Awards: Best poster award: Srinivas institute of technology Mangalore-2023

2. **Best Oral presentation:** 3rd International conference on advanced functional materials (AFMD-2025) at ARSD college, University of Delhi: 2025

3. **Best Poster award** at SB Arts and KCP science college Vijayapur -2023

4. **Number of Publication in SCI Journals:** 38 Publications

Google scholar: 50 Publications

Research gate: 50 Publications

5. **No of conference attended and presented a paper:** 64

6. **PhD Awarded and working:** 5 and 8 are working

7. **Project submitted:** Development of Inorganic Glasses Embedded with Stable Plasmonic Metal Nanoparticles for Optoelectronic and Nonlinear Optical Device Applications ANRF =5822400=00 (under review)

8. **Area of specialization:** Condensed matter physics

9. **Project guided for MSc Students:** 60 batches

10. **Thrust Area of research:** 1.rGO metal oxide nanoparticles for supercapacitor applications (By Green synthesis method)

2. rGO metal oxide Nanoparticles as Photocatalyst

3. rGO metal oxide Nanoparticles for optoelectronic device applications

4. rGO metal oxide hybrids for gas sensing.

Institutional collaborations: Manipal academy of higher education (MAHE) Manipal.
