Hon'ble Minister for Higher Education and Pro-Chancellor of the University

Vice-Chancellor's Message

Dear Students,

With gazes beyond stars, Kuvempu University has grown in might and fame in the last few years in the noble task of learning, teaching, creating and extending knowledge. Our humble efforts and achievements have helped us metamorphose this state university into a proud, proficient and performing institution.

The Kuvempu University is ranked 78th in the prestigious National Institutional Ranking Framework (NIRF) of Ministry of Human Resource Development, Government of India for the year 2018. The University is in the first place among all the Universities in the State of Karnataka. Further more, The Knowledge Review a renowned journal has named the University as one of the top ten inspirational educational institutions in the faculties of Arts and Commerce. It is also placed in the top 200 in the list of BRICS Universities.

Our challenge is to generate ideas that will benefit society, and to educate and train people to work in fields where they will be valued both for their specialized knowledge, research and communication skills.

The lush green 230 acre campus, pleasant climate, zero pollution, and surrounded by thick natural forest make our University a favorite academic destination for students, national and foreign. We have introduced novel and unique concepts like green graduation and green library that develop in students, a love for Mother Nature.

The University ensures a dynamic and unique environment for teaching and research. With a research oriented modern curriculum, international collaborations, industry partnerships and through emphasizing critical thinking, encouraging teamwork, exploring new veins of knowledge, fostering interpersonal competencies, imparting practical skills, and instilling an ethical perspective, the University equips students with the acumen to address both local and global challenges, to grow academically, intellectually, and socially.

I welcome you to unlock and actualize your potential, and to learn from and learning together with the finest academic minds in the country, making yourself and the nation proud of you.

Kuvempu University

About the University

Kuvempu University is an affiliating University established by State Government of Karnataka in 1987, and recognized by UGC under 2(f) and 12(b). The jurisdiction of the university spreads over the districts of Shivamogga and Chikkamagaluru.

The University has been named after great Kannada writer **Shri KUVEMPU** and has achieved a distinctive academic profile and a cultural identity of its own. Kuvempu University is a confluence of the local and the global; of the regional and the pan-Indian; of the sustenance provided by tradition and the dynamism provided by modernity; of a deep sense of commitment to the socially and culturally disadvantaged and an equally deep commitment to excellence.

Kuvempu University has been ranked 78th in the prestigious National Institutional Ranking Framework (NIRF) of Ministry of Human Resource Development, Government of India for the year 2018. The university is in the first place among all the universities in the State of Karnataka. Further more, The Knowledge Review a renowned journal has named the University as one of the top ten inspirational educational institutions in the faculties of Arts and Commerce. She is also placed in the top 200 in the list of BRICS universities.

The emblem of the university has a mythical animal with the trunk of an elephant and the body of a swan. This mythical animal, called **Gajahamsa** is commonly found in the Vijayanagara and the Keladi sculpture and temple art. It symbolizes the integration of knowledge and wealth.

It is a university with a distinctive academic profile, blending in itself commitment to rural ethos in modern spirit. The university offers under-graduate, post-graduate and Ph.D programmes in a wide range of disciplines. It has 35 Post-graduate Departments in the Faculties of Arts, Commerce, Education, and Science and Technology.

Jnana Sahyadri, the main campus sprawls over an area of 230 acres of a lush green, picturesque locale providing the right ambience for higher education. The main buildings of the university are constructed on small hillocks, blending naturally with the landscape. The entire campus area is free from any form of pollution. The undisturbed and pleasant atmosphere on the campus makes it ideally suited for the pursuit of higher education and research.

- (1) **Post-Graduate Centre, Kadur:** With the objective of providing higher education to rural youth, Kuvempu University established a Post-graduate Centre at Basavanagara, Kadur. It is spread over 60 acres near Shivamogga-Bengaluru highway and 7 kms away from Kadur town. Four courses are offered here; M.Com, MA Economics, M.Sc. Chemistry and M.Sc. Pharmaceutical Chemistry. It has separate hostels for boys and girls.
- (2) **Post-Graduate Centre, Chikkamagaluru:** To further promote the motto, '**Quality Education** for all' and to encourage rural students in seeking admission to Post Graduate programmes, University has started one more centre at Chikkamagaluru. Four courses are offered here: M.Com, MA Kannada, M.A. Political Science and M.Sc. Mathematics.
- (3) **Affiliated Colleges:** The University has 99 affiliated colleges. These include 3 constituent colleges, 30 Government colleges, 65 private colleges, and one college under the direct control of the University, spread over the two districts offering Under-Graduate and Post-Graduate Programmes. Among them, 18 colleges offer B.Ed programme; 38 colleges have been assessed and accredited by NAAC; and 48 colleges are admitted to 2(f) and 12(b).
- (4) **Constituent Colleges:** Sahyadri Arts College, Sahyadri Commerce and Management College, and Sahyadri Science College, the erstwhile government institutions, are now the constituent colleges of

Kuvempu University. These colleges have contributed illustrious persons to every important field. Among the celebrities who are the alumni of the colleges are Dr. U. R. Ananthamurthy, Jnanapeeta awardee; Prof. C. N. R. Rao, eminent Scientist and Bharatha Ratna awardee; Sri. K. V. Subbanna, Magsaysay awardee; and Sri. D. H. Shankaramurthy, Speaker of Legislative Council and former Minister of Higher Education, Government of Karnataka. Both the colleges have been recognized as Colleges with Potential for Excellence by the University Grants Commission. Sahyadri Colleges are celebrated Platinum Jubilee.

- (5) **Directorate of Distance Education (DDE):** To foster university-society relationship with the motto, **Education for All**, the Directorate of Distance Education of the university is offering under-graduate, post-graduate and P.G Diploma courses. The objective is to take quality education to the doorsteps of the aspirants of higher education.
- (6) **Prasaranga:** Prasaranga, the publication and extension wing of the University, plays a key role in disseminating knowledge and in building a bridge between the academic world and the society at large. The varied activities of the Prasaranga are mainly of three kinds viz., extension lectures, publication of books and publication of university newsletter.

Student Amenities

The university provides many facilities to the student community and some of these facilities are as follows.

- (1). **Library:** The Library is housed in a modern and well equipped building with excellent infrastructure facilities for reading, borrowing and reference to the students, teachers and research scholars of all Departments. The library has kept pace with modernization by adopting cutting-edge information and communication technology.

The library serves its users with traditional print sources such as books, reference sources, journals, magazines, reports, theses, dissertations, etc. Also the library provides access to online resources such as e-journals, e-database, and e-portals. The library has access to more than 7000 e-resources under the e-Shodhsindhu programme of the UGC-Inflibnet Centre. The library has also been provided with excellent facilities for the self learning of the academic community beyond working hours.

Green Library: The University offers a unique experience of browsing hundreds of books and journals and other resources through Wi-Fi, to students sitting in a lush green natural forest. The green library is established in a cool, calm, serene bamboo forest surrounded by trees and creepers, occasionally filled with music from birds in the campus.

- (2). **Hostels:** There are four hostels for the post-graduate students on the main campus - two men's hostels and two women's hostels. Besides, there is a working women's hostel on the campus providing accommodation to students and research scholars. The hostel for students belonging to backward classes and minorities (established near the main campus by the Government of Karnataka) provides hostel facility exclusively for the post-graduate students of the university. Students are advised to apply for hostels immediately after admission (on the same day). Even at P. G. Centre, Kadur, there are two hostels for the students.

However, accommodation in the hostels is limited. Some details about Faculty Advisors are given below.

- (3). **Add-on P. G Diploma Courses:** Encouraged by the guidelines of University Grants Commission, the university Departments and the Directorate of Distance Education provide an opportunity for the post-graduate students to study and obtain a Post-Graduate Diploma simultaneously with the Post-Graduate course being pursued by them.
- (4). **Green Graduation Programme:** It is an innovative concept of enhancing the social commitment of the students in higher education. Green graduation comprises: **A.** Planting sapling and taking care of the plant until the completion of the programme. **B.** Conducting health-hygiene awareness programmes periodically at selected villages. **C.** Educating (primary and highschool) children on environmental issues. **D.** Educating the public to create awareness on environmental issues. **E.** Specific conservation approach within the campus. **F.** Waste management and Svachchata Abhiyan.
- (5). **Language Laboratory:** To train the students in English for communication, a fully computerized modern language lab has been established in the university.
- (6). **University Art Gallery and Museum:** The University Art Gallery and Museum provides a visual feast with rare collections of sculptures, paintings, idols, tools, musical instruments, relics, artifacts, assorted antiquities like arms and armoury, copper plate grants, metal objects of religious utility and brass plates, collected from various locations of the State, showcasing her rich cultural heritage. Separate sections of the museum exhibits rare stones, minerals and items that have geological importance; instruments used for scientific research; and rare old newspapers.
- (7). **Keladi Museum:** The Keladi museum is a unique museum of manuscripts, sculptures and paintings which also houses a publication wing. The museum houses about 2,500 palm leaf manuscripts, thousands of paper manuscripts written in Kannada, Sanskrit and Telugu scripts, besides four hundred palm leaf manuscripts in Tigalari script. It provides facilities to scholars for research.
- (8). **Coaching for Civil Service Examinations:** In order to motivate students to seek administrative careers and to equip them to face the examinations, the university organizes training for civil services and other competitive examinations. The training includes counseling and essential skill development apart from academic guidance.
- (9). **Directorate of Student Welfare:** Kuvempu University has maintained an excellent student friendly ambience and assigns top priority to student welfare. A Directorate of Student Welfare has been established to plan and monitor student welfare activities.

(10). Co-curricular Activities:

- A) University Sports and Cultural Meet :** The athletic and artistic potentials of the students, teaching and administration staff take a competitive turn making the entire campus vibrant, vivacious, creative and colorful, where winners emerge from collective effort and ever-pervading joy.

B) Sahyadri Utsava: The University assigns high priority to co-curricular activities on the campus. These activities are organised by the Co-curricular Activities Association which consists of a co-ordinator from the faculty and student representatives from all P. G Departments. A highlight of the activities is the annual youth festival (**Sahyadri Utsava**) of students from affiliated colleges and the Post-Graduate Departments. Selected participants represent the university at inter-university youth festivals. The outstanding performer in co-curricular activities are felicitated by the university with the Gold medal Nirankushamathi.

- C) Swachchata Andolana:** As a positive response to the life-threatening environmental degradation, the University staff and students clean up the entire campus and the roads in and around the institution. This helps in maintaining the beauty of the campus and assuring clean and healthy surrounding for the people in the campus and wild animals that live in the adjoining forest.
- (10). Aasare:** It is a unique programme started by the university from 2011-12. The programme aims at carrying out special activities for the students to enhance their physical and mental abilities.
- (11). Sports:** The University has established a well equipped Indoor Sports Complex which has facilities for all indoor games including volley ball, basket ball, gymnastics and modern multi gymnasium. It has 24 well furnished dwelling rooms. Inter-collegiate competitions in almost all games and sports are organized regularly, in which large number of students from affiliated colleges participate. The outstanding performer in sports activities are felicitated by the university with the Gold medal Vishwamanava.

(12). National Service Scheme (NSS): Kuvempu University NSS wing is recognised as one of the best in Karnataka State and has also received Indira Gandhi NSS National Award for 2014-15. The NSS wing organizes annual camps, national camps and socially relevant programmes. It also coordinates the adult literacy programmes in which the students can participate actively. The outstanding performer in NSS activities are felicitated by the university with the Gold medal Aniketana.

- (13). SC/ST and OBC Cells:** The Scheduled Castes and Scheduled Tribes, and OBC Cells have been established to provide special assistance to students belonging to Scheduled Castes, Scheduled Tribes and other Backward Communities. The cells monitor fellowships and scholarships to SC, ST, and OBC researchers and P. G students. These Cells also organise remedial classes and coaching classes for the competitive examinations.
- (14). Internal Quality Assurance Cell (IQAC):** IQAC works towards improving the quality of teaching, research and administration.

- (15). **International Students Cell:** In order to facilitate the students from overseas in pursuing higher education and research in the university, International Students Centre has been established. Note:

- a. NCC, NSS, Sports, CDP (Children/Dependents of Defence Personnel), PwD (Person with Disability), KM (Kannada Medium from Standard I to X) and GdM (Gender Minorities): The seats under special categories are non-transferable, and they are filled only with available eligible applicants. However, if there are no eligible applicants for CDP, the seats shall be transferred to merit-cum-payment seat (Kuvempu University students). In respect of applications received under CFF (Children of Freedom Fighters) quota, the applications shall be referred to the Registrar for necessary orders.
- b. If there are no eligible applicants for seats under Other University (OU, merit seats) and/or Hyderabad- Karnataka (HyK) quota, the unfilled seats shall be transferred to GM seats (Merit). [Note: The seats under OU Quota are at 15% of total merit seats (excluding special categories). Therefore, total number of merit seats in Column - 3 do not include these OU seats].
- c. In the case of MSW, 20 seats are reserved for BSW candidates and 20 seats for multidisciplinary graduates.
- d. Admissions for MCA and MBA courses are made through PG CET conducted by KEA, Bengaluru. However, a separate Entrance Test will be conducted by Kuvempu University to fill up unfilled seats.
- e. Under merit-cum-payment category,
 - (i) 3 seats (1:1:1) are reserved for SC and ST students of Kuvempu University, and children of Kuvempu University employees.
 - (ii) Of the remaining, specified number of seats are reserved for applicants from other universities (for OU and HyK candidates).
 - (iii) The remaining seats are for KU candidates.

For example, in the case of M.A (Kannada), there are 10 seats under Merit-cum-Payment quota (3 + 3 + 4) and these 10 seats are shown in the last but one column (in the above table) as '3+3+4'. This means,

- (i) The first three seats are for SC, ST and children of Kuvempu University employees (one each),
- (ii) Next three seats are for OU applicants, and
- (iii) The last four seats are for Kuvempu University graduates.

However,

- If any of these seats fall vacant, the seats shall be transferred to merit-cum-payment seats (Kuvempu University candidates).
- But in the case of SC/ST, the seats are inter-changeable. However, if there are no eligible and willing applicants from both SC/ST categories, the unfilled seats shall be shifted to merit-cum-payment seats (Kuvempu University candidates).
- If there are no eligible and willing applicants from Kuvempu University graduates, the unfilled seats shall be shifted to merit-cum-payment seats (OU students).
- All candidates admitted under merit-cum-payment category are required to pay the actual fee for merit- cum-payment category prescribed by the University, irrespective of their category/income, etc.

V. Mode of Admission:

Admission of candidates depends upon the availability of seats in the order of merit in the respective reservation category. The information given in this Prospectus is for general information of the students. The relevant rules relating to admission, fees and other details will be effective as prevailing at the time of admission.

- There is a centralized system of admission for Post-Graduate Courses of Kuvempu University. Each Department will have an Admission Committee comprising the Chairperson and members of the faculty of the Department as constituted by the university for this purpose.
- In all stages of admission, the admission committee shall obtain the approval from the Dean of the Faculty concerned.
- The Admission Committee verifies the applications and documents/certificates and prepares a consolidated merit list, in descending order of merit on the basis of the percentage of marks secured by the candidates in the qualifying examination (or entrance test or both).
- The above list/s will be announced on the notice board of the respective Departments. The lists will also be uploaded to the university website. No intimation will be sent to the candidates separately for their admission. Hence, the applicants are advised to see the notice board of the respective departments and/or the University web site (www.kuvempu.ac.in).
- The admission committee makes the admission on the scheduled date and time (as specified in **Dates of Events**).
- Candidates shall personally appear for the admission with all originals documents and certificates, prescribed fees and photographs. Applicants are required to report at the **counselling centre of the Department concerned before 10.30 am** on the date/s of admission (see, **Dates of Events**) and remain throughout admission. The applicants should occupy the chairs in the room specified by the Department concerned in time on the date/s of admission, and not leave the room till the completion of admission. Further, the candidates are required to note that **the delay in the arrival of candidates at the admission venue even by a minute may deprive them the seats.**

Admission Rules

For the Post-Graduate courses of Kuvempu University and affiliated colleges, there is a centralized system of admission through counselling. The following are some of the relevant rules and regulations. However, the rules existing at the time of admission shall be operative and final.

- Note:**
- (i) Applicants claiming seats under 'Employees' Children' quota have to produce an eligibility certificate signed by the university Registrar.
- (ii) Of the remaining, a specified number of seats are reserved for OU candidates where the quota (15%) is adjusted with HyK and OU under merit seats.
- (iii) Remaining seats are for KU candidates.

However,

- (i) If any of these seats fall vacant, such seats will be filled with Kuvempu University applicants on merit-cum-payment basis.
- (ii) But in the case of SC and ST, the seats are inter-changeable. If no eligible applicant is available from both the categories, the vacant seat shall be shifted to Kuvempu University students on merit-cum-payment basis.
- (iii) If there are no eligible applicants from Kuvempu University graduates, the vacant seats may be filled with OU applicants under merit-cum-payment basis.
- (iv) All candidates admitted under merit-cum-payment quota are required to pay the actual fee for merit-cum-payment category prescribed by university (at the time of admission) irrespective of their caste and annual income.

NSS/NCC Quota: Criteria for ranking and selection of students under NSS/NCC Quota are given below.

- (1) The admission is limited to students of Kuvempu University only.
- (2) Claim under the quota is considered only when photocopies of specific certificates are attached.
- (3) The camps/programmes attended during PUC level and prior to that are not considered.
- (4) Ranking of NSS/NCC Quota applicants and preparing the merit list is based on two important criteria viz., marks secured in the qualifying examination and performance in NSS/NCC activities.
- (5) Weights for the marks secured in the qualifying examination shall be awarded in accordance with Schedule - A presented below.
- (6) The Admission Committee of the Department may evaluate the NSS (Schedule - B: 50%)/NCC (Schedule - C: 50%) related documents of the applicants, or forward them to the NSS /NCC programme co-ordinator of the university for evaluation. However, in the case of any ambiguity, the weights awarded by the NSS/ NCC Co-ordinator (based on the documents submitted by the applicants) is final.
- (7) The admission committee shall combine marks secured as per schedules A and B (for NSS quota) or Schedules A and C (for NCC quota), and prepare the rank list and admit students accordingly.

Choice Based Credit System (CBCS) – Excerpts from Regulations

The Post Graduate Courses of Kuvempu University are governed by the Choice Based Credit System (CBCS) - **Choice** referring to the flexibility offered to the students for selecting a suitable combination of courses or papers and the **Credit** referring to the unit by which the teaching/course work is measured. CBCS is learner centred by eliciting active participation of teachers establishing close interaction between the teachers and the students that contributes towards quality of education.

- (1) **Structure of P. G. Programmes:** There are four categories of courses viz., Hard Core Courses, Soft Core Courses, Elective Courses and Soft Skill Courses for every P. G Programme.

- (a) Hard and Soft Core Courses are the courses offered by the Department concerned. Each student shall compulsorily undertake project work leading to Project Report. The credits for each Hard Core Course ranges from 3 to 6 and that of Soft Core Course from 2 to 4.
- (b) Elective Courses are the courses offered by other Departments. Each elective course carries 2 credits. Students of all P. G Programmes shall select, study and successfully complete atleast one Elective Course (out of a number of Elective Courses offered by other Departments, List of Elective Courses is given later) each in II and III Semesters earning atleast four credits.
- (c) Besides, there are three Soft Skill Courses viz., Communication Skills, Computer Skills and Life Skills. These Courses are offered by the Departments of Studies in English, Computer Science and Commerce respectively for the students of all Departments of P. G Studies. Each of these three courses carries one credit and there shall be no semester-end examination for these courses. However, to successfully complete the Master's Degree, every student must complete these courses earning three credits within the first two semesters.

(2) Continuous Assessment Programmes and Evaluation

Out of the total marks for each course, 25 marks are earmarked for Continuous Assessment (Internal Assessment) and the remaining 75 marks for the semester-end examination. Internal assessment marks are awarded on the basis of the following components.

Sl. No.	Continuous Assessment Programme	Maximum Marks
01	Two Session Tests (5 marks per test)	10
02	Seminar/Group Discussion (assessed on the basis of writing, comprehension, communication, articulation, and presentation skills)	5
03	Field Work and/or Assignments	5
04	Regularity and Attendance	5

In the case of elective courses, each elective course carries a maximum of 50 marks comprising 40 marks for semester-end examination and 10 marks for internal assessment. In this case, internal assessment marks are awarded to the students based on a test (5 marks), assignment-cum-group discussion (2.5 marks), and regularity of the students in attending the classes (2.5 marks).

- (3) **Semester-end Examination and Evaluation:** Semester-end examination of three-hour duration for 75 marks is conducted for each of Hard and Soft Core Courses. However, in the case of Elective Courses, the semester-end examination is for 40 marks for 1½ hours for each course. Project Reports and answer scripts of the semester-end examination are evaluated by two examiners (one internal and another external; however, under no circumstances a script/project report is valued only by two internal examiners). The marks awarded to that answer script/project report is the average of these two evaluations. If the difference in the marks between two evaluations exceeds 20% of the maximum marks, such a script/project report is valued by a third external examiner. The marks awarded to that answer script or project report shall be the average of two nearer marks out of the three evaluations. In the fourth semester, the project report shall be evaluated for 75 marks by both internal and external examiners. And for the remaining 25 marks, project viva-voce examination shall be conducted by the Board of Examiners. For the purpose of evaluation, answer scripts are coded. There is also a provision for challenge valuation.

(4) Grading and Declaration of Result

- (a) **Grade** means an index of conversion of marks secured by a candidate after completing the prescribed credits and relevant examination in each course
- (b) **Grade and Credit Points** are computed for each course considering the marks secured and the credits earned in each course. **Grade Points** are computed by dividing the marks secured by the candidate in each course by 10% of the maximum marks for that course. And **Credit Points** are determined by multiplying the Grade Points in each course by the credits of that course. Both the Grade Points and Credit Points shall be computed for each course in each semester
- (c) **Grade Point Average (GPA)** is computed and given to each candidate based on his/her semester performance. This is determined by dividing the sum of credit points earned by the student in all the courses of a semester by the total number of credits for which the candidate has taken examination in that semester
- (d) **Cumulative Grade Point Average (CGPA)** is computed for the whole academic programme considering the aggregate of Credit Points of all the semesters earned by the student and dividing this sum by the total credits of all the semesters
- (e) The CGPA obtained as above is the base for the determination of Grade and for the declaration of the result as follows.

CGPA	Result grade	Description of Result Grade
< 4.50	D	Fail
≥ 4.50 < 5.00	C	Pass
≥ 5.00 < 5.50	B	Second Class
≥ 5.50 < 6.00	B ⁺	High Second Class
≥ 6.00 < 6.50	A	First Class
≥ 6.50 < 7.50	A ⁺	High First Class
≥ 7.50	A ⁺⁺	First Class with Distinction

Department of Studies - A Brief Profile

Jnana Sahyadri Campus

Jnana Sahyadri campus is located at Shankaraghatta at a distance of 26 kms away from Shivamogga town, the district headquarters and 18 kms from Bhadravathi, the well-known industrial town. The main campus can be reached by bus services from Shivamogga, Bhadravathi and Tarikere towns which are close to the campus and are well connected by road and rail. The campus is only 2 kms from the magnificent Bhadra Reservoir across the river Bhadra - one of the important lifelines of the area.

The academic life on the campus is vibrant and exciting with seminars, symposia, special lectures and workshops round the year. All academic programmes have updated course curricula/syllabi responding to the needs of the contemporary society; and the research orientation is innovative, original and directed to societal needs. Jnana Sahyadri campus houses almost all academic and administrative departments of the University.

Department of Studies in Sociology

The Post Graduate Department of Sociology, Kuvempu University, has completed 30 years since its inception in 1988. To reflect on our march towards research and teaching in sociology for a better understanding of social processes in our small way, we are not unhappy. Within the boundaries of limited infrastructural facilities and a relatively small faculty, the Department can engage in introspections with confidence. There have been periodic evaluation and changes in the syllabus in response to developments in the discipline. The Department has introduced the Credit Based Choice System (CBCS).

The attempts of the Department, have mainly concentrated on the application of sociological principles to our immediate surroundings through conceptual and theoretical debates - both within the classrooms and outside. With M.A., and Ph.D. Programmers, teaching has been the first priority although research has received due attention. The faculty has entered into dialogue, regularly and continuously, with the outside academic world in seminars, workshops, conferences and Publications. Research, backed by valid and reliable information base, has centered on local and regional issues. Attempt was to combine the macro and the molecular. Inter-Departmental and multidisciplinary work was valued.

3. Teaching lessons

Department of Studies in Applied Botany

Post Graduate Department of Studies and Research in Applied Botany was established during academic year 1993. Since then the department is actively engaged in teaching and research in Applied Botany. Currently the Department is offering M.Sc., M.Phil and Ph.D Programme in Botany. The Department is engaged in research and extension activities in the areas of bio-diversity, conservation and sustainable utilization of crop plants as well as wild plant genetic resources. After inception of the department, it has conducted several seminars conferences and refresher courses. There are several major research projects ongoing and completed funded by Ministry of Environment and Forests, Department of Science Technology, Dept of Biotechnology and University Grants Commission, New Delhi.

Department of Studies in Applied Zoology

The Post Graduate Department of Applied Zoology was started in 1993. The Department offers P.G. programme in M.Sc in Zoology and Ph.D. in Zoology. Major thrust areas of the Department include Genetics, Biodiversity, Toxicology, Wetland Ecology and Physiology. M.Sc students are trained in various aspects of Zoology such as Genetics, Molecular Biology, Environmental Pollution, Toxicology, Biotechnology, Computational Biology, Biodiversity, Wildlife biology, etc. The members of the faculty have completed many research projects funded by the Department of Science and Technology, Department of Biotechnology, University Grants Commission, New Delhi, Vision Group on Science and Technology, ICFRE Government of Karnataka, and have published more than 260 research papers in peer reviewed journals of National and International reputation and also published more than 20 books related to Wildlife and Biodiversity in addition, Department has conducted many national conferences, symposia, seminars, workshops and refresher courses.

**Department of Studies in
Biotechnology**

The department was established in 1999. This is a DST-FIST sponsored department. The Department has well established laboratory facilities for both academics and research in biotechnology and has a well equipped computer lab with networking and LAN

facility. It has received financial support from central funding agencies viz., DBT, DST & UGC. Presently, there are 7 major projects funded by UGC, DBT, and VGST (Govt. of Karnataka). Department has very good placement record in both private as well as public sectors. The department is leading a major infra-structure inter-disciplinary BUILDER-Project worth Rs. 4.5crores sanctioned by DBT-New Delhi. BUILDER-Project is in collaboration with sister department such as departments of Applied Botany, Applied Zoology and Environmental Science.

Department of P.G. Studies and Research in Microbiology

The Department has been established during 2005. In order to encourage the students to take up research activities, the course curriculum is designed covering all aspects of microbiology and practical orientation for microbiological methods. The thrust areas of research in the department include Microbial Diversity, Environmental Microbiology, Mycology, Agricultural Microbiology and Phytopathology, Medical Microbiology, Immunotechnology, Fermentation Technology, Enzymology, Food and Industrial Microbiology, etc. The Department has received financial support from UGC, DBT, DST, VGST-GoK and Kuvempu University for research programmes. The Department has very good placement record in private sector, research institutes, public sector etc. The Department is organizing seminars, conferences, symposium, workshop and special lecture series by inviting scientists and Emeritus Professors from reputed institutes and universities.

Department of Studies in Wildlife and Management

The Department of Studies in Wildlife and Management was started during the year 2002. The Department offers M.Sc., and Ph.D courses in Wildlife and Management. The course content is designed to cover all aspects of wildlife and management and practical orientation for wildlife conservation methods. The M.Sc., and Ph.D programme in Wildlife and Management aims to produce well-trained biologists and conservation practitioners who will retain their passion for wild places and a sense of purpose to conserve them. We provide our students a strong foundation of science that will help them design, implement and monitor a range of ecological studies and conservation projects. To develop these capabilities, our students learn about

wildlife science and conservation through a multi-disciplinary process. They are trained in fundamental ecology, project design skills and technical tools required to carry out scientific studies. As future conservationists they need to expose to the historical, social, economic, legal and political contexts that underlie the conservation process. In addition, we also teach effective communication using a variety of media, conflict resolution, and problem-solving skills, to deal with real life conservation issues. The department also inviting accomplished scientists regularly from various prestigious government and private institutions to deliver special lectures in order to encourage and motivate the students to take up research programmes. The students who have successfully completed the course have been working in various capacities in Karnataka State Forest Department, Research institutions, NGO's and Universities. During the past 14 years of existence, the Department has successfully completed one major and one minor research projects funded by UGC, New Delhi. Department produced 09 Ph.Ds, 01 M.Phil and published more than 70 research papers in various refereed/peer reviewed journals. Presently 07 students are pursuing Ph.D.

Department of Studies in Psychology

The University has established the Department of Psychology from this academic year to develop efficient and competent human resource for the discovery and application of psychological knowledge. The postgraduate programme in psychology aims at creating excellent and creative leaders who apply psychological solutions to various affective, cognitive and behavioural issues of individuals and society; and adding to the existing knowledge through scientific research. The course introduces students to the systematic and scientific study of the behavior and mental processes of human beings and animals. Students are exposed to the psychological facts, principles, and phenomena associated with each of the major subfields within psychology. The syllabus spans all major areas of psychology and reflects a wide range of approaches to the study of mind, brain, and behaviour. The course opens up a wide range of career opportunities including counselling.

Department of Studies in Biochemistry

The Department of Biochemistry was started during the academic year 2005-06. The course content is designed to cover all aspects of biochemistry and practical orientation for biochemical methods. The exhaustive Practical training and sound theoretical knowledge provided here is intended to make the student an appropriate candidate for not only to take up teaching or pursuing doctoral research but also competent enough to work in pharmaceutical R&D, diagnostic labs, medical and agricultural research institutions and various allied industries. The department also invites accomplished scientists from various prestigious institutions to deliver special lectures in order to encourage and motivate the students to take up research.

Department of Studies in Industrial Chemistry

The Department of Post-Graduate Studies and Research in Industrial Chemistry was established by

the University of Mysore in 1973. The department has been harnessing precious human resources for the overall development of society through the pursuit for excellence in the area of chemical sciences. Besides its primary activities of academic, teaching and research, the Department has been interacting with the industrialists and established a mutually beneficial relationship with the nearby industries. In this direction, the department has initiated several programmes such as, taking up industry sponsored projects involving testing and analysis of raw materials and products, encouraging students to take up projects related to their studies to acquire work experience, inviting executives and technical staff of the industries as guest faculty.

As a part of university-institution interaction, the students are acquiring higher level of training at BARC, IISc, NAL, IIT, etc. The staff members are actively involved in cutting-edge research activities in collaboration with institutes and some foreign universities in the field of chemical sciences and have received funds worth of Rs. 7.2 crore from various funding agencies like DST, Nano Mission, UGC and NRB, New Delhi and BRNS Mumbai. The department has produced 74 Ph.Ds and 10 M.Phil degrees, and published 415 research papers in peer reviewed National and International journals. The department has links with many industrial organizations as a result of which, every year, many students are pursuing the training at advanced laboratories of ISO certified industries. In the campus selection programme, more than 65% students are obtaining placements in reputed organizations. The staff members are involved in consultancy services with Mysore Paper Mills Ltd., Bhadravathi. Few M.Sc and P.G Diploma students of the department work in MPM on hourly basis while they are studying under 'earn while learn' scheme of the department.

Department of Studies in Pharmaceutical Chemistry (P. G. Centre, Kadur)

The Department of Pharmaceutical Chemistry was established in 2007. The course is designed to provide trained and skilled man power for ever growing pharmaceutical chemistry in India. The department has experienced and reputed faculty members with international recognition. So far, the members of the faculty have produced Ph.Ds and published more than 50 research papers in national and international journals of repute and have two patents to their credit. The faculty members have visited England and Italy for their post-doctoral research and for presentation of their research papers. The department strongly encourages M.Sc students to get actively involved in research activities and helps to get high lucrative scientific job opportunities.

Course: M.Sc - Earth Science and Resource Management (ESRM)

The program is unique in its approach, designed and developed with innovative concept by integrating Geology and Information Science for assessment, evolution and management of resources or sustainable development. The course content is developed to train geoscientists in obtaining comprehensive knowledge of Geology/ Earth Science, its tools and techniques along with spatial information science and technology skills. Students who have successfully completed the degree in ESRM so far have got excellent placement in Central/State Government departments, Public and private sector organizations, including Multinational Companies

Eligibility: A Bachelor's Degree in Science, Bachelor's degree with Geography at UG level, Engineering (Civil, Environmental, Mining, Geotechnical, Geoinformatics), B.Sc (Agriculture, Forestry, Horticulture, Soil Science) from any Indian university or equivalent qualification recognized by Kuvempu University. Eligibility for Foreign students will be in accordance with the university regulations. The general admission criteria is based on Kuvempu University guidelines.

Second Semester

HC2.1 Igneous, Sedimentary and Metamorphic Petrology

HC2.2 Indian Stratigraphy, Paleontology and Geology of Karnataka

HC2.3 Hydrogeology and Engineering Geology

Practical

HCP2.1 Igneous, Sedimentary and Metamorphic Petrology

HCP2.2 Paleontology and Geostatistics

HCP2.3 Hydrogeology and Engineering Geology

Soft Core Paper:

SC2.1 Geomorphology and Structural Geology

Practical:

SCP2.1 Geomorphology and Structural Geology

Third Semester

HC3.1 Ore Geology, Indian Mineral Deposits and Mining Geology

HC3.2 GIS Data Processing and Disaster Management

HC3.3 Exploration Geology - Geological, Geochemical and Geophysical

Practical

HCP3.1 Ores and Ore Petrography

HCP3.2 GIS Data Processing and Disaster Management

HCP3.3 Exploration Geology

Soft Core Paper:

SC 3.1 Mineral and Water Resources Management

Practical:

SCP3.1 Hydrogeochemistry and Ore Reserve Estimation HCFW Field Training Camp

Fourth Semester**Project Work****Elective Papers****Even Semester**

1. Earth System and components
2. Photogrammetry and Remote Sensing
3. Geochemistry

Odd Semester

1. Hydrology
2. Mineralogy and Petrology
3. Geographic Information System & GPS

Course: M.Sc Geoinformatics

Geoinformatics program is specially developed and conceptualized to provide training in the field of spatial information science and technology, one of the upcoming fields of IT. The graduates and professionals who get training in this application oriented program can effectively utilize the technology in various fields such as, agriculture, forestry, wildlife, infrastructure planning, disaster management and natural resource management.

Eligibility: A Bachelor's Degree in Science, Bachelor's degree with Geography at UG level, Engineering (Civil, Environmental, Mining, Geotechnical, Geoinformatics), B.Sc (Agriculture, Forestry, Horticulture, Soil Science) from any Indian university or equivalent qualification recognized by Kuvempu University. Eligibility for Foreign students will be in accordance with the university regulations. The general admission criteria are based on Kuvempu University guidelines.

Course Structure**First Semester**

- HC1.1 Earth Science-I
 HC1.2 Principles of Geoinformatics
 HC1.3 Introduction to GIS

Soft Core Papers

SC1.1 Web Programming, Java, C, Python

Hard Core Practical

- HCP1.1 Mineralogy, Geomorphology and Structural Geology
 HCP1.2 Geoinformatics
 HCP1.3 GIS

Soft Core Practical

SCP1.1 Web Programming, Java, C, Python

Second Semester**Hard Core Papers**

- HC2.1 Earth Science-II
 HC2.2 Spatial Modeling and Analysis
 HC 2.3 Digital Image Processing

Soft Core Papers

SC2.1 Resource Mapping and Surveying

Hard Core Practical:

HCP2.1 Petrology

HCP2.2 Spatial Modeling and Analysis

HCP2.3 Digital Image Processing

Soft Core Practical

SCP2.1 Resource Mapping and Surveying

Third Semester

Hard Core Papers

HC3.1 GI Applications in Water Resources

HC3.2 GI Applications in Agriculture and Forestry

HC3.3 GI Applications in Earth and Atmospheric Sciences

Soft Core Paper

SC3.1 GI Applications in Urban Planning and Disaster Management

Hard Core Practical:

HCP3.1 GI Applications in Water Resources

HCP3.2 GI Applications in Agriculture and Forestry

Department of Studies in Environmental Science

The Department was established during the year 1991-92 for promoting research and studies in Environmental Science. There is a huge responsibility on the part of the environmentalists and environmental scientists to propose several environment friendly processes of development. Environmental Science programmes are multi-disciplinary and holistic in nature, and they need an in-depth knowledge on the subject. There is a wide scope at national and international levels to make a career in Environmental Science. At present, the post-graduates of this Department are placed in Karnataka State Pollution Control Board, Universities, Colleges, Research institutions, Industries and Environmental consultant groups.

Programmes Offered: M.Sc and Ph.D Faculty

Department of Studies in Computer Science and M.C.A

The department offers two Post-Graduate Courses viz. Master of Computer Applications (MCA) and M.Sc. (Computer Science). MCA programme has been started in the year 2000 and M.Sc. programme has been started in the year 2003. The department has well equipped laboratories with 60 Desktop Computers with high configuration. The department invite resource persons from reputed multinational companies (MNC's), universities and R&D institutions. The department organizes seminars, conferences and workshops which provide a platform for industrial professionals, students, researchers and scientists to discuss for mutual benefits. The department provides opportunities for the fullest possible development of potential for all students who have diverse backgrounds.

Alumni of the department are well placed in software industries, academic and research institutions and few as entrepreneurs. Alumni's regularly visit the department and a platform is being provided to the students to interact with them. The department is actively engaged in research in the area of Image Processing, Pattern Recognition and Data Mining. The faculty members have taken research projects sponsored by AICTE and UGC.

Course: MCA - Master of Computer Applications

3 years/6 semesters course

or

2 years/4 semesters course for lateral entry graduates those who have studied BCA/B.Sc.(Computer Science) course.

Eligibility: Any bachelor degree (BCA/B.Sc/B.Com/BA) of this university or any other recognized university with Computer Science/Mathematics as one of the subjects at 10+2 level subject to the minimum prescribed in the admission regulations of the University. The admission to MCA programme is done through PSCET conducted by Karnataka Examination Authority (KEA), Bangalore.

Course Structure

First Semester

- HC1.1 Computer Organization and Architecture
 HC1.2 C-Programming
 HC1.3 Database Management Systems
 SC1.1 Data Communications
 SC1.2 Computational Mathematics
 Practicals based on HC1.2 and HC1.3

Second Semester

- HC2.1 Computer Networks
 HC2.2 Operating System
 HC2.3 Data Structures
 SC2.1 Computer Graphics
 SC2.2 Software Engineering
 Practicals based on HC2.3 and SC2.1
 Elective 2.1 :ICT

Third Semester

- HC3.1 Wireless Communications
 HC3.2 Analysis and Design of Algorithms
 HC3.3 Object Oriented Programming using JAVA
 SC3.1 Theory of Computation
 SC3.2 Object Oriented Modeling and Design Patterns

Practicals based on HC3.2 and HC3.3

Elective 3.1: Cyber Security

Fourth Semester

- HC4.1 Data Mining
 HC4.2 Digital Image Processing
 HC4.3 PHP Programming
 SC4.1 Web Programming using J2EE
 SC4.2 Network Security and Cryptography
 Practicals based on SC4.1 and HC4.3

Fifth Semester

HC5.1 Cloud Computing
 HC5.2 Internet of Things (IOT)
 HC5.3 Pattern Recognition
 Practicals DOT NET Lab
 Mini Project

Sixth Semester

SC6.1 Multimedia Data Analysis
 SC6.2 Linux Internals
 Project Work

Course: M.Sc - Computer Science

Eligibility: B.Sc. (Computer Science / Information Science / Information Technology) or BCA degree of this University or any other UGC recognized university subject to the minimum prescribed in the admission regulations of the university.

Course Structure**First Semester**

HC1.1 Advanced Computer Architecture
 HC1.2 Advanced Data Structures
 HC1.3 Object Oriented Programming with JAVA
 SC1.1 Data Communications

Department of Studies in Electronics

The Department was established in 2003 with the objective of generating competent professionals to meet the challenges in the field of electronics. The Department has dedicated staff and well equipped laboratories viz., Analog Electronics, Digital Electronics, Microprocessors, Microcontrollers, Optical Fiber Communications, Digital Signal Processing, Computer Communication Networks and VHDL. The Department is actively involved in teaching, research and extension programmes. Thrust areas of research include Digital Signal and Image Processing, Semiconductor Physics and Microcontrollers. Department provides placement assistance for students in various leading industries.

Department of Studies and Research in Library and Information Science

The Department of Library and Information Science has been established in December 1993. The course is designed to suit to the changing needs of modern society. Greater emphasis has been laid in the curricula on IT oriented areas and practical aspects. To facilitate this, the department is equipped with necessary classrooms, furniture and equipment. It has an independent computer lab with 20 systems and internet facility. Many students have been placed in central/state government departments, public/private enterprises, higher education institutions, R&D organizations and corporate sector. The department is active in teaching, training, research and consultancy activities. The department has organized many national level seminars, conferences, workshops and UGC sponsored Refresher Courses in Library and Information Science.

Programmes Offered: M.L.I.Sc and Ph.D

Department of Studies in Mathematics

The Department of Mathematics has been started in the year 1975 as a part of University of Mysore. Later in 1987, it became an integral part of Kuvempu University. The Department is harnessing precious human resources for the overall development of society through the pursuit for excellence in the area of Mathematical Sciences. The Department is actively involved in teaching and research. The Department is recognized as a centre of research in the fields of Differential Geometry and Fluid Mechanics. The Department is admired by many Universities for its quality teaching and research. Apart from conventional teaching methods, the Department is also teaching students using advanced ICT tools. The Department is regularly conducting orientation classes, special lectures, NET-SLET coaching and remedial classes for the academic benefit of the student.

Further it is regularly conducting International / National conferences, seminars, workshops for the benefit of students and researchers. The Department has Mathematical Society, established in the year 2008, which helps students in getting placement, providing facilities for research activities and to generate funds for economically weaker and meritorious students to purchase books. The department also trains each student in Computer skills and Mathematical Software.

As a part of University-Industry / Institution interaction, research organizations like TIFR, IISC, IIT's selecting / considering our Department as a centre to conduct seminars, conferences, workshops and symposium. It helps our students to interact with many renewed Mathematician, Scientists and Industrialists. The Department has awarded 60 Ph.D and 25 M.Phil degrees and published more than 400 research articles in the reputed National / International journals. Currently 22 students are working in the department for their Ph.D degree.

Department of Studies in Physics

The Department has been established in the year 1991. The Department offers specialization in Condensed Matter Physics and Nuclear Physics. It has well equipped laboratories, class rooms and adequate teaching staff. The Department has research facility in the area of Condensed Matter Physics and Computational Physics (Nuclear Physics). It is equipped with laboratories having sophisticated instruments, computer lab and departmental library. The department has conducted many national seminars, workshops and refresher courses. Many students of the Department are continuing their research in various reputed Institutes and Universities in India and abroad.

Post-Graduate Centre, Kadur

To provide higher education to rural youth, Kuvempu University established a Post-Graduate Centre at Kadur. It is located in an area of about 65 acres of land on Shivamogga-Bengaluru highway and 7 kms away from Kadur town. Kadur is well connected by road and train.

The campus has newly constructed academic building with adequate lecture halls, hostels (for both boys and girls), library and laboratory facilities. The courses offered here are in great demand as they open new job opportunities. The emphasis here has always been for teaching, research and extension activities. Few details about the courses offered and others are provided below.
