documents and certificates, prescribed fees and photographs. Applicants are required to report at the **counselling centre of the Department concerned before 10.30 am** on the date/s of admission (see, **Dates of Events**) and remain throughout admission. The applicants should occupy the chairs in the room specified by the Department concerned in time on the date/s of admission, and not leave the room till the completion of admission. Further, the candidates are required to note that **the delay in the arrival of candidates at the admission venue even by a minute may deprive them the seats.**

(j) **Gender Minority (GdM):** Special 1% reservation for gender minorities in special category would be a super numeric quota seat and filled against available eligible applications only. One seat is kept in each Department for these applicants in accordance with GO No. ED254UKV dated 13th December, 2013.

(k) **Children of Farmers (CoF):** One seat, as a part of Special Categories (merit), in each P. G course is reserved for the children of farmers who committed suicide owing to financial distress (Please note, this seat is not shown in the Seat Matrix table given earlier). And applicants who want to claim the seat under this category have to enclose the relevant certificate issued by the Tahsildar/Deputy Commissioner of Taluk/ District concerned. If there are no eligible applicants under this category, the seat shall be kept vacant.

(l) **Hyderabad-Karnataka Reservation (HyK):** Special 8% reservation for Hyderabad-Karnataka region is provided in accordance with GO No. ED269UNE, dated 13th May, 2014. However, in the event of non- availability of eligible applications, such seats would be transferred to General Merit category.

(m) **Other University Students (OU):** As per the Government of Karnataka Letter, 15% of the seats are reserved for students of other universities (including Merit, and Merit-cum-Payment seats).

(n) **Merit-cum-Payment Seats:** Under merit-cum-payment category,

(i) First 3 seats (1+1+1) are reserved for SC, and ST students of Kuvempu University, and children of Kuvempu University employees (i.e., one seat to each of these three categories).

Note: (i) Applicants claiming seats under 'Employees' Children' quota have to produce an eligibility certificate signed by the university Registrar.

(ii) Of the remaining, a specified number of seats are reserved for OU candidates where the quota (15%) is adjusted with HyK and OU under merit seats.

(iii) Remaining seats are for KU candidates.

However,

(i) If any of these seats fall vacant, such seats will be filled with Kuvempu University applicants on merit-cum-payment basis.

(ii) But in the case of SC and ST, the seats are inter-changeable. If no eligible applicant is available from both the categories, the vacant seat shall be shifted to Kuvempu University students on merit-cum- payment basis.

(iii) If there are no eligible applicants from Kuvempu University graduates, the vacant seats may be filled with OU applicants under merit-cum-payment basis.

(iv) All candidates admitted under merit-cum-payment quota are required to pay the actual fee for merit- cum-payment category prescribed by university (at the time of admission) irrespective of their caste and annual income.

NSS/NCC Quota: Criteria for ranking and selection of students under NSS/NCC Quota are given below.

(1) The admission is limited to students of Kuvempu University only.

(2) Claim under the quota is considered only when photocopies of specific certificates are attached.

(3) The camps/programmes attended during PUC level and prior to that are not considered.

(4) Ranking of NSS/NCC Quota applicants and preparing the merit list is based on two important criteria viz., marks secured in the qualifying examination and performance in NSS/NCC activities.

(5) Weights for the marks secured in the qualifying examination shall be awarded in accordance with Schedule – A presented below.

(6) The Admission Committee of the Department may evaluate the NSS (Schedule – B: 50%)/NCC (Schedule - C: 50%) related documents of the applicants, or forward them to the NSS /NCC programme co-ordinator of the university for evaluation. However, in the case of any ambiguity, the weights awarded by the NSS/ NCC Co-ordinator (based on the documents submitted by the applicants) is final.

(7) The admission committee shall combine marks secured as per schedules A and B (for NSS quota) or Schedules A and C (for NCC quota), and prepare the rank list and admit students accordingly.

Choice Based Credit System (CBCS) – Excerpts from Regulations

The Post Graduate Courses of Kuvempu University are governed by the Choice Based Credit System (CBCS) – **Choice** referring to the flexibility offered to the students for selecting a suitable combination of courses or papers and the **Credit** referring to the unit by which the teaching/course work is measured. CBCS is learner centred by eliciting active participation of teachers establishing close interaction between the teachers and the students that contributes towards quality of education.

(1) Structure of P. G. Programmes: There are four categories of courses viz., Hard Core Courses, Soft Core Courses, Elective Courses and Soft Skill Courses for every P. G Programme.

(a) Hard and Soft Core Courses are the courses offered by the Department concerned. Each student shall compulsorily undertake project work leading to Project Report. The credits for each Hard Core Course ranges from 3 to 6 and that of Soft Core Course from 2 to 4.

(b) Elective Courses are the courses offered by other Departments. Each elective course carries 2 wrights. Students of all P. G Programmes shall select, study and successfully complete atleast one Elective Course (out of a number of Elective Courses offered by other Departments, List of Elective Courses is given later) each in II and III Semesters earning atleast four credits.

(c) Besides, there are three Soft Skill Courses viz., Communication Skills, Computer Skills and Life Skills. These Courses are offered by the Departments of Studies in English, Computer Science and Commerce respectively for the students of all Departments of P. G Studies. Each of these three courses carries one credit and there shall be no semester-end examination for these courses. However, to successfully complete the Master's Degree, every student must complete these courses earning three credits within the first two semesters.

(2) Continuous Assessment Programmes and Evaluation

Out of the total marks for each course, 25 marks are earmarked for Continuous Assessment (Internal Assessment) and the remaining 75 marks for the semester-end examination. Internal assessment marks are awarded on the basis of the following components.

Sl. No.	Continuous Assessment Programme	Maximum Marks
01	Two Session Tests (5 marks per test)	10
02	Seminar/Group Discussion (assessed on the basis of writing, comprehension, communication, articulation, and presentation skills)	5
03	Field Work and/or Assignments	5
04	Regularity and Attendance	5

In the case of elective courses, each elective course carries a maximum of 50 marks comprising 40 marks for semester-end examination and 10 marks for internal assessment. In this case, internal assessment marks are awarded to the students based on a test (5 marks), assignment-cum-group discussion (2.5 marks), and regularity of the students in attending the classes (2.5 marks).

(3) Semester-end Examination and Evaluation: Semester-end examination of three-hour duration for 75 marks is conducted for each of Hard and Soft Core Courses. However, in the case of Elective Courses, the semester-end examination is for 40 marks for 1½ hours for each course. Add semester answer scripts of the semester-end examination are evaluated by internal examiner and even semester answer scripts of the semester end examinations are evaluated by external examiners. In case of project report are evaluated by two examiners (one internal and another external). The marks awarded to that project report is the average of these two evaluations. If the difference in the marks between two evaluations exceeds 20% of the maximum marks, such a project report is valued by a third external examiner. The marks awarded to that project report shall be the average of two nearer marks out of the three evaluations. And for the remaining 25 marks, project viva-voce examination shall be conducted by the Board of Examiners. For the purpose of evaluation, answer scripts are coded. There is also a provision for challenge valuation.

(4) Grading and Declaration of Result

(a) **Grade** means an index of conversion of marks secured by a candidate after completing the precribed credits and relevant examination in each course

(b) **Grade and Credit Points** are computed for each course considering the marks secured and the credits earned in each course. **Grade Points** are computed by dividing the marks secured by the candidate in each course by 10% of the maximum marks for that course. And **Credit Points** are determined by multiplying the Grade Points in each course by the credits of that course. Both the Grade Points and Credit Points shall be computed for each course in each semester

(c) **Grade Point Average** (GPA) is computed and given to each candidate based on his/her semester performance. This is determined by dividing the sum of credit points earned by the student in all the courses of a semester by the total number of credits for which the candidate has taken examination in that semester

(d) **Cumulative Grade Point Average** (CGPA) is computed for the whole academic programme considering the aggregate of Credit Points of all the semesters earned by the student and dividing this sum by the total credits of all the semesters

(e) The CGPA obtained as above is the base for the determination of Grade and for the declaration of the result as follows.

CGPA	Result grade	Description of Result Grade
< 4.50	D	Fail
≥ 4.50 < 5.00	C	Pass
≥ 5.00 < 5.50	B	Second Class
≥ 5.50 < 6.00	B^+	High Second Class
≥ 6.00 < 6.50	A	First Class
≥ 6.50 < 7.50	A^+	High First Class
≥ 7.50	A^{++}	First Class with Distinction

Department of Studies - A Brief Profile

Jnana Sahyadri Campus

Jnana Sahyadri campus is located at Shankaraghatta at a distance of 26 kms away from Shivamogga town, the district headquarters and 18 kms from Bhadravathi, the well-known industrial town. The main campus can be reached by bus services from Shivamogga, Bhadravathi and Tarikere towns which are close to the campus and are well connected by road and rail. The campus is only 2 kms from the magnificent Bhadra Reservoir across the river Bhadra - one of the important lifelines of the area.

The academic life on the campus is vibrant and exciting with seminars, symposia, special lectures and workshops round the year. All academic programmes have updated course curricula/syllabi responding to the needs of the contemporary society; and the research orientation is innovative, original and directed to societal needs. Jnana Sahyadri campus houses almost all academic and administrative departments of the University.

Department of Studies and Research in Sociology

The Post Graduate Department of Sociology, Kuvempu University, has completed 30 years since its inception in 1988. To reflect on our march towards research and teaching in sociology for a better understanding of social processes in our small way, we are not unhappy. Within the boundaries of limited infrastructural facilities and a relatively small faculty, the Department can engage in introspections with confidence. There have been periodic evaluation and changes in the syllabus in response to developments in the discipline. The Department has introduced the Credit Based Choice System (CBCS).

The attempts of the Department, have mainly concentrated on the application of sociological principles to our immediate surroundings through conceptual and theoretical debates - both within the classrooms and outside. With M.A., and Ph.D. Programmers, teaching has been the first priority although research has received due attention. The faculty has entered into dialogue, regularly and continuously, with the outside academic world in seminars, workshops, conferences and Publications. Research, backed by valid and reliable information base, has centered on local and regional issues. Attempt was to combine the macro and the molecular. Inter-Departmental and multidisciplinary work was valued.

Department of Studies and Research in Physical Education

The Department of Physical Education started in the year 2003 and has been recognized by the National Council for Teacher Education (NCTE). The objective of the courses is generating competent professional teachers with an aim to meet the challenges in the field of Physical Education and Sports. The department is well equipped with instructional and infrastructure facilities for effective curricular transactions. International standard indoors sports complex and an upcoming 400 mts. standard track are the landmarks of the department. Playing facilities for Football, Hockey, Tennis, Kabaddi, Kho-kho, Handball, etc., give room for leisure time pursuits of campus students and also aid for practical programmes of the department.

Department of Studies and Research in Applied Botany

Post Graduate Department of Studies and Research in Applied Botany was established during academic year 1993. Since then the department is actively engaged in teaching and research in Applied Botany. Currently the Department is offering M.Sc., M.Phil and Ph.D Programme in Botany. The Department is engaged in research and extension activities in the areas of bio-diversity, conservation and sustainable utilization of crop plants as well as wild plant genetic resources. After inception of the department, it has conducted several seminars conferences and refresher courses. There are several major research projects ongoing and completed funded by Ministry of Environment and Forests, Department of Science Technology, Dept of Biotechnology and University Grants Commission, New Delhi.

Department of Studies and Research in Applied Zoology

The Post Graduate Department of Applied Zoology was started in 1993. The Department offers P.G. programme in M.Sc in Zoology and Ph.D. in Zoology. Major thrust areas of the Department include Genetics, Biodiversity, Toxicology, and Physiology. M.Sc students are trained in various aspects of Zoology such as Genetics, Molecular Biology, Environmental Pollution, Toxicology, Biotechnology, Computational Biology, Biodiversity, Wildlife biology, etc. The members of the faculty have completed many research projects funded by the Department of Science and Technology, Department of Biotechnology, University Grants Commission, New Delhi, Vision Group on Science and Technology, ICFRE Government of Karnataka, and have published more than 260 research papers in peer reviewed journals of National and International reputation and also published more than 20 books related to Wildlife and Biodiversity in addition, Department has conducted many national conferences, symposia, seminars, workshops and refresher courses.

Department of Studies and Research in Biotechnology

The department was established in 1999. This is a DST-FIST sponsored department. The Department has well established laboratory facilities for both academics and research in Biotechnology and has a well equipped computer lab with networking and LAN facility. It has received financial support from central funding agencies viz., DBT, DST & UGC. Presently, major projects funded by UGC, DBT, and VGST (Govt. of Karanataka) are in progress. Department has very good placement record in both private as well as public sectors. The department is leading a major infra-structure inter-disciplinary BUILDER-Project worth Rs. 4.5crores sanctioned by DBT-New Delhi. BUILDER-Project is in collaboration with sister departments such as department of Applied Botany, Applied Zoology and Environmental Science.

Department of Studies and Research in Wildlife and Management

The Department of Studies and Research in Wildlife and Management was started during the year 2003. The Department offers M.Sc., and Ph.D courses in Wildlife and Management. The course content is designed to cover all aspects of wildlife and management and practical orientation for wildlife conservation methods. The M.Sc., and Ph.D programme in Wildlife and Management aims to produce well- trained biologists and conservation practitioners who will retain their passion for wild places and a sense of purpose to conserve them. We provide our students a strong foundation of science that will help them design, implement and monitor a range of ecological studies and conservation projects. To develop these capabilities, our students learn about

wildlife science and conservation through a multi-disciplinary process. They are trained in fundamental ecology, project design skills and technical tools required to carry out scientific studies. As future conservationists they need to expose to the historical, social, economic, legal and political contexts that underlie the conservation process. In addition, we also teach effective communication using a variety of media, conflict resolution, and problem-solving skills, to deal with real life conservation issues. The department also inviting accomplished scientists regularly from various prestigious government and private institutions to deliver special lectures in order to encourage and motivate the students to take up research programmes. The students who have successfully completed the course have been working in various capacities in Karnataka State Forest Department, Research institutions, NGO's and Universities.

Department of Studies and Research in Psychology

The University has established the Department of Psychology from this academic year to develop efficient and competent human resource for the discovery and application of psychological knowledge. The postgraduate programme in psychology aims at creating excellent and creative leaders who apply psychological solutions to various affective, cognitive and behavioural issues of individuals and society; and adding to the existing knowledge through scientific research. The course introduces students to the systematic and scientific study of the behavior and mental processes of human beings and animals. Students are exposed to the psychological facts, principles, and phenomena associated with each of the major subfields within psychology. The syllabus spans all major areas of psychology and reflects a wide range of approaches to the study of mind, brain, and behaviour. The course opens up a wide range of career opportunities including counselling.

Programmes Offered: M.Sc in Psychology

Faculty:

1. Dr. S. S. Patil. — Professor and Chairperson

Course: M.Sc. Psychology

Eligibility: Candidates who have passed the Bachelor degree examination with Psychology as a cognate (optional) subject for three years of study can apply. They should have obtained a minimum of 50 percent in the aggregate marks in the subject

of Psychology at the Bachelor's degree examination in case of general merit category and 45 percent in case of SC/ST candidates. Admissions shall be made on the basis of 50% of marks obtained by the candidate in the written test and 50 marks obtained in the aggregate of the cognate subject.

Entrance Test: The written entrance test consists of 100 objective type questions, answered in 100 minutes duration, for a maximum of 100 marks. Questions will be aimed at testing the aptitude of the candidate as well as familiarity with the relevant subject.

Department of Studies and Research in Biochemistry

The Department of Biochemistry was started during the academic year 2005-06. The course content is designed to cover all aspects of biochemistry and practical orientation for biochemical methods. The exhaustive Practical training and sound theoretical knowledge provided here is intended to make the student an appropriate candidate for not only to take up teaching or pursuing doctoral research but also competent enough to work in pharmaceutical R&D, diagnostic labs, medical and agricultural research institutions and various allied industries. The department also invites accomplished scientists from various prestigious institutions to deliver special lectures in order to encourage and motivate the students to take up research.

Programmes Offered: M.Sc., Ph.D and PG Diploma in Industrial Bioanalytical Techniques

Faculty

1. Dr. A. N. Rajeshwara — Professor and Chairperson

Department of Studies and Research in Chemistry

The department has been established in the year 1992. The department is actively involved in teaching, research and extension progammes. Thrust areas of research includes bio-organic chemistry, synthetic organic chemistry, natural products chemistry, electrochemistry, metal finishing, nanomaterials, and dyes and pigments. All the faculty members have been awarded with major research projects from various funding agencies. The department is active in various academic activities like conducting seminars, symposium and conferences. The department also conducts placements programmes for the students. Department is funded by DST-FIST and UGC-SAP program for the infrastructure development.

Department of Studies and Research in Industrial Chemistry

The Department of Post-Graduate Studies and Research in Industrial Chemistry was established by the University of Mysore in 1973. The department has been harnessing precious human resources for the overall development of society through the pursuit for excellence in the area of chemical sciences. Besides its primary activities of academic, teaching and research, the Department has been interacting with the industrialists and established a mutually beneficial relationship with the nearby industries. In this direction, the department has initiated several programmes such as, taking up industry sponsored projects involving testing and analysis of raw materials and products, encouraging students to take up projects related to their studies to acquire work experience, inviting executives and technical staff of the industries as guest faculty.

As a part of university-institution interaction, the students are acquiring higher level of training at BARC, IISc, NAL, IIT,etc. The staff members are actively involved in cutting-edge research activities in collaboration with institutes and some foreign universities in the field of chemical sciences and have received funds worth of Rs. 7.2 crore from various funding agencies like DST, Nano Mission, UGC and NRB, New Delhi and BRNS Mumbai. The department has produced 86 Ph.Ds and 10 M.Phil degrees, and published 443 research papers in peer reviewed National and International journals. The department has links with many industrial organizations as a result of which, every year, many students are pursuing the training at advanced laboratories of ISO certified industries. In the campus selection programme, more than 65% students are obtaining placements in reputed organizations. The staff members are involved in consultancy services with Mysore Paper Mills Ltd., Bhadravathi. Few M.Sc and P.G Diploma students of the department work in MPM on hourly basis while they are studying under 'earn while learn' scheme of the department.

Department of Studies and Research in Pharmaceutical Chemistry (P. G. Centre, Kadur)

The Department of Pharmaceutical Chemistry was established in 2007. The course is designed to provide trained and skilled man power for ever growing pharmaceutical chemistry in India. The department has experienced and reputed faculty members with international recognition. So far, the members of the faculty have produced Ph.Ds and published more than 100 research papers in national and international journals of repute and have two patents to their credit. The faculty members have visited England and Italy for their post-doctoral research and for presentation of their research papers. The department strongly encourages M.Sc students to get actively involved in research activities and helps to get high lucrative scientific job opportunities.

Department of PG Studies and Research in Applied Geology

The Department is offering innovative and multidisciplinary M.Sc. and Ph.D. courses in Earth Science & Resource Management (UGC-Innovative Program) and M.Sc. in Geoinformatics. The Department is recognised by UGC as a nodal center for Earth Science & Resource Management Studies. The Department has highly equipped sophisticated laboratories funded by UGC Under Innovative & SAP-DRS-I, II and III and Department of Science & Technology under FIST programs.

Programmes Offered: M.Sc (ESRM); M.Sc (Geoinformatics); and Ph.D

Faculty

Course: M.Sc – Earth Science and Resource Management (ESRM)

The program is designed and developed with innovative concept by integrating Geology and Information Science for assessment, evolution and management of resources for sustainable development. The course content is developed to train geoscientists in obtaining comprehensive knowledge of Geology/ Earth Science. Students who have successfully completed the degree in ESRM have got excellent placement in Central/State Government departments, Public and private sector organizations and Multinational Companies etc.

Eligibility: A Bachelor's Degree in Science, Bachelor's degree with Geography at UG level, Engineering (Civil, Environmental, Mining, Geotechnical, Geoinformatics), B.Sc (Agriculture, Forestry, Horticulture, Soil Science) from any Indian university or equivalent qualification recognized by Kuvempu University. Eligibility for Foreign students will be in accordance with the university regulations.

Department of Studies and Research in Environmental Science

The Department was established during the year 1991-92 for promoting research and studies in Environmental Science. There is a huge responsibility on the part of the environmentalists and environmental scientists to propose several environment friendly processes of development. Environmental Science programmes are multi-disciplinary and holistic in nature, and they need an in-depth knowledge on the subject. There is a wide scope at national and international levels to make a career in Environmental Science. At present, the post-graduates of this Department are placed in Karnataka State Pollution Control Board, Universities, Colleges, Research institutions, Industries and Environmental consultant groups.

Department of Studies and Research in Computer Science and M.C.A

The department offers two Post-Graduate Courses viz. Master of Computer Applications (MCA) and M.Sc. (Computer Science). MCA programme has been started in the year 2000 and M.Sc. programme has been started in the year 2003. The department has well equipped laboratories with 60 Desktop Computers with high configuration. The department invite resource persons from reputed multinational companies (MNC's), universities and R&D Institutions. The department organizes seminars, conferences and workshops which provide a platform for industrial professionals, students, researchers and scientists to discuss for mutual benefits. The department provides opportunities for the fullest possible development of potential for all students who have diverse backgrounds.

Alumni of the department are well placed in software industries, academic and research institutions and few as entrepreneurs. Alumni's regularly visit the department and a platform is being provided to the students to interact with them. The department is actively engaged in research in the area of Image Processing, Pattern Recognition and Data Mining. The faculty members have taken research projects sponsored by AICTE and UGC.

Department of Studies and Research in Electronics

The Department was established in the year 2003 with the objective of generating competent professionals to meet the challenges in the field of electronics. The Department has dedicated staff and well equipped laboratories viz., Analog Electronics, Digital Electronics, C++, Microcontrollers, Digital Signal/ Image Processing, Advanced Communication, Computer Communication Networks and VHDL. The Department is actively involved in teaching, research & extension programmes. Thrust areas of research include, Digital Signal & Image Processing, Antenna theory & design and Microcontrollers. Department provides placement assistance for students in various leading industries.

Department of Studies and Research in Library and Information Science

The Department of Library and Information Science has been established in December 1993. The course is designed to suit to the changing needs of modern society. Greater emphasis has been laid in the curricula on IT oriented areas and practical aspects. To facilitate this, the department is equipped with necessary classrooms, furniture and equipment. It has an independent computer lab with 20 systems and internet facility. Many students have been placed in central/state government departments, public/ private enterprises, higher education institutions, R&D organizations and corporate sector. The department is active in teaching, training, research and consultancy activities. The department has organized many national level seminars, conferences, workshops and UGC sponsored Refresher Courses in Library and Information Science.

Programmes Offered: M.L.I.Sc and Ph.D

Faculty

1 . Dr. B. S. Biradar Professor

2. Dr. S. Padmamma Professor and Chairperson

Phone : 08282-257319 Extn: 283

Mobile : 9480467748

e-mail : spadmamma.2010@gmail.com

3. Dr. K. T. Santhoshkumar Associate Professor

4. Dr. P. Dharani Kumar Assistant Professor

Course: M.L.I.Sc – Master of Library and Information Science.

Eligibility: B.A/B.Sc/B.Com. etc., from any recognized university or any other qualification considered equivalent to it, subject to the minimum prescribed in the admission regulations. Total marks obtained by the candidate (aggregate of three years) shall be considered.

Entrance Test: Questions will be from general knowledge on world, nations, India, States of India, Karnataka, universe, science and technology, inventions, organizations, history, media, Indian constitution, Indian economy, Sports - international and national, writers, books and classics, awards, etc. There will also be questions to test English language proficiency, elementary mathematics, reasoning, knowledge of current affairs and elementary knowledge of library and information profession. The test will be conducted at the Department of Library and Information Science, Kuvempu University, Shankaraghatta.

Course Structure

First Semester

HC1.1 Foundations of Library and Information Science

HC1.2 Information Sources

HC1.3 Library Classification (Theory)

HC1.4 Basics of Computer (Theory)

Practicals

1.5 Library Classification - (Practical-I)

1.6 Basics of Computer - (Practical)

Second Semester

HC2.1 Information Society & Literacy

HC2.2 Management of Libraries and Information Centers

HC2.3 Library Cataloguing (Theory)

SC2.4 Library Automation (Theory)

Elective:2.5 Information Literacy

Practicals

2.6 Library Cataloguing- (Practical)

2.7 Library Automation - (Practical)

Third Semester

HC3.1 Research Methodology

HC3.2 Information Systems and Services

HC3.3 Indexing System (Theory)

SC3.4 Information and Communication Technology (Theory) - I

Elective: 3.5 Information Sources on Social Sciences and Science and Technology

Practicals

3.6 Information Processing and Retrieval-(Practical-I)

3.7 Information and Communication Technology - (Practical-I)

Fourth Semester

HC4.1 Information and Communication Technology (Theory) - II

HC4.2 Digital Libraries

HC4.3 Optional (any one of the following)

a. Public Library Systems and Services

b. Academic Library Systems and Services

c. Health Science Library System and Services

4.4 Project Work

Practicals

4.5 Library Classification-(Practical-II)

4.6 Information and Communication Technology - (Practical-II)

Department of Studies and Research in Mathematics

The Department of Mathematics has been started in the year 1975 as a part of University of Mysore. Later in 1987, it became an integral part of Kuvempu University. The Department is harnessing precious human resources for the overall development of society through the pursuit for excellence in the area of Mathematical Sciences. The Department is actively involved in teaching and research. The Department is recognized as a centre of research in the fields of Differential Geometry and Fluid Mechanics. The Department is admired by many Universities for its quality teaching and research. The Department is regularly conducting orientation classes, special lectures, NET-SLET coaching and remedial classes for the academic benifit of the student.

Further it is regularly conducting International / National conferences, seminars, workshops for the benifit of students and researchers. The Department has Mathematical Society, established in the year 2008. The department also trains each student in Computer skills and Mathematical Software.

As a part of University-Industry / Institution interaction, research organizations like TIFR, IISC, IIT's selecting / considering our Department as a centre to conduct seminars, conferences, workshops and symposium. It helps our students to interact with many renewed Mathematicians, and Scientists and Industrialists. The Department has awarded 70
Ph.D and 25 M.Phil degrees and published more than 500 research articles in the reputed National / International journals. Currently 24 students are working in the department for their Ph.D degree.

Programmes Offered: M.Sc and Ph.D

Faculty

1. Dr. S. K. Narasimhamurthy — Professor
2. Dr. B. J. Gireesha — Associate Professor and Chairperson

Email : bjgireesu@gmail.com

3. Dr. Venkatesh — Associate Professor

Course: M.Sc - Mathematics

Eligibility: The student should possess B.Sc., degree from a recognized university with Mathematics as one of the major subjects. The aggregate marks of three years in mathematics will be considered for admission to M.Sc., subject to the minimum eligibility prescribed in the university admission regulations.

Course Structure

First Semester

HC1.1 Algebra

HC1.2 Analysis-I

HC1.3 Complex Analysis-I

HC1.4 Ordinary Differential Equations

SC1.5 Discrete Mathematics and C- Programming

Practical: C -Programming Lab

Second Semester

HC2.1 Linear Algebra

HC2.2 Analysis-II

HC2.3 Complex Analysis-II

HC2.4 Partial Differential Equations

SC2.5 Differential Geometry

Practical: Matlab Programming

Elective:1 Basic Mathematical Modeling

Third Semester

HC3.1 Measure Theory and Intigration

HC3.2 Topology-I

HC3.3 Numerical Analysis-I

HC3.4 Riemannian Geometry

SC3.5 Fluid Mechanics

Practical : Numerical Methods

Elective : 2 Statistical Techniques

Fourth Semester

HC4.1 Functional Analysis
HC4.2 Topology-II
SC4.3 Numerical Analysis-II
SC4.4 Operations Research

Any one of the following
SC4.5a Finsler Geometry
SC4.5b Contact Geometry
SC4.5c Magneto hydrodynamics
SC4.5d Graph Theory

Department of Studies and Research in Physics

The Department has been established in the year 1991. The Department offers specialization in Condensed Matter Physics and Nuclear Physics. It has well equipped laboratories, class rooms and adequate teaching staff. The Department has research facility in the area of Condensed Matter Physics and Computational Physics (Nuclear Physics). It is equipped with laboratories having sophisticated instruments, computer lab and departmental library. The department has conducted many national seminars, workshops and refreshers courses. Many students of the Department are continuing their research in various reputed Institutes and Universities in India and abroad.

Programmes Offered: M.Sc and Ph.D

Post-Graduate Centre, Kadur

To provide higher education to rural youth, Kuvempu University established a Post-Graduate Centre at Kadur. It is located in an area of about 65 acres of land on Shivamogga-Bengaluru highway and 7 kms away from Kadur town. Kadur is well connected by road and train.

The campus has newly constructed academic building with adequate lecture halls, hostels (for both boys and girls), library and laboratory facilities. The courses offered here are in great demand as they open new job opportunities. The emphasis here has always been for teaching, research and extension activities. Few details about the courses offered and others are provided below.

Sl. No.	Course Offered	Chairperson / Co-ordinator	Course Structure
